LGU VISION ON SDG 1

Lahore Garrison University (LGU) envisions an equitable society where every individual, regardless of financial or social background, has access to quality education. In alignment with **Sustainable Development Goal 1 – No Poverty**, the university is dedicated to alleviating the barriers that hinder academic advancement for underprivileged students.

Through its **scholarship** initiatives—targeting economically challenged students, girls from rural communities, talented individuals from the northern regions, and students excelling in sports—LGU strives to cultivate empowerment through education. These efforts reflect the university's commitment to transforming education into a powerful instrument for poverty reduction and social mobility.

The overarching vision is to foster inclusion, equal opportunity, and sustainable development by ensuring that financial hardship does not obstruct intellectual growth. LGU believes that by investing in human potential, it contributes meaningfully to breaking the cycle of poverty and building a more resilient and educated nation.

“Every Dream Deserves an Opportunity at LGU”

Advancing Poverty Reduction Through Inclusive Higher Education

01

Although direct poverty alleviation programs remain limited, LGU contributes to SDG 1 – No Poverty by ensuring that access to quality higher education remains affordable and inclusive. In the academic year **2025–26**, a significant proportion of LGU’s student body came from middle- and low-income households, with many benefitting from subsidized tuition, flexible fee structures, and merit-based opportunities. A notable initiative was the launch of a **50% fee waiver** campaign for village girls in the **Computational Mathematics with AI program**, designed to empower marginalized female students with future-oriented skills and create pathways to sustainable livelihoods.

By preparing graduates with skills aligned to industry needs, LGU helps individuals and families improve their socio-economic conditions, thereby indirectly addressing poverty at both local and national levels. The university’s focus on emerging disciplines such as computational sciences, AI, and sustainable technologies equips students with career opportunities that strengthen financial independence and resilience.

At LGU, financial limitations never limit educational opportunities.

Scholarships That Empower Excellence

02

During FY **2025–26**, Lahore Garrison University (LGU) awarded **PKR 143.06 million** in **scholarships** to **1,448 students**, reaffirming its commitment to ensuring that financial constraints do not hinder access to quality higher education. The University provided **PKR 38.38 million** in Need-Based Scholarships to 362 deserving students and **PKR 47.54 million** in Merit-Based Scholarships to **310 high-achieving students**. Additional support was extended through Defence-Based Scholarships **(PKR 7.44 million for 298 students)**, Employee Ward Scholarships **(PKR 6.25 million for 28 students)**, Kinship-Based Scholarships **(PKR 23.70 million for 368 student**s), Sports-Based Scholarships **(PKR 17.81 million for 66 students)**, and Flood-Affected Scholarships **(PKR 1.93 million for 16 students)**, reinforcing LGU's commitment to inclusive education, equal opportunity, and SDG 1: No Poverty by ensuring that no deserving student is left behind.

“Turning Aspirations into Achievements.”

LGU's Role in Advancing Poverty Reduction Through Community Education

03

During FY **2025–26**, LGU students translated classroom learning into community service by volunteering at a local slum school, where they provided educational support to children from underprivileged families. Reinforcing the belief that education is a key driver of poverty reduction, the initiative also included the donation of books, learning materials, and refurbished computers, improving access to quality learning and digital resources. By fostering educational opportunities, digital inclusion, and community engagement, LGU contributed to the long-term empowerment of marginalized communities and supported the achievement of SDG 1: No Poverty through education-led social impact.

LGU Scholarships for Northern Area Students

04

LGU provides **100% scholarships** to students from the **northern areas** who aspire to pursue higher education. These scholarships not only create educational opportunities for underprivileged students but are also sustained based on the students' ability to maintain a satisfactory cumulative grade point average (CGPA). Through this initiative, LGU empowers deserving students to overcome financial barriers and continue their academic journey.

Empowering Talent Through Sports Scholarships

05

LGU supports **66 talented student-athletes** from underserved and remote regions, including the northern areas, through need-based sports scholarships. By combining financial assistance with access to quality higher education, the University enables deserving students to pursue both academic and athletic excellence. This initiative promotes equal opportunity, nurtures sporting talent, and helps remove financial barriers to higher education, contributing to SDG 1: No Poverty.

“Reducing the cost of education begins by removing the cost of access.”

Reducing Financial Barriers Through Transport Support

06

During **FY 2025–26**, LGU provided transport concessions worth **PKR 13.28 million** to **164 students**, helping to reduce the financial burden associated with higher education. The support benefited **121 wards** of armed personnel, **22 students** under the Shaheed category, and **21 students** receiving **Vice Chancellor-approved concessions (100% and 50%)**. By lowering commuting costs, LGU enables students from financially constrained backgrounds to continue their education, promotes equitable access to learning, and contributes to **SDG 1: No Poverty by reducing education-related expenses and supporting social and economic inclusion.**

LGU VISION ON SDG 2

Lahore Garrison University (LGU) envisions a hunger-free society where every individual has access to safe, nutritious, and sufficient food. In alignment with **Sustainable Development Goal 2 – Zero Hunger**, the university is committed to promoting sustainable food practices, responsible consumption, and awareness about food security challenges.

Reflecting its vision of being an inclusive university nurturing **skilled professionals and responsible citizens**, **LGU** integrates education, research, and community engagement to address hunger and malnutrition. By inspiring students to adopt sustainable habits, minimize food waste, and support equitable food distribution, the university empowers them to become socially responsible individuals who contribute to building a just and hunger-free future for all.

“Ensuring food security today builds stronger communities tomorrow.”

NO FOOD WASTE INITIATIVES 01

LGU promotes responsible consumption through its **No Food Waste Initiative**, ensuring that surplus edible food from the **campus cafeteria** is collected and **redistributed** to **cafeteria staff** instead of being **discarded**. By reducing food waste while supporting individuals in need, the initiative strengthens food security, encourages sustainable resource use, and reflects the University's commitment to **SDG 2: Zero Hunger and responsible community engagement.**

Promoting Community Health Through Nutrition Awareness 02

A Free **Community Nutrition Camp** was organized on **13 May 2026** by the **Medical Center/Nutrition Clinic**, led by **Biology Department** with the active participation of **6th Semester Nutrition students**. The camp raised awareness about **healthy eating, balanced nutrition, and overall well-being** among **faculty, staff, students, and community members**. Through nutrition **education** and **guidance** on healthy food choices, the initiative promoted healthier lifestyles, helped prevent malnutrition, and contributed to **SDG 2: Zero Hunger** by encouraging improved nutrition and food awareness within the community.

SDG 3

LGU VISION ON SDG 3

Lahore Garrison University (LGU) envisions a healthy and resilient community where **physical, mental, and emotional well-being** are prioritized. In alignment with **Sustainable Development Goal 3 – Good Health and Well-Being**, the university actively promotes health awareness, disease prevention, and access to essential healthcare services. Through its continuous efforts, **LGU** encourages **healthy lifestyles, regular medical screenings, and the importance of fitness** and recreation in daily life.

Reflecting its vision of being an inclusive university nurturing skilled professionals and responsible citizens, **LGU** integrates **health education, research, and community engagement** to **promote holistic well-being.** The university fosters a culture of care and wellness by organizing initiatives that address diverse aspects of **health, including mental well-being, nutrition, physical fitness, and preventive healthcare.** By empowering students, faculty, and the wider community with knowledge and practical resources, **LGU** cultivates responsible citizens who value well-being, support one another, and contribute to building a **healthier, happier, and more sustainable nation.**

“Together Against HIV/AIDS – Promoting Awareness, Prevention, and Compassion.”

HIV/AIDS Awareness Seminar

01

The Department of **Biology** at **Lahore Garrison University**, in **partnership** with the **Punjab AIDS Control Programme**, held an **AIDS Awareness Seminar** on **December 15, 2025**, at **Allama Iqbal Auditorium**. Key speakers included **Dr. Hasnain Javed** and **Mr. Muhammad Shoaib Akram**, who discussed **HIV and AIDS** awareness, prevention, and early testing. The **Vice Chancellor** attended, along with **faculty and students**, fostering engagement and discussion. The seminar effectively **promoted awareness** and informed attitudes about **HIV and AIDS** within the **university community.**

“Together Against Thalassemia – Promoting Awareness, Early Screening, and Prevention.”

Thalassemia Screening Camp 02

Aligned with the **university’s vision** of **developing responsible, healthy, and socially aware graduates**, the Directorate of **Student Affairs** and **Counselling** organizes the **annual Thalassemia Screening Camp** for **8th-semester students** in **collaboration** with the **Kashif Iqbal Thalassemia Care Center.** The activity is mandatory for **graduating students** and reflects **LGU’s commitment** to **preventive healthcare and community welfare.** The camp includes **screening, expert counseling, and awareness sessions** on the **causes, risks, inheritance patterns, and prevention of Thalassemia.** By promoting informed decision-making regarding marital and genetic health considerations, the initiative supports **LGU’s mission** of **nurturing responsible, healthy, and well-informed citizens. LGU arranges 3 Thalassemia Screening camps in one year.**

The **Directorate** of **Student Affairs** and **Counselling** organizes a **mandatory Thalassemia Screening Camp** every semester for **8th-semester students** in **partnership** with **Fatima Jinnah Medical University, Lahore.** Held on **June 11, 2026,** the camp reflects **LGU’s commitment** to preventive healthcare and community welfare, offering screening, expert counselling, and awareness sessions on **Thalassemia.** This initiative promotes informed decision-making regarding **genetic health, supporting LGU’s mission to develop responsible and socially aware graduates.**

“Promoting Public Safety and Preventing Kite-Related Injuries”

Basant Safety Measures (Safety Rod Installation)

03

On **28 January, Lahore Garrison University (LGU)** installed **safety rods** across **designated areas** of the **campus** as a **preventive measure against potential Basantrelated accidents.** The initiative reflects **LGU’s commitment** to **ensuring a safe campus environment for students, faculty, and staff** by proactively addressing seasonal safety risks.

“Promoting Mental Health, Emotional Well-being, and Psychological Resilience”

High-Intensity CBT Workshop 04

The **LGU Department of Psychology** and the **Pakistan Institute of Living and Learning** hosted a workshop on **February 16-17, 2026,** focused on **“Capacity Building in High-Intensity Cognitive Behaviour Therapy (CBT) for Breast Cancer Patients.”** Aimed at **MS Clinical Psychology students,** the workshop enhanced skills in delivering structured **CBT** to **breast cancer patients** with comorbid depression in low-resource settings. Led by **Ms. Rabia Fahad** and **Ms. Hamna Muqeet,** sessions covered clinical assessment, case formulation, and integrated psychosocial care, highlighting **LGU’s commitment to mental health training and collaboration.**

“Promoting Recreation, Social Well-being, and Community Engagement”

Pakistan vs India Cricket Night

05

Lahore Garrison University's Karwan Garrison Club (KGC) hosted an exciting **Pakistan vs India cricket night** on **15 February 2026** at the **Fountain Ground.** The event featured **live streaming** of the **match, food stalls, and musical performances,** creating a **lively and festive atmosphere. Tickets** were sold at **Rs. 200** for **LGU students, alumni, faculty, and their families.** The evening was a **thrilling celebration** of **cricket and campus spirit.**

“Well-being Through Recreation, Unity Through Fun.”

Fun Day at Computer Science Department

06

The **Department of Computer Science** organized a **Fun Day on September 1, 2025,** to offer a break from **academic routines.** This event aimed to foster **camaraderie and relaxation** among faculty through a **mix of entertainment and competition.** Activities included a **comedy movie screening and interactive games** that **promoted teamwork and creativity.** Faculty members eagerly participated, showcasing their playful sides. The day concluded with a **prize distribution ceremony,** celebrating the **winners amidst applause.**

“Supporting Women's Health Through Awareness and Early Detection.”

Breast Cancer Awareness Campaign

07

Lahore Garrison University (LGU) launched a **Breast Cancer Awareness Campaign** in **collaboration** with **Fatima Memorial Hospita**l and **Pink Ribbon Hospital,** featuring fundraising, education, and community support. An interactive seminar highlighted the importance of early screening, **featuring speakers** like **Mr. Omer Aftab (CEO of Pink Ribbon)** who offered **free clinical exam coupons** and **discounts on mammograms.** Medical experts gave advice about **reducing breast cancer risks** and **maintaining health. Survivor's Story: Ms. Mahum Shahid,** a **breast cancer survivor,** shared her inspiring journey, emphasizing resilience.

“Well-being Begins with a Healthy Mind.”

Mental Health Day Celebration

08

The **Department of Psychology** at **Lahore Garrison University** hosted a **Mental Health Day celebration** to enhance the **well-being** of **students and staff.** The event featured engaging **activities,** including **stress-reducing exercises and informative sessions,** promoting **mental wellness** and **important discussions.** This initiative underscores **LGU's commitment** to **fostering emotional health** alongside academic excellence, creating a supportive campus environment.

“Promoting Healthy Choices, Preventing Drug Abuse, and Protecting Well-being.”

Drug Abuse Awareness Campaign

09

Lahore Garrison University's Directorate of Student Affairs & Counselling partnered with the **Punjab Counter Narcotics Force** to host an **Awareness Campaign** Against **Drug Abuse on October 31, 2025.** The event aimed to educate the university community about the dangers of substance abuse, featuring insights from experts like **Deputy Director Muhammad Nazir.** This initiative reflects **LGU's commitment to student welfare and gratitude** towards the **Counter Narcotics Force** for their **partnership and support** in this important cause.

“Exploring Nature, Enhancing Well-being.”

Kashmir Recreational & Adventure Tour 10

The **Adventure Club** of **Lahore Garrison University,** under the **supervision** of the **Directorate of Student Affairs,** organized **a three-day, two-night Kashmir Recreational & Adventure Tour** from **20–22 January 2026.** The tour covered **Dhanni Waterfall, Keran, and Sharda,** and **aimed** to **promote experiential learning, teamwork, leadership skills, and students’ mental wellbeing,** while encouraging appreciation of **Kashmir’s natural beauty and cultural heritage.**

“Empowering Students Through Self-Discovery and Mental Well-being”

Discover Yourself: Personality & Potentials Talk

11

The Faculty of **Computer Sciences** at **Lahore Garrison University (LGU)** organized a thought-provoking talk on **"Discover Yourself: Understanding Personality and Potentials"** on **27th February 2026.** The event was held at **Usman Shaukat Hall.** The talk by **Prof. Dr. Mohsina**, from the **Psychology department**, aimed to help students gain insights into their personalities and potentials and was valuable opportunity for them to reflect on their strengths and weaknesses. The event was a success, with students actively participating and engaging with the speakers.

“Healthy Liver, Healthier Life.”

Liver Health Awareness Session 12

The **Department of Biology** at **Lahore Garrison University** held a **Liver Day awareness** event to educate students and faculty about **liver health, nutrition, and disease prevention.** Healthcare professionals and experts discussed **liver diseases** and the importance of a balanced diet. Students from various disciplines participated, emphasizing the connection between **biological sciences** and **public health**. Key university officials attended and praised the organizers. The event encouraged **healthy lifestyles** and **community awareness** regarding **liver health.**

“A Healthy Workplace Begins with Mental Well-being.”

Workplace Burnout & Mental Well-being

13

The **Department of Management Sciences** conducted a training session on **“The Workplace Burnout and Mental Well-Being Crisis”** on **May 7, 2026.** Led by **BBA students** and **supervised** by **Dr. Aiza Hussain Rana,** the session focused on **burnout factors** such as **chronic stress** and **poor communication.** Interactive activities. Energy Thermometer Check-Ins and role-play, helped participants identify stress triggers and enhance communication, raising **awareness** about **mental well-being and burnout.**

“Good Nutrition, Better Health, Brighter Lives.”

Free Community Nutrition Assessment Camp

14

The **Department of Biology** hosted a **Free Community Nutrition Assessment Camp** on **May 14, 2026,** at the **LGU Medical Centre.** Organized by **BS Human Nutrition and Dietetics students** in collaboration with the **Society of Health and Nutrition,** the camp provided anthropometric assessments, dietary evaluations, health screenings, and personalized consultations. Under the theme **“Your Health Starts with Better Nutrition.”** it aimed to promote healthier lifestyles through informed nutritional choices and preventive healthcare awareness.

“Adventure in Nature, Wellness for Life.”

Naran × Shogran Adventure Tour 2026

15

Lahore Garrison University (LGU) organized the **Naran x Shogran Adventure Tour 2026,** enabling students to explore **Northern Pakistan's beauty and culture.** Key destinations included **Balakot, Kiwai, Shogran, Siri Paye, Naran, and Lake Saif ul Malook.** The tour focused on stunning landscapes, outdoor activities, and peer interactions, promoting cultural awareness, teamwork, and personal growth, while fostering lasting memories and demonstrating **LGU' s dedication to holistic student development.**

“Journey into Nature, Journey to Wellness.”

Students Tour to Fairy Meadows

16

The **LGU Adventure Club** organized a **five-day Fairy Meadows Adventure Tour** from **June 16 to 20, 2026,** allowing students to explore **Northern Pakistan's** stunning **Valleys and Mountains.** Key locations included **Naran-Kaghan, Chilas, Fairy Meadows, and Lulusar Lake.** The tour emphasized scenic exploration, outdoor activities, and cultural awareness, fostering teamwork, confidence, and personal growth, reflecting **LGU’s dedication to holistic student development.**

SDG 4

LGU VISION ON SDG 4

Lahore Garrison University (LGU) envisions an **inclusive, progressive,** and **technology-driven** learning environment that ensures access to quality education for all. In alignment with **Sustainable Development Goal 4 – Quality Education**, the university is committed to **nurturing intellectual growth through innovation**, **research**, and **skill development**. **LGU** emphasizes outcome-based education, AI integration in academics, and the upgradation of computing facilities to prepare students for the demands of the modern digital era.

Reflecting its vision of being an inclusive university nurturing skilled professionals and responsible citizens, **LGU fosters academic excellence** and **ethical responsibility** through quality education and lifelong learning. By continuously improving teaching standards, enhancing **faculty capabilities**, and **ensuring accreditation** by **quality assurance bodies**, the **university** maintains **high educational standards**. Through **scholarships**, **inclusive learning** opportunities for **differently-abled students**, and **technology-driven initiatives**, **LGU** empowers learners with the knowledge, creativity, and competence to become **skilled professionals** and **responsible global citizens** who contribute meaningfully to a **sustainable** and **equitable future**.

National Business Education Accreditation Council

01

Business Schools and NBEAC Accreditation in Pakistan

Pakistan has an estimated **207 business schools**, offering **undergraduate** and **postgraduate programs** across different **universities** and **campuses**. Out of these, only around **44–47 business schools** currently hold **NBEAC** accreditation. **Accreditation** is awarded in categories **(such as W and X**) based on the level of compliance with **NBEAC standards**, with the **W category** representing the **highest quality assurance level**. This relatively small proportion of accredited schools highlights the select group of institutions that have achieved recognition through **NBEAC's** rigorous process. And now **DMS-LGU** is also **NBEAC Accredited** with **category X**.

How NBEAC Accreditation Supports Improvement

NBEAC accreditation plays a transformative role in the **higher education landscape** by ensuring **quality assurance** and **benchmarking** against **national** and **international standards**. It compels business schools to strengthen their strategic planning, curriculum design, **faculty development, student services**, and **external linkages** with industry. **Accreditation** also brings credibility and recognition, helping institutions gain trust from **employers**, **students**, and **society** at large. Moreover, the accreditation cycle fosters a culture of continuous improvement, requiring regular **self-assessment**, **external evaluation**, and **corrective action**. This creates a competitive advantage for accredited institutions by improving placement **prospects**, **industry collaborations**, **research productivity**, and **academic reputation**.

Impact on LGU and Benefits for Department of Management Sciences

For **Lahore Garrison University**, earning **NBEAC accreditation** has been a milestone for its **Department of Management Sciences.** The process helped **LGU** align its vision and mission with **national standards** and adopt more structured **quality enhancement** practices. **Faculty members** benefited from increased focus on **workload balance**, **professional development**, and **research engagement**, while students gained from improved **academic policies**, **counseling services**, **scholarship opportunities**, and **industry exposure**. **Accreditation** also prompted **LGU** to expand its **resources** and **infrastructure**, **strengthen** its **alumni** and **corporate linkages**, and introduce **mechanisms** to measure the impact of its **social responsibility initiatives**. As a result, the department is now positioned with **greater credibility**, improved **governance**, and enhanced capacity to prepare graduates who are competitive in the **job market** and **responsive** to **industry needs**.

NATIONAL COMPUTING EDUCATION ACCREDITATION COUNCIL

02

Lahore Garrison University (LGU) has made **remarkable progress** in **strengthening** its **computing programs** through the **National Computing Education Accreditation Council (NCEAC)**. Across the **Department of Software Engineering**, **Department of Information Technology**, and **Department of Computer Science,** several batches have successfully achieved **accreditation**, reflecting **LGU's commitment** to **quality assurance** and **continuous improvement** in **higher education.**

The **BS Software Engineering program** earned **accreditation** for **multiple cohorts**, including **Spring 2016**, **Fall 2016**, **Fall 2017**, **Spring 2018, Fall 2018**, and **Spring 2019**, with **approvals** granted on **significant dates** such as **11 May 2022**, **19 September 2023**, and **22 February 2024**. Similarly, the **BS Information Technology program** was accredited for its earlier cohorts, including **Spring 2016, Fall 2016, Fall 2017, Spring 2018, Fall 2018, Fall 2019, Spring 2020,** and **Fall 2020,** with recognition awarded on **19 September 2023** and **2 July 2024**.

The **BS Computer Science (BSCS) program**, one of the oldest at **LGU**, also achieved multiple accreditations. Notable batches such as **Fall 2013, Fall 2015, Spring 2016, Fall 2016, Fall 2017, Spring 2018, Fall 2018, Spring 2019, Spring 2020, Fall 2020,** and **Spring 2021** were accredited, with approvals on key dates including **19 October 2017, 19 July 2019, 11 May 2022, 19 September 2023, 22 February 2024,** and **2 July 2024.** These accreditations further cement the **program's credibility** and **contribution** to the computing field.
In addition to **strengthening** its **existing programs**, **LGU** has expanded its **computing portfolio** with new offerings. The **BS Data Science**, **BS Artificial Intelligence**, and **BS Cyber Security programs** successfully completed their Zero Visits on **24 July 2024,** and each program was permitted an intake of **50 students** for the **Fall 2025 session**. This marks a significant milestone in broadening the scope of computing education at the university.

Through these **accreditations**, **LGU** has demonstrated its strong alignment with **NCEAC's standards** in **curriculum, faculty, research, and student development**. This recognition not only enhances the **university's academic reputation** but also ensures that its **graduates** are **well-prepared** to meet the demands of the **computing industry in Pakistan** and **beyond.**

“AI-Powered Learning for Quality Education”

LinguaMath Lab Inauguration

03

Lahore Garrison University inaugurated the **LinguaMath Lab** on **September 19, 2025**, integrating **Artificial Intelligence** into **English** and **Mathematics** education. The initiative promotes **SDG 4: Quality Education** by providing **students** with innovative, **technology-enabled** learning opportunities. The lab brings together **language**, **mathematics**, creativity, and analytical thinking, supporting **LGU’s** vision of inclusive, innovative, and future-ready education.

“Innovating Classrooms, Empowering Learners”

Reimagining Gen Z Classrooms (Faculty Development Program)

04

The **Department of Management Sciences** organized a **Faculty Development Program** on **September 2, 2025**, led by **Prof. Dr. Rizwana Bashir.** The session focused on innovative, **technology-enabled** teaching methods to engage **Gen Z learners** and create collaborative classrooms. With over **100 faculty members** participating, the initiative supports **SDG 4: Quality Education** by promoting effective and future-ready teaching practices.

“Expanding Academic Horizons for Quality Education”

Launch of BS Criminology Department

05

Lahore Garrison University celebrated the **launch** of its **BS Criminology Department**, marking a proud step in **academic growth**. The ceremony was attended by **Vice Chancellor Maj Gen (R) Muhammad Khalil Dar**, **Registrar Brig (R) Adnan Ahmed Khan**, **Dean Dr. Rizwana Bashir**, **Associate Dean Mr. Kaukab Jamal Zuberi**, **Chairperson Dr. Kausar Parveen**, and **faculty members**.

“Building Digital Skills for a Future-Ready Generation”

Professional Certifications in Digital Forensics

06

The **Digital Forensics Research & Service Center (DFRSC)** launched **Two certification programs** in **Cybersecurity** and **Digital Forensics**. The courses covered **Ethical Hacking**, **Network Defense**, **Digital Evidence**, and **Cybercrime Investigation**. Participants gained practical, hands-on experience alongside **Theoretical Learning**.

The programs strengthened student’s **Technical** and **Analytical Skills**. They prepared learners for emerging challenges in the digital world. The initiative promotes **innovation** and **skill-based learning**. It directly supports **SDG 4: Quality Education**.

“Driving Educational Excellence and Quality Leading”

LGU QEC Shines in HEC-QAA

07

Lahore Garrison University (LGU) achieved **81.62%** in the **HEC-QAA** evaluation for **FY 2023–2024**, reflecting its commitment to **quality assurance** and **educational excellence**. This achievement highlights the collective efforts of **faculty, staff**, and **QEC leadership** in **strengthening academic standards**. It supports **SDG 4: Quality Education** by promoting continuous **improvement**, **effective quality assurance**, and **high-quality learning** outcomes.

“Strengthening Academic Standards through Continuous Learning.”

DASR Policy & Process Workshop

08

The **Directorate of Advanced Studies and Research** organized a **two-day workshop** on **Graduate Degree Processes** and **Academic Policies**. The session enhanced knowledge of **HEC Guidelines** and **Academic Standards**, supporting **SDG 4: Quality Education** through improved **Academic Practices** and **Capacity Building**.

"Advancing quality research and strengthening the culture of academic excellence."

HEC Approves LGU Journal of Life Sciences in Y-Category

09

Lahore Garrison University announced that its **LGU Journal of Life Sciences** received **Y-Category** approval from the **Higher Education Commission Pakistan** for the **2026–27 academic year**. The recognition highlights the **University's commitment** to promoting **quality research** in **life sciences** and **strengthening** its **academic** and **research environment**. This achievement supports the advancement of knowledge, research quality and higher education in alignment with **SDG 4: Quality Education.**

“Collaborating for Quality Education.”

VC Connects with CS, SE & IT Faculty

10

On O**ctober 9th, 2025**, the **Vice Chancellor** of **Lahore Garrison University** met with **Faculty** from the **Computer Science**, **Software Engineering**, and **IT departments** to enhance **Academic Collaboration**. The session at **Iqbal Auditorium** facilitated open **Discussion**, **Highlighting** the **University's commitment** to fostering a collaborative environment for advancing excellence and innovation in computing.

“Recognizing Student Leadership, Inspiring Quality Education”

VC Honors Psychology Students

11

In **October 2025**, **Vice Chancellor Maj. Gen. Muhammad Khalil Dar** recognized dedicated **Psychology students** with **Appreciation Certificates** for their **Volunteer** work during the **Fall 2025 Admission Campaign** and **Contributions** to departmental renovations. This initiative highlights **LGU's** commitment to a **Student-Centered** environment fostering **Inclusivity**, **Creativity**, and **Teamwork**, and the university community celebrates these students for enhancing **LGU's Spirit** and **Excellence**.

“Empowering Ethical Minds through Quality Education”

PEMRA & Media Ethics Seminar

12

The **Department of Media and Communication** Studies at **Lahore Garrison University** held a seminar on **“Understanding Media Regulation: The Role of PEMRA in Shaping Ethical Journalism”** on **October 23, 2025**. Keynote speaker **M. Ikram Barkat**, **PEMRA's Director General**, discussed media ethics, legal frameworks, and journalists' responsibilities in **Pakistan**, highlighting the balance between **Freedom of Expression and Accountability**. The event included **Discussions** and a **Q&A Session**, providing students with essential insights into ethical standards in **Electronic Media**. The **Seminar** enhanced students’ knowledge of **Media Ethics**, **Regulation**, **Legal Frameworks**, and **Professional Responsibilities**, **Supporting Quality**, **Practical**, and **Industry-Relevant Education**.

“Bridging Knowledge with Technology for Future-Ready Education ”

Digital Forensics Lab Inauguration

13

The **Department of Criminology** inaugurated a **State-of-the-Art Digital Forensics Lab**, marking a significant step toward **Innovative** and **Technology-Driven Education** at **Lahore Garrison University**. The **Lab** provides students with **Hands-on Learning Opportunities** in **Digital Forensics**, **Cybercrime Investigation**, and **Digital Security**. By connecting **Theoretical Knowledge** with **Practical Training**, the **Initiative Enhances Student’s Technical**, **Analytical**, and **Investigative Skills**. It also supports **Research** and prepares **Graduates** to meet emerging challenges in the digital world. This initiative reflects LGU’s commitment to quality, industry-relevant, and future-ready education, directly contributing to **SDG 4: Quality Education**.

“Connecting Academic Knowledge with Professional Practice.”

Police Interrogation Seminar 14

The **Department of Criminology** organized a seminar on **“Interrogation by Police: Its Techniques and Implications,”** providing students with practical insights into **Police Interrogation** methods and their **Legal Implications**. The session connected **Academic Knowledge** with **Professional Expertise**, enhancing **Student’s Critical Thinking** and **Understanding** of **Real-World Criminology Practices**. This **Industry-Oriented** learning opportunity supports **SDG 4: Quality Education** by **Promoting Practical**, **Relevant**, and **Future-Ready Education**.

“Empowering Minds, Inspiring Leaders, Advancing Quality Education.”

LGU Intra-MUN 2025

15

Lahore Garrison University hosted its first **LGU Intra-Model United Nations** on **December 12– 13, 2025**, organized by the **Directorate of Academics** and the **LGU MUN Society**. Approximately **150 Students** participated in **Debates** and **Policy Development** in a simulated **UN Environment**. The event enhanced student’s leadership, communication, and problem-solving skills, showcasing the university’s dedication to **Co-Curricular Learning**. The **LGU MUN Society** thanked all participants and supporters for their contributions to the event' s success. The **LGU Intra-Model United Nations (MUN)** primarily aligns with **SDG 4 (Quality Education)** by **Promoting Experiential** and **Co-Curricular** learning while developing students’ leadership, communication, critical thinking, negotiation, and problem-solving skills.

“Empowering Students with Cyber Knowledge for a Smarter Future.”

IEEE Technical Lecture on Cyber Forensics

16

The **IEEE Young Professionals Lahore Section** and **IEEE LGU Student Branch** hosted a **Technical Lecture** on **Cyber Forensics** on **December 18, 2025**, at **Lahore Garrison University**. **Major General (Retd.) Muhammad Khalid Dar** and university dignitaries attended. Keynote speaker **Mr. Kaukab Zuberi** emphasized the importance of **Cyber Forensics**, sparking engaging discussions. **Mr. Mamoon Rizwan** introduced **IEEE** and its membership benefits. The event was well-received, with plans for future collaborations to support student’s academic and professional development. The **Technical Lecture** on **Cyber Forensics** primarily aligns with **SDG 4 (Quality Education)** by providing students with specialized knowledge, industry exposure, professional insights, and opportunities for academic and career development.

"From Classroom to Laboratory: Empowering Students Through Experiential Learning."

Biology Students Visit Veterinary Research Institute

17

BS Microbiology students visited the **Veterinary Research Institute** to learn about animal vaccine production. Organized by the **Biology Department** and led by **Dr. Hafiz Zeshan Wadood**, the trip included a lab safety orientation and a tour. Students observed media preparation, vaccine production, freeze-drying, and quality control processes. Faculty also discussed internship opportunities, linking classroom learning to real-world **Microbiology** and **Enhancing** understanding of infectious disease prevention in animals. The **Veterinary Research Institute** visit primarily aligns with **SDG 4 (Quality Education)** by providing students with hands-on laboratory exposure, practical learning, industry/research experience, and internship opportunities, connecting classroom knowledge with **Real-World Microbiology** applications.

“Promoting Academic Excellence through Effective Research Governance.”

27th BASR Meeting

18

Lahore Garrison University conducted its **27th Board of Advanced Studies and Research** meeting on **December 12, 2025**, led by the **Vice Chancellor**. The **Board** approved **Supervisors** and **Research Titles** for graduate students, addressed Supervision changes, semester extensions, and dropout cases. The **Vice Chancellor** highlighted the need for timely academic decisions to uphold research quality and student progress, reaffirming **LGU's** dedication to high academic standards and effective research governance.

“From Learning to Leadership: Shaping Changemakers for Tomorrow.”

Aspire Leaders Program Achievement 19

Lahore Garrison University honors **Muhammad Umer** for completing the **Aspire Leaders Program**, **Cohort 5 (2025)**, an internationally recognized initiative by the **Aspire Institute**, founded by **Harvard professors**. The program emphasizes leadership, entrepreneurial thinking, and social impact. **Umer's** achievement highlights his **Commitment** and **Leadership** potential, demonstrating **LGU's** focus on developing innovative, globally aware students.

“Where Technology Meets Education: Building Skills for Tomorrow.”

NetSol CEO Inaugurates CS Laboratory at LGU

20

Lahore Garrison University (LGU) inaugurated its **Computer Science Laboratory** with **Mr. Salim Ghauri**, **CEO** of **NetSol Technologies**, as the **Chief Guest**. He was briefed on **LGU's** academic initiatives and toured the facilities. **Mr. Ghauri**, a prominent **Entrepreneur** with a **Computer Science Degree** from the **University of Brighton**, founded **NetSol Technologies** in **1996**, which has become a **Global Software Leader**. The inauguration highlights the partnership between **LGU** and **NetSol**, solidified by an **MOU** signed on **November 19, 2025**, focusing on **Collaboration** in **IT Education and Innovation**. The **Computer Science Laboratory** inauguration primarily aligns with **SDG 4 (Quality Education)** by strengthening IT education, practical learning, technological skills, innovation, and industry-academia collaboration.

“Strengthening Faculty Capacity for Quality Undergraduate Education.”

Faculty Development Programme on Undergraduate Education Policy

21

LGU QEC hosted a **Faculty Development Programme** on **January 22, 2026**, led by **Mr. Muhammad Ali Baig** from the **Higher Education Commission**. The session focused on aligning undergraduate education with **HEC’s UGE Framework**, covering degree duration, credit requirements, internships, and entry routes for **14-year Qualification Holders**. Attended by **Deans**, **Directors**, and **Faculty**, it included interactive discussions on improving curriculum design and implementation.

"Creating Inclusive Learning Pathways for Students with Special Needs."

LGU Delegation Visits Institute for Special Education

22

A delegation from **Lahore Garrison University**, led by the **Vice Chancellor**, visited the **Lahore Garrison Institute for Special Education** to discuss potential academic collaboration. They were welcomed by the **Chairman** and **Principal** of **LGISE**. After a briefing, the **Vice Chancellor** praised the **faculty's** efforts, and the visit ended with a commitment to pursue structured collaborations for academic and professional development. Since the collaboration specifically focuses on **Special Students / Students with Disabilities**, the event can be mapped more strongly to **SDG 4 – Quality Education**, with emphasis on inclusive and equitable education.

"Strengthening Educational Leadership for a Better Learning Future."

Director Education HQ 4 Corps Visits LGU

23

Brigadier Arfan, **Director Education HQ 4 Corps**, visited **Lahore Garrison University (LGU)** on **14th January 2026**. **The Registrar's Office** warmly welcomed him and provided an introductory briefing on the **University**. During the visit, **Brig Arfan** toured **LGU's Campus**, experiencing firsthand the **University's vibrant academic environment and facilities**. **LGU** appreciates **Brig Arfan's** interest in the University and looks forward to future collaboration.

"Connecting Academia with Practice to Shape Skilled Professionals."

Podcast Highlighting Practical Criminology Skills for Graduates

24

Mr. Kaukab Jamal Zuberi, **Associate Dean Social Sciences**, **Director DFRSC**, **Lahore Garrison University**, and **Court-Appointed Forensic Auditor (Supreme & High Courts)**, recently recorded a podcast with **SSP Aftab Ahmed**, **Regional Officer**, **Crime Control Department (CCD)**, discussing the practical realities of **Criminology** and **Essential Skills** for **Graduates**. They highlighted the gap between theory and practice, emphasizing applied, hands-on training, casebased learning, disciplined documentation, and an evidence-driven mindset. The conversation also stressed the growing need for specialised, job-ready pathways—such as **Cyber Crime Investigation**, **Financial Crime Investigation**, and **Crime Scene Investigation**—supported by structured labs, real scenarios, and close engagement with practitioners. This podcast primarily aligns with **SDG 4 (Quality Education)** because it focuses on applied learning, practical training, case-based education, specialized professional skills, and bridging the gap between **Academic Theory** and **Real-World Criminology Practice**.

“Quality Decisions Today, Excellence in Education Tomorrow.”

34th Academic Council Meeting

25

Lahore Garrison University held its **34th Academic Council Meeting** on **January 29, 2026**, at **Iqbal Auditorium**, featuring notable guests like **Prof. Dr. Shahab Alam Malik**, **Prof. Dr. Savera Shami**, and **Ms. Zahida Azhar (attending online)**. The meeting addressed key **Academic** and **Administrative** topics, focusing on standards, policies, and future planning. The University thanked the participants for their valuable contributions that enhanced the meeting's success. The **34th Academic Council Meeting** primarily aligns with **SDG 4 (Quality Education)** through its focus on academic standards, educational policies, quality enhancement, institutional governance, and future academic planning.

“Investing in Educators to Build a Future of Quality Learning.”

Faculty Development Programme 26

Lahore Garrison University (LGU) successfully conducted **Faculty Development Programme (Fall 2025)**, **Phase I**, from **26 to 30 January 2026** at the **Jinnah Auditorium**, **LGU**. The programme was held **Daily from 10:00 am to 12:00 noon** and was attended by **Faculty Members** from across the **University**. The **Programme** covered **Key Academic** and **Professional Development Themes**, including **Entrepreneurship**, **Integration of Artificial Intelligence with Curriculum**, Personal and Professional **Well-Being**, **Managing Student’s Emotional Challenges**, and **Functional English**. An **Academic Council Meeting** was also held as part of the schedule. Sessions were facilitated by distinguished resource persons, including **Prof. Dr. Rizwana Bashir**, **Prof. Dr. Arif Javaid**, **Dr. Mohsina Mirza**, and **Dr. Shamshad Bashi**, who shared valuable insights to strengthen teaching effectiveness and faculty capacity. The **Faculty Development Programme** reflects **LGU’s** continued commitment to enhancing teaching quality, academic innovation, and professional growth of its faculty.

"Building Confident, Critical and Globally Aware Leaders."

LGU Student Receives Best Delegate Award

27

Lahore Garrison University (LGU) honors **Mr. Ibrahim Siddique** from the **Department of Management Sciences** for winning the **Best Delegate Award** at the **Bahria University Model United Nations**, marking him as the first **LGU Student** to achieve this. He also **Demonstrated Leadership** as a Chair at the conference. The **Vice Chancellor** congratulated him, noting that this highlights **LGU** student's talent and encourages participation in forums that promote critical thinking and global awareness. The achievement primarily aligns with **SDG 4 (Quality Education)** by Promoting Critical Thinking, leadership, communication, diplomacy, global awareness, and experiential learning through Model United Nations participation.

"Student Leadership Today, Academic Excellence Tomorrow."

Muhammad Zubair Riaz Appointed CCRIPT Campus Lead

28

Lahore Garrison University congratulates **Mr. Muhammad Zubair Riaz** on his appointment as **CCRIPT Campus Lead**. His **Leadership** as Chair of the **LGU ACM Chapter** reflects a strong commitment to **Student Development** and **Academic Excellence**.

“From Problems to Possibilities: Inspiring Entrepreneurial Research at LGU.”

Talk on Entrepreneurial Thesis Selection

29

The Department of Psychology at **Lahore Garrison University** hosted a talk on **“How to Select a Thesis Title with an Entrepreneurial Mindset”** on **February 10, 2026**, by **Prof. Dr. Rizwana Bashir**. The session guided students in selecting impactful research topics. **Vice Chancellor Major General (Retd.) Muhammad Khalil Dar** emphasized **Key Entrepreneurial Principles**, such as **Problem-First Thinking** and **Resourcefulness**. The event was attended by **Final-Year BS** and **MS Students** and **Faculty**, showcasing **LGU’s** commitment to **Innovation** and an **Entrepreneurial Culture**.

“From Learning to Innovation: Preparing Students for an AI-Driven Future.”

Skill2Success CEO Session on Agentic AI

30

The **LGU ACM Student Chapter**, in collaboration with **Skill2Success**, hosted a session on **Agentic AI** on **February 13, 2026**, at **Lahore Garrison University**. Led by **Syed Ali Nauman Gilani** and **Talha Javed**, the session aimed to educate students on the differences between **Agentic** and **Traditional AI**. Topics included autonomous system design, goal-driven agents, and real-world applications like **Smart Assistants** and **Workflow Automation**. Interactive demonstrations showcased **AI agents** in action, while discussions covered ethical considerations and necessary skills for the field. The event concluded with a **Q&A**, prompting students to explore **Career Paths** and **Future Trends** in **AI**.

"Learning Without Borders: Empowering Students Through Global Exposure and Cultural Exchange."

Semester Exchange Program – Kyungdong University

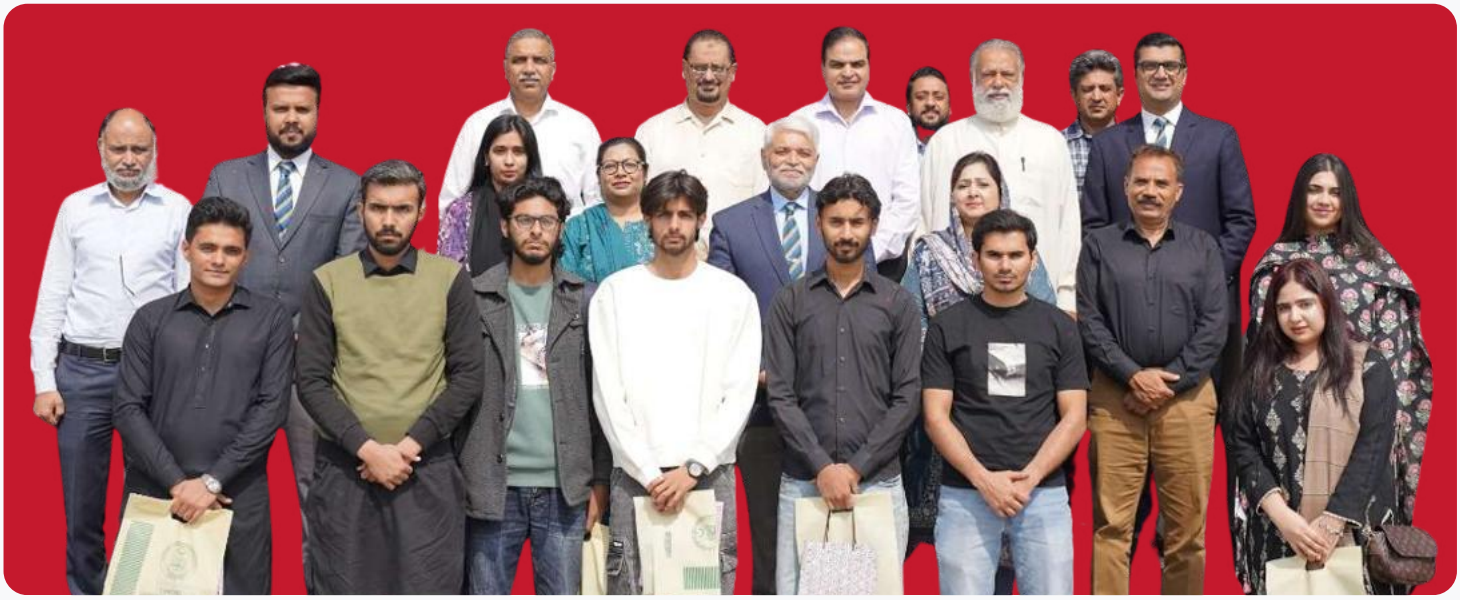

31

Lahore Garrison University bid **Farewell** to **8 Undergraduate students** selected to participate in a **Semester Exchange Program** at **Kyungdong University, South Korea**. The initiative provides students with valuable opportunities for **International Academic Exposure**, **Cultural Exchange**, **Personal Growth**, and **Diverse Learning Experiences**.

The **Exchange Program** enables **LGU** students to broaden their academic perspectives, experience a new educational environment, develop cross-cultural understanding, and build international networks. It reflects **LGU's** commitment to providing students with global learning opportunities and preparing them to become confident, adaptable, and globally aware graduates.

Students Selected for the Exchange Program:

- **Muhammad Arzish Rauf – BS Software Engineering**
- **Muhammad Noraiz Ali – BS Computer Science**
- **Muhammad Sohaib Sajid – BS Information Technology**
- **Muhammad Abdul Ur Rehman – BS Software Engineering**
- **Muhammad Zain – BS Software Engineering**
- **Muhammad Usama – BS Software Engineering**
- **Maha Shahzad – BS Accounting & Finance**
- **Ibrahim Asif – BS Software Engineering**

“A Culture of Reading, A Journey to Excellence.”

Best Reader’s Competition

32

Lahore Garrison University promotes a culture of reading by organizing its **Best Readers Competition** every year, encouraging students to **develop knowledge**, **critical thinking**, and **lifelong learning habits**. The university recognized three outstanding student readers for their achievements:

- **Mobina (BS-CS) — Read 41 books** in one year and received an award from the **Vice Chancellor**.
- **Attaria Fatima (BS-CS, 2nd Semester) — Completed 38 books**, demonstrating exceptional commitment to reading, and was awarded by the **Vice Chancellor**.
- **Iman Fatima (BS-CS, 3rd Semester) — Read 26 books**, reflecting her passion for learning, and received an award from the **Vice Chancellor**.

“Learning Beyond Classrooms, Leading on Global Platforms.”

LGUStudents Earn 7 Awards at 3-DayUET MUN IX Conference

33

The participation of **13 LGU** students in **UET MUN IX** reflects **SDG 4 (Quality Education)** by providing students with practical learning beyond the classroom. Through Model **United Nations**, students developed critical thinking, communication, research, negotiation, diplomacy, and leadership skills while engaging with global issues. **Winning 7 Honorable Mention** and **Special Mention** awards demonstrates the effectiveness of experiential learning in promoting quality, inclusive, and skills-based education.

“AI Is No Longer the Future. It Is Standing Right Behind Us.”

Artificial Intelligence in Education Lecture

34

The lecture on **Artificial Intelligence and Education** directly supports **SDG 4 (Quality Education)** by **promoting innovative**, **technology-enabled learning** while strengthening critical thinking, independent analysis, and responsible use of **AI** among **faculty** and **students**. The session encouraged learners to adapt to emerging technologies while retaining human judgment, creativity, and analytical skills—key competencies for **future-ready** and **lifelong learning**.

“Creating Skills, Inspiring Creativity — Advancing Quality Education Through Art”

Give Dimension to your Art Workshop

35

The **“Give Dimensions to Your Art”** workshop by the **Funoon Society** directly contributes to **SDG 4 – Quality Education** by providing students with **practical**, **skill-based**, and **creative learning opportunities**. Through hands-on training in **form-building**, **color theory**, **skin-tone mixing**, **proportion**, and **structure**, participants developed technical and artistic competencies that support creative thinking, lifelong learning, and personal development.

“Turning Dialogue into Action — Empowering Communities to Advance Literacy and Quality Education.”

Book Club Discourse Circle on Illiteracy

36

The **“Illiteracy as a Social Challenge”** Discourse Circle directly supports **SDG 4 – Quality Education** by raising awareness about illiteracy and encouraging **critical thinking**, **dialogue**, **community participation**, and **collaborative problem-solving**. The initiative extends learning beyond conventional classrooms and promotes collective efforts to improve access to **education** and **literacy**.

“Igniting AI Skills for Future-Ready Learners.”

AI Seekho '26 Workshop

37

The **Ramadan AI Seekho ’26 workshop** supports **SDG 4 – Quality Education** by equipping students with **digital**, **AI**, and **prompt-engineering** skills relevant to **modern academic** and **professional environments**. Through hands-on learning with **Google AI Studio** and **Gemini**, students gained practical technological competencies, encouraged innovation, and connected classroom learning with industry expertise and future career demands.

“From Classroom Concepts to Industry Practice.”

Student's Industrial Tour to Haier Pakistan

38

Students from **Lahore Garrison University's Faculty of Management Sciences** visited **Haier Pakistan** for **Industry exposure**, allowing **final-year BBA students** to gain insights into **production**, **assembly**, and **quality management**. They observed operations and interacted with **professionals**, **enhancing** their understanding of **quality control** and **supply chain practices**. This experience bridges **classroom learning** with real-world application, showcasing **LGU's commitment** to **experiential learning** and **career preparation**.

“Bringing Industry Expertise to the Classroom.”

Appointment of Salim Ghauri NET as Professor of Practice

39

The appointment of **Salim Ghauri** as **Professor of Practice–Leadership and Entrepreneurship** strongly relates to **SDG 4 – Quality Education** by bringing **industry expertise** into the **academic environment**. His **mentorship** and **guest lectures** provide students with practical knowledge in **entrepreneurship**, **leadership**, **innovation**, and **technology**, helping bridge the **gap** between **classroom learning** and **real-world professional requirements**.

“Inspiring Entrepreneurial Thinking Through Industry-Led Learning.”

Entrepreneurship in Pakistan Session (Jolta Group CEO)

40

Lahore Garrison University hosted an **"Entrepreneurship in Pakistan"** session with keynote speaker **Muhammad Azim**, **Chairman of Jolta Group**. He shared his **entrepreneurial journey**, **stressing the importance of mindset**, **persistence**, and **unconventional career paths**. **Azim** encouraged students to think creatively, identify market gaps, and develop sustainable business ideas while discussing challenges faced by **Entrepreneurs in Pakistan**. The event engaged students from various **departments** and **highlighted** the **university's** commitment to connecting **students** with **industry leaders** and **fostering an entrepreneurial mindset**.

"From Learning to Global Entrepreneurship — Equipping Students with Skills for the Digital Economy under SDG 4."

Building a Service-Based SME for the Global Market (Techanzy CEO)

41

Lahore Garrison University hosted a session on **"Building a Service-Based SME for the Global Market"** with **Muhammad Shahzeb**, **Co-Founder and CEO of Techanzy Limited**. He shared strategies for expanding service-based tech businesses globally, focusing on opportunity identification, client relationship building, and service quality maintenance. **Shahzeb** addressed **challenges** faced by **SMEs in global markets**, **emphasizing adaptability** and **continuous learning**. The discussion inspired students to see **entrepreneurship** as a means for global impact and encouraged innovation to compete in the **digital economy**.

“Understanding Yourself, Unlocking Your Potential — Promoting Holistic Quality Education.”

Discover Yourself: Personality & Potentials Talk

42

The **Faculty of Computer Sciences at Lahore Garrison University (LGU)** organized a thought-provoking talk on **"Discover Yourself: Understanding Personality and Potentials"** on **27th February 2026**. The event was held at **Usman Shaukat Hall**. The talk by **Prof. Dr. Mohsina**, from the **Psychology department**, aimed to help students gain insights into their **personalities** and **potentials** and was a valuable opportunity for them to reflect on their strengths and weaknesses. The event was a success, with students actively participating and engaging with the speakers. The Faculty of **Computer Sciences** looks forward to hosting more such events to support the personal and professional growth of its students.

"Strengthening Standards, Enhancing Skills, and Ensuring Quality Education in Nutrition and Dietetics."

AHPC Accreditation Visit for BS Human Nutrition & Dietetics

43

Lahore Garrison University (LGU) hosted an accreditation visit for its **BS Human Nutrition** and **Dietetics program** on **April 17, 2026**, by the **Allied Health Professionals Council (AHPC)**. The visit showcased strong institutional preparation, active student **engagement**, and **collaboration** among **faculty** and **lab staff**. Key focus areas included **laboratory standards** and **compliance** with accreditation requirements. A highlight was the presentation of the new **Meal Planning Lab**, which received praise from the visiting team head, **Dr. Sajjid**. The visit concluded positively, reflecting **LGU's** commitment to achieving accreditation and maintaining quality in nutrition education.

“Connecting Global Research with Academic Excellence — Advancing Knowledge, Innovation, and Quality Education through SDG 4.”

Dr. Shabana Presents Research at IRSPM 2026

44

Dr. Shabana Naveed from **Lahore Garrison University** represented her institution at the **IRSPM 2026 Conference** from **April 7-10, 2026**, at **Edith Cowan University**. The conference, themed **“Beyond Boundaries: Wellbeing, Innovation and the Future of Public Management,”** attracted over **300 global researchers**. **Dr. Naveed** presented her paper on institutional hybridity in **Pakistan's power sector**, with sessions led by **David Mills** and **Jarmo Vakkuri**. The event also featured publishing editor sessions and a pre-conference workshop on network governance, highlighting **LGU's** dedication to **international research** and **management scholarship**.

“Strong Minds, Bold Dreams, Limitless Possibilities — TEDxLGU 2026.”

TEDxLGU – The Power of Mindset

45

Lahore Garrison University hosted the second edition of **TEDxLGU** on **21 April 2026**, organized by the **LGU Media Club** under the theme **“The Power of Mindset.”** The event brought together inspiring speakers and meaningful stories, creating a platform for students to explore ideas, challenge perspectives, and develop a growth-oriented mindset. **Sassi Sher Malik (CSP Officer)** highlighted the importance of positive thinking, focus, and believing in one’s goals, while **Hareem Nadeem**, a **student entrepreneur**, shared her journey of building her own path through resilience, adaptability, and self-belief. **Rafia**, a **biker and travel enthusiast**, encouraged **young women** to overcome social limitations, pursue their passions, and build confidence through patience, logic, and consistency. With **Discover Pakistan** as the **official media partner**, **TEDxLGU** extended its message to a wider audience, reflecting **LGU’s commitment** to fostering critical thinking, personal development, confidence, and lifelong learning among students.

“Bridging Theory with Practice — Empowering Future Digital Forensics Professionals through Quality Education.”

DFRSC–Punjab Police Internship

46

The **DFRSC–Punjab Police Professional Internship Program** strongly supports **SDG 4 – Quality Education** by providing students with **hands-on**, **practical**, and **industry-linked learning** in **digital forensics**, **evidence analysis**, and **cybercrime investigation**. Field visits and practical training enabled participants to apply classroom knowledge to **real-world situations**, **strengthening their technical**, **analytical**, **problem-solving**, and **professional skills**.

“From Words to Confidence — Empowering Students Through Writing, Research, and Public Speaking.”

Pen to Podium (Writing & Speaking Competition)

47

Pen to Podium, held on **April 8, 2026**, at **Iqbal Auditorium**, **Lahore Garrison University**, featured a writing and speaking competition organized by the **English and Urdu Debating Societies**. Students chose topics, created original essays, and presented them, showcasing their creativity and confidence. The event included categories in **Urdu and English**, awarding **first** and **second** places in each. It offered students a platform to enhance writing, research, and public speaking skills, concluding with appreciation for all participants, organizers, and judges.

“Strengthening Curriculum, Enhancing Teaching — Building Future-Ready Education.”

Dean's Conference on CMAI Curriculum

48

The **Lahore Garrison University** hosted a **Dean’s Conference** on **April 14, 2026**, chaired by the **Vice Chancellor**. The focus was on **CMAI**, discussing the **Computational Mathematics** and **Artificial Intelligence** curriculum and teaching methodologies. **Committee members** reviewed teaching approaches, refined course content, and made key decisions to enhance coordination and consistency in delivery. The conference emphasized the **university's commitment** to strengthening curriculum design and fostering structured, collaborative teaching practices. **DEAN’S CONFERENCE**

“Strengthening Quality Assurance, Enhancing Academic Standards.”

GPR PREE Standards Workshop 49

The **Lahore Garrison University Quality Enhancement Cell (QEC)** held a workshop on **GPR PREE Standards** on April **20, 2026**, at **Jinnah Auditorium**, attended by **Deans**, **Chairpersons**, and **Program Team Members**. **Led** by **Muhammad Umair Saeed** from **Nur International University**, the session focused on enhancing quality assurance, aligning academic programs with regulations, and improving academic standards. **Participants** discussed **PREE** guidelines and program documentation. The university recognized **Saeed's** contributions and **faculty's** active role in promoting **quality assurance** and **continuous improvement**.

“Building Confident Voices and Future Leaders Through Experiential Learning.”

LGU MUN Society Workshop Series

50

The **Lahore Garrison University Model United Nations (MUN) Society** launched a **three-day workshop series** on **April 20, 2026**, at **Jinnah Auditorium**, with approximately **70** students attending. Led by **Dr. Kanwal Hayat**, the workshop focused on **MUN fundamentals** such as rules, debate formats, and diplomatic conduct, aiming to improve public speaking, critical thinking, and negotiation skills. The series will continue on **April 21** and **23** at **Allama Iqbal Auditorium** and **Usman Shaukat Hall**, receiving praise from the university for its educational value.

“Empowering Academic Advisors, Strengthening Student Success.”

Batch Advisors Training Session 51

Lahore Garrison University (LGU) held a **two-day** training session for **batch advisors** on **April 27–28, 2026**, aimed at enhancing **student counseling** and **support**. Key topics included the impact of chronic stress on students, presented by **Professor Dr. Mohsina Mirza**, and the importance of empathy and clear communication in counseling, discussed by **Shamshad Bashir**. The **Vice Chancellor** praised the initiative, highlighting the crucial role of batch advisors in creating a supportive academic environment. This training underscores **LGU's** dedication to **student well-being** through **faculty development**.

“Planning Resources, Strengthening Education — Investing in Quality and Sustainable Academic Development.”

LGU Budget Planning Session 52

Lahore Garrison University (LGU) held a presentation on **Budget Estimates** for the **Financial Year 2026–27** on **April 27–28, 2026**. Key figures presented **projected budgets**, **focusing** on **priorities** and **resource allocation**, emphasizing transparency and effective financial planning, and demonstrating **LGU's** commitment to **fiscal responsibility** and **quality education**.

“Bridging AI, Research, and Education — Shaping the Future of English Studies.”

International Conference 2026: AI and the Future of English Studies

53

The **Department of English** hosted a **two-day international conference featuring keynote speakers Dr. Vahid Nimehchisalem** and **Dr. Ivan Kireevskii**. **Prof. Dr. Arif Jawaid** inaugurated the event, with **Vice Chancellor Major General (Retd.) Muhammad Khalil Dar** discussing **AI's** transformative role in education. The conference gathered academics and researchers to explore emerging research trends, innovative teaching practices, and the future of literary translation in a digital age. It concluded with a **certificate distribution ceremony** recognizing **presenters** and **session chairs**.

"Bridging Spiritual Thought, Science, and Critical Inquiry — Advancing Interdisciplinary Learning."

Exploring Faith and Neuroscience

54

The **LGU Thought & Action Society (TAS)** collaborated with **Lahore Garrison University's Departments of Psychology and Arts & Humanities** to host a **hybrid session** titled **"From Clay to Cognition: Unlocking the Quran's Neural Blueprint."** Presented by **Muhammad Waqar Raza**, the session explored the link between **Islamic thought** and **neuroscience**, highlighting how the **Quran connects reasoning to cognition**. He referenced the verse **"Afala Ya'qiloon – Do they not reflect?" (Surah Al-Hajj 22:46)** to discuss **human intellect**. The event concluded with an **engaging Q&A**, fostering dialogue on **spirituality** and **science**. **LGU** thanked **Raza** for his enlightening contribution.**"From Clay to Cognition: Unlocking the Quran's Neural Blueprint"** session primarily aligns with **SDG 4 by promoting interdisciplinary learning**, **critical thinking**, **intellectual reflection**, and **knowledge exchange** between **Islamic thought**, **neuroscience**, **psychology**, and the **humanities**.

“Aligning Education with Professional Practice — Building Future-Ready Criminology and Forensic Experts.”

Criminology Curriculum Review Meeting 55

The **Department of Criminology at Lahore Garrison University** held a **Curriculum Review Committee Meeting** to align **academic programs** with **industry demands** in **criminology** and **forensic sciences**. The session aimed to enhance course content and prepare students for **real-world challenges**, featuring contributions from **experts** like **Dr. Muhammad Saqib**, **Rao Munir**, and **Barrister Zafar Kalanauri**, along with **student representatives Asher Ahmad** and **Manahil**. Their insights will help strengthen the **curriculum** and **connect academia** with **professional practice**. **LGU** expresses gratitude to all participants for their contributions to this important initiative

“Strengthening Research, Advancing Knowledge, Ensuring Academic Excellence.”

28th BASR Meeting 56

Lahore Garrison University held its **28th Meeting of the Board** of **Advanced Studies & Research** on **May 21, 2026**, chaired by the **Vice Chancellor**. Attendees included university **leadership**, **deans**, **faculty**, and **external members** who **discussed** and **approved key academic** and **research matters**, such as **research titles**, **supervision allocations**, **study extensions**, **topic modifications**, and **evaluations** of **PhD** and **MPhil** progress. The meeting underscored **LGU's commitment** to **quality research** and **academic excellence**.

“Transforming Creative Ideas into Professional Skills — Preparing Future Media Leaders.”

Media Studies FYP Screening 57

The **Department of Media and Communication Studies** at **Lahore Garrison University** held its **Final Year Project screening** for **Semester 8 students** at **Jinnah Auditorium**, featuring **short films** on **May 19, 2026**, and **advertisement campaigns** on **May 21, 2026**. **Sarosh Ali Butt** evaluated **Advertising & PR projects** as the external examiner, providing valuable industry insights. **LGU** thanked **Mr. Butt** for his **mentorship** and **congratulated** the graduating students for their **creativity** and **professionalism**

“26 Positions, One Championship — Turning Creativity and Talent into Excellence.”

LGU Wins at PU Media Fest 2026

58

Students of Lahore Garrison University delivered an outstanding performance at the **PU Media Fest 2026**, organized by **University of the Punjab**. With participation in **10 competition categories**, **LGU students** secured a remarkable **26 positions**, including **5 first positions** and **3 runner-up positions**, along with **8 overall winning positions**. Their exceptional performance earned **LGU** the Overall **Maximum Winning Positions Trophy**, highlighting the **creativity**, **talent**, and **dedication** of its students. The **LGU student’s** success at **PU Media Fest 2026** strongly aligns with **SDG 4 – Quality Education** by providing students with opportunities to apply their **academic knowledge** in **creative**, **competitive**, and **practical settings**.

“Strengthening Business Education Through Quality, Accreditation, and Collaboration.”

NBEAC Dean's Conference 59

The **13th Deans and Directors Conference**, hosted by the **NBEAC** in **Islamabad**, brought together **business school academicians** and **administrators** from across **Pakistan**. **LGU** represented by **Vice Chancellor Maj. Gen. (Retd.) Muhammad Khalil Dar** and **senior faculty**, engaged in discussions on improving **business education quality**, **accreditation standards**, and **curriculum development**. The conference aimed to strengthen academic programs in alignment with **national and international benchmarks**, highlighting **LGU's** dedication to **academic excellence** and **collaboration** with accreditation bodies for continuous improvement.

“Strengthening Graduate Education Through Quality Assurance, Research, and Continuous Improvement.”

QEC Conducts SGPR on PREE Standards

60

The **Quality Enhancement Cell (QEC)** at **Lahore Garrison University** conducted a **Self Graduate Programme Review (SGPR)** on **PREE Standards** on **June 15, 2026**, to ensure **academic quality**. **External experts**, including **QEC directors** from **UMT**, **NCA**, and **UCP**, attended alongside **university officials**. The review assessed graduate programs based on the **Higher Education Commission's PREE standards**, focusing on **curriculum quality**, **faculty credentials**, **research productivity**, and **institutional support**. This process helps **LGU** comply with **National Quality Standards** and underscores its commitment to **High Academic Standards** and **Competitive Graduate Education**.

“Strengthening Academic Pathways, Bridging Learning Gaps.”

Meeting on Post Associate Degree Programs

61

On **June 11, 2026**, **Lahore Garrison University**, led by **Prof. Dr. Arif Jawaid**, held a meeting to improve **Post Associate Degree Programs**. Key discussions focused on credit hour exemptions for prior qualifications, introducing a bridging semester before the **5th semester** to strengthen foundational skills, and adhering to the **Scheme of Studies**. The meeting concluded with directives for departments to follow **established academic guidelines** for **consistency** and **quality**.

“Learning Through Practice, Nourishing Through Knowledge.”

Nutrition Student's Skills Showcase

62

The **Department of Human Nutrition & Dietetics** hosted the **Nourish and Appreciation Hi-Tea** on **May 19, 2026**, to celebrate the **Meal Planning Lab's launch** and **showcase student skills**. Students prepared balanced meals and **therapeutic diets**, demonstrating their **nutrition knowledge**. **Vice Chancellor Maj Gen Muhammad Khalil Dar** attended and praised their **creativity**, emphasizing the importance of experiential learning and encouraging future practical initiatives.

“Empowering Educators with AI, Transforming Teaching for Tomorrow.”

AI Training for LGES Educators

63

Lahore Garrison University (LGU) conducted a training session on **“Empowering Educators with Artificial Intelligence (AI)”** on **June 6, 2026**, for teachers of the **Lahore Garrison Education System**. Led by **Dr. Aiza Hussain Rana** and **Dr. Muhammad Asif Saleem**, the session highlighted **AI's** impact on education and offered practical tools for improving **teaching** and **learning**. This initiative reflects **LGU's** commitment to **digital excellence** and **supporting educators** in a **technology-driven** educational environment.

“Contributing leadership and vision to the advancement of higher education.”

LGU Vice Chancellor Appointed Member of Punjab Higher Education Commission

64

Major General (R) Muhammad Khalil Dar, **Vice Chancellor** of **Lahore Garrison University**, was appointed as a **representative for private universities** on the **Punjab Higher Education Commission** for a **four-year term**. The appointment reflects trust in his **leadership** and **provides** an opportunity to contribute towards policies aimed at improving educational quality and governance. This achievement reinforces **LGU's** commitment to **academic excellence**, **innovation** and the **advancement** of **SDG 4: Quality Education**.

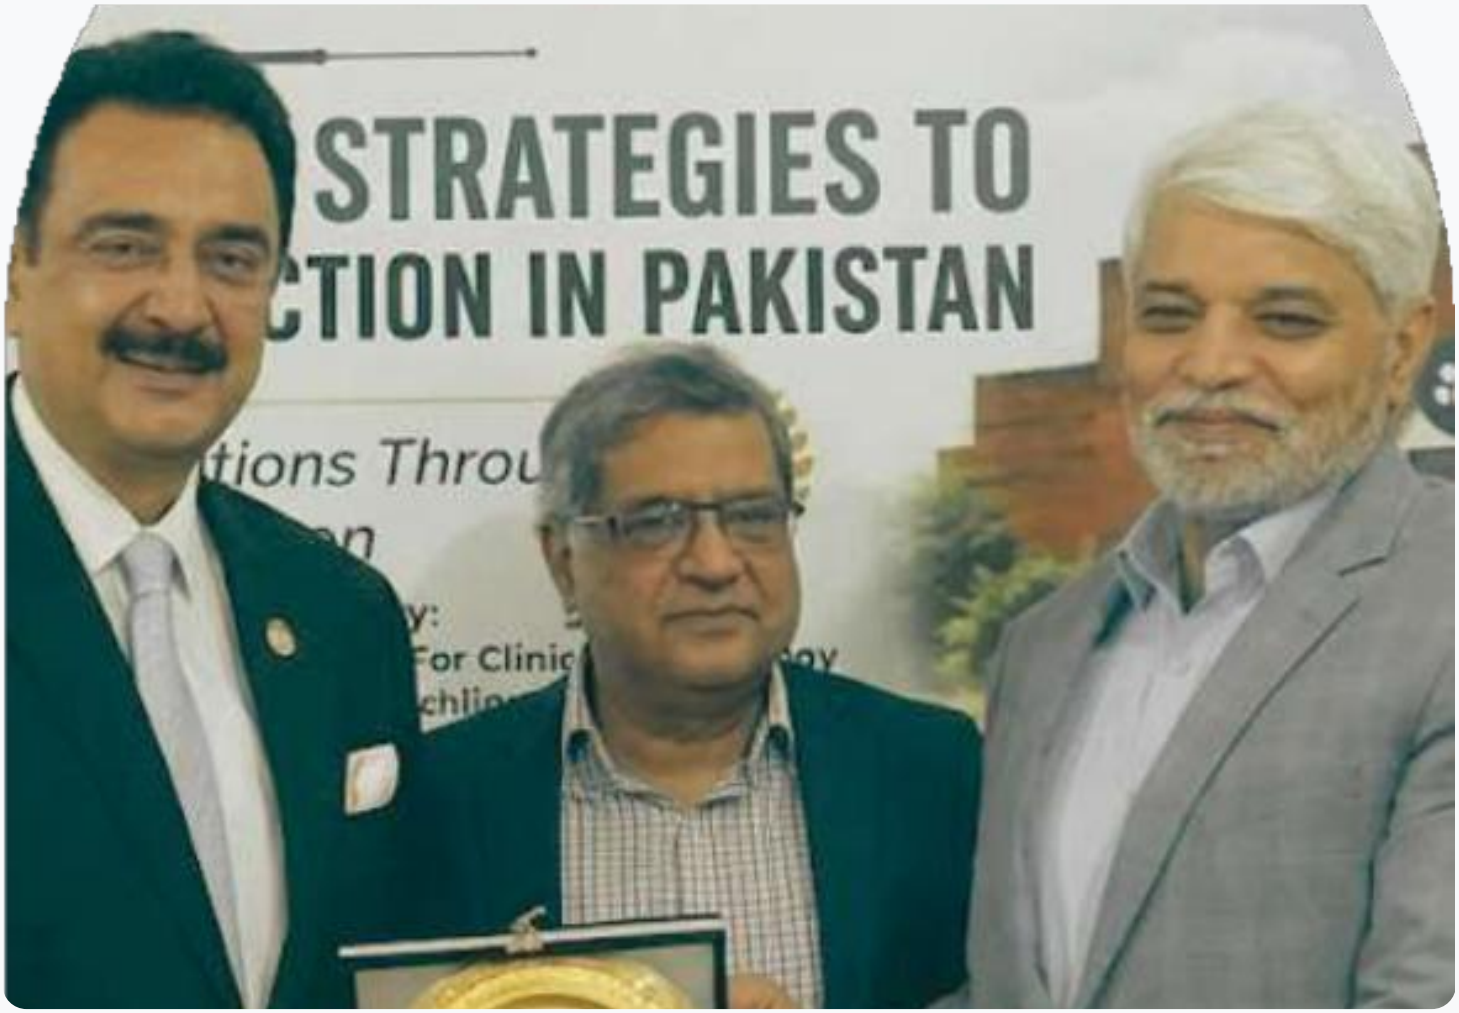

"Recognizing visionary leadership and lasting contributions to higher education."

LGU Vice Chancellor Honoured with Excellence in Leadership Medal

65

Major General M. Khalil Dar (HI)M, Vice Chancellor of **Lahore Garrison University**, was awarded the **Excellence in Leadership Medal** by the **Pakistan Institute of Living and Learning (PILL)** and the **Phoenix Foundation** for **Research** and **Development**. The award recognized his exemplary leadership and significant contributions to the advancement of **higher education** in **Pakistan**. This recognition reflects the **University's commitment** to **strong academic leadership** and the **continued advancement** of **SDG 4: Quality Education.**

“Strengthening academic excellence through collaboration and continuous improvement.”

LGU Holds Academic Council Meeting 66

The **Academic Council of Lahore Garrison University** met under the **chairmanship** of the **Vice Chancellor** to deliberate on a range of **important academic matters**. The **Council** reviewed and approved agenda items related to **curriculum development**, **academic policies**, **quality assurance**, **research** and **student affairs**. The meeting reaffirmed **LGU's** commitment to maintaining high academic standards, promoting innovation and supporting continuous institutional improvement, directly contributing to **SDG 4: Quality Education**.

“Empowering educators to build a future-ready learning environment.”

LGU–LGATE Joint Three-Day Faculty Development Programme

67

Lahore Garrison University and the **Lahore Garrison Academy** of **Teacher Education** organized a **Three-Day Faculty Development Programme** led by **Professor Dr. Arif Jawaid**. The programme focused on enhancing faculty competencies in **pedagogy**, **technology integration**, **curriculum design**, **Outcome-Based Education** and the responsible use of **Artificial Intelligence**. Through interactive sessions and demonstrations, the initiative promoted faculty excellence, educational innovation and continuous quality improvement, supporting **SDG 4: Quality Education**

“Equipping educators with practical AI skills for the future of teaching.”

Three-Day Faculty Development Programme on OBE and Generative AI

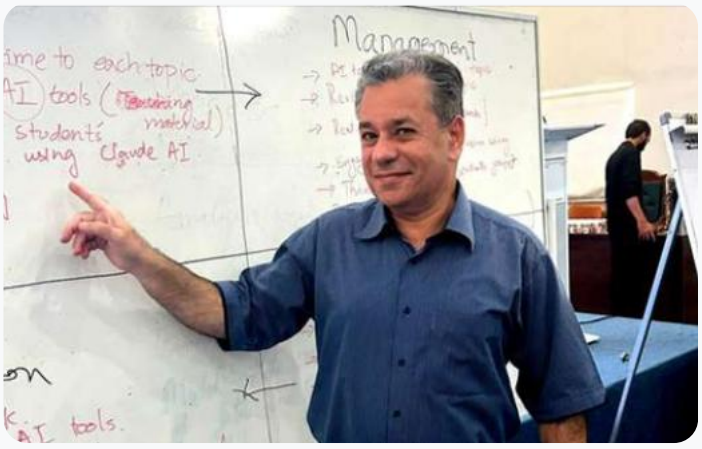

68

Lahore Garrison University conducted a **three-day Faculty Development Programme** from **15–17 July 2026**, focusing on **Artificial Intelligence** and **Outcome-Based Education**. The sessions covered **AI applications** in **academia**, **OBE principles**, **Course Learning Outcomes** and the **responsible use of generative AI tools** such as **ChatGPT**. Faculty members gained practical knowledge to guide students in using emerging technologies responsibly while maintaining academic integrity, contributing to innovative and technology-driven education under **SDG 4: Quality Education**.

“Connecting global expertise with innovative teaching and future-ready education.”

Faculty Development Workshop with University of Melbourne

69

The **Department of Management Sciences** at **Lahore Garrison University** organized an **international faculty development workshop** in **collaboration** with the **University of Melbourne**. **Dr. Aman Ullah** delivered a presentation on student engagement and critical thinking strategies, with a focus on active learning and employability skills. The initiative promoted **knowledge exchange**, **strengthened international academic ties** and **contributed to faculty development**, innovation and future-ready education in support of **SDG 4: Quality Education**

“Inspiring future learners through exposure to higher education.”

LGU Welcomes LGES Students for Educational Visit

70

Lahore Garrison University hosted an **educational visit** for **35 students** and **five faculty members** from **Lahore Garrison Boys High School (LGES)** on **27 July 2026**. The visitors attended an orientation session, interacted with **students** and **faculty**, and explored the **University's academic environment** and **facilities** through a **guided campus tour**. The visit increased awareness of higher education opportunities and provided valuable exposure to university life, contributing to **SDG 4: Quality Education**.

SDG 5

LGU VISION ON SDG 5

Lahore Garrison University (LGU) envisions a **society** where **women** and **men** enjoy equal opportunities, rights, and recognition in every sphere of life. In alignment with **Sustainable Development Goal 5 – Gender Equality**, the university is dedicated to **empowering women through education**, **leadership development**, and **participation in academic**, **professional**, and **athletic arenas**. **LGU** actively promotes initiatives that celebrate **women's achievements** and **encourage** their full engagement in **social**, **economic**, and **technological progress**.

Reflecting its vision of being an inclusive university nurturing **skilled professionals** and **responsible citizens**, **LGU** fosters an **equitable** and **supportive environment** that values **diversity** and **inclusivity**. Through **strategic partnerships**, **awareness programs**, and **scholarships** that enhance **women's** access to **STEM education**, the university nurtures **confidence**, **leadership**, and **innovation among female students** and **staff**. By championing **gender equality** as a **foundation** for **sustainable national development**, **LGU** prepares both **women** and **men** to become skilled **professionals** and **responsible citizens** who work collaboratively toward a just, **inclusive**, and **progressive society**.

“When brothers become allies, sisters break barriers.”

Gender Equality Stage Performance 01

LGU students **presented** a **powerful stage performance** highlighting the importance of **gender equality** and **equal opportunities** for **girls** and **women**. The play followed the journey of a **young girl** whose dream of competing in a **karate championship** was **initially dismissed**, while her **brother's ambitions** were readily encouraged. **Challenging** this injustice, her **brother persuaded** their **father** to recognize his **daughter's potential** and **support her aspirations**. The performance delivered a **strong message** that **talent** and **determination** are not defined by gender and encouraged audiences to challenge deeply rooted social stereotypes, directly supporting **SDG 5: Gender Equality**.

“Empowering women with confidence, safety and the skills to protect themselves.”

Women Empowerment and Self-Defence Workshop

02

The **Women Empowerment Club** of **Lahore Garrison University** organized a **Self-Defence Workshop** on **30 July 2026** at the **Iqbal Auditorium**, engaging **150 female students**. **Professional instructors** provided **practical training** in **self-defence techniques**, **personal safety** and **situational awareness**. The initiative **empowered participants** with essential **life skills** while reinforcing **LGU's commitment** to **women's empowerment** and **Sustainable Development Goal (SDG) 5: Gender Equality**.

“Building teamwork, confidence and holistic student development.”

National Games 2025 Achievements

03

Lahore Garrison University proudly celebrates the outstanding performance of its **students** at the **35th National Games 2025**, where they **secured medals across multiple disciplines**. **34 LGU CELEBRATES ATHLETIC EXCELLENCE AT 35TH NATIONAL GAMES Bibi Fazila (Special Education)** won a **Silver Medal** in **Taekwondo**, and **Saher Shafique (Gender and Development Studies)** earned a **Bronze** in **Women’s Weightlifting** at the **national level**. **Saman Saeed** also claimed a **Silver Medal** in **Judo**, showcasing **LGU's** growing presence in **sports**. These **achievements** highlight the **dedication** and **competitive** spirit of **LGU students**, earning them **recognition** and **pride for the university**.

“Advancing confidence, inclusion and equal opportunities.”

Girl's Gatepass Awareness Session

04

DevNest Society and **Student Affairs** held a **Girl’s Gatepass Awareness Session** on **February 18, 2026**, at **Iqbal Auditorium**, **LGU**. The session focused on **gatepass rules**, **required documents**, and **timings** and included a live **Q&A** to help **female students** navigate campus procedures **confidently**.

“Advancing confidence, inclusion and equal opportunities.”

LGU at UCP Taakra 2026

05

Lahore Garrison University students made a remarkable impact at **UCP TAAKRA 2026**, held at **University of Central Punjab**, Lahore from **11–15 February**. Competing against over **4,000 students nationwide**, LGU stood out across **multiple events**.

SPORTS ACHIEVEMENTS

- Swimming: 3rd Position
- Arm Wrestling: 3rd Position
- PUBG Competition: 3rd Position

LGU students demonstrated determination and skill, ranking among the top universities nationwide.

CYBERSECURITY DOMINANCE

- Capture The Flag (CTF) Competition: Top 3 Positions.
- Competed against FAST, NUST, Punjab University.

LGU students displayed exceptional problem-solving and cybersecurity talent, sweeping all top positions.

MODEL UNITED NATIONS EXCELLENCE

- Abdul Mutaal: 2nd Position
- Dua Suleman: Honorable Mention

The LGU MUN Society showcased diplomacy, research, and public speaking, building students’ negotiation and networking capabilities

“Building teamwork, confidence and holistic student development.”

Pakistan Open Sport Climbing Competition

06

Lahore Garrison University celebrates its **student's success** at the **20th IWD 2026 Pakistan Open Sport Climbing Competition**, held on **February 14–15, 2026**, at **Margalla Hills**. **LGU** students triumphed with **Suman in 1st place**, **Noor in 2nd**, and **Sabra in 3rd**, achieving a **clean sweep**. Organized by **Adventure Club Pakistan**, the event showcased the **student's determination** and **athleticism**. LGU congratulates the **winners** and all **participants** for their **prideful representation**.

“Building teamwork, confidence and holistic student development.”

International Women's Day Panel Discussion

07

Lahore Garrison University marked **International Women’s Day** with a panel discussion titled **“Empowered Women & the Challenge of Patriarchy in Pakistan”** on **Monday, 09 March 2026**, at the **Iqbal Auditorium**. The session, organized by the **students** and led by **Ms. Rameesha**, from **SE Department**, in collaboration with the **Empowerment Women Society**, featured **Miss Naureen Amjad**, **Director of Communications & HR**, who spoke about mentoring women in the **tech sector, Prof. Dr. Rizwana Bashir, Dean of the Faculty of Management & Social Sciences**, who highlighted the low representation of **women i n leadership,**and **Ms. Musarrat Yasmin, Clinical Psychologist in the Police Department**, who shared her journey i n applying **psychology** within **police and army institutions**.

“Building teamwork, confidence and holistic student development.”

Mother's Day Celebration 08

The **Library at Lahore Garrison University** hosted a **joyful Mother's Day** workshop, **GUL**, on **May 12, 2026**, organized by the **Funoon Society** and **Garrison Creative Club**. The event featured activities like **handmade flower crafting**, **tea**, **note writing**, and a **photobooth**, fostering **memorable bonding experiences** for **students** and **their mothers**. The celebration showcased the **creativity** and **dedication** of the **organizers**, making it **meaningful** for all **involved**.

“Building meaningful partnerships that extend learning, research and impact.”

Partnership with CIRCLE Women

09

Lahore Garrison University held a meeting with **CIRCLE Women Association** representatives, **Ms. Nabila** and **Ms. Alishba**, and **Dr. Rizwana Bashir** to discuss collaboration on **digital inclusion**, **youth empowerment**, and **career development**.

Key initiatives include:

A summer capacity-building program for **inDrive driver’s children**, **training 75 participants** in fields like **Artificial Intelligence** and **digital literacy** to enhance access to **technological skills**. Expanding the **Work Readiness Program** for **graduating students**, **especially young women**, to improve **professional competencies**, **career preparedness**, and provide **paid internship opportunities**. This collaboration emphasizes **LGU’s commitment** to **community engagement**, **education**, and **skills development**, **aiming to empower individuals** and foster a **more equitable society.**

“Building meaningful partnerships that extend learning, research and impact.”

Research on Women's Empowerment 10

Lahore Garrison University (LGU) celebrates **Dr. Asia Bibi** from the **Department of Management Sciences** for her contribution at the **14th Asia-Pacific International Conference** on **Environment-Behavior Studies** in **South Korea**. She presented research on **“Social Entrepreneurship and Women’s Empowerment,”** highlighting its role in **sustainable development** and **economic growth**. The conference gathered global researchers to discuss various **contemporary themes**, fostering **international academic engagement** and enhancing **LGU's global presence** through impactful research.

“Building meaningful partnerships that extend learning, research and impact.”

LGU Wins Bronze at National Shooting Championship

11

The **Lahore Garrison University Women's Air Pistol Team** won a **Silver Medal** at the **2026 National Shooting Championship** in **Islamabad**. **Simran Akbar** also achieved an **Individual Bronze Medal**, marking a **historic milestone** for **LGU** in **national pistol shooting**. These accomplishments highlight the **dedication** and **perseverance** of the **athletes** and **coaches**. The university **congratulates** the **team** and **wishes** them success in **future competitions.**

“Building meaningful partnerships that extend learning, research and impact.”

LGU Women's Air Pistol Team Wins Silver

12

The **Lahore Garrison University Women's Air Pistol Team** won a **Silver Medal** at the **2026 National Shooting Championship** in **Islamabad**. **Simran Akbar** also achieved an **Individual Bronze Medal**, marking a **historic milestone** for **LGU** in **national pistol shooting**. These accomplishments highlight the **dedication** and **perseverance** of the **athletes** and **coaches**. The university **congratulates** the **team** and **wishes** them success in **future competitions.**

SDG 6

LGU VISION ON SDG 6

Lahore Garrison University (LGU) envisions a **healthy** and **sustainable campus environment** where **clean water** and **proper sanitation** are accessible to all. In alignment with **Sustainable Development Goal 6 – Clean Water and Sanitation**, the university is committed to ensuring the **availability** and **sustainable management of water resources**. **LGU** provides **safe drinking water facilities** and **promotes adequate sanitation** and **hygiene practices** to **safeguard** the **health and well-being** of its **students**, **faculty**, and **staff**.

Reflecting its vision of being an inclusive **university nurturing skilled professionals** and **responsible citizens**, **LGU integrates environmental responsibility** and **sustainability** into its academic and operational **framework**. By advancing **sustainable solutions** such as **RO (Reverse Osmosis) technology**, and fostering awareness about water conservation, the university equips its community with the **knowledge** and **values** needed for responsible resource management. Through education, innovation, and community engagement, **LGU empowers students** to become environmentally conscious professionals and citizens who contribute to building a **cleaner**, **healthier**, and **more sustainable society**.

"Clean Water, Healthy Campus – Sustaining Life, One Drop at a Time."

CLEAN DRINKING WATER FACILITY 01

Lahore Garrison University provides **clean drinking water facilities** across its campus to ensure the **health** and **well-being** of **students**, **faculty**, and **staff**. The **university emphasizes safe** and **hygienic water** access as part of its **commitment** to promoting a **healthy campus environment**. To further strengthen this **commitment**, the university recently installed **four new Fischer-made drinking water coolers**, each with a capacity of **300 liters**, ensuring greater accessibility and convenience for the campus community. **Regular monitoring** and **maintenance** are conducted to **guarantee water quality and safety**. This initiative aligns with **SDG 6 – Clean Water and Sanitation**, reflecting **LGU's** dedication to **sustainable water management** and **responsible resource use**. By providing safe drinking water, the university also fosters awareness about water **conservation** and **hygiene practices** among the **campus community**.

Adequate and EquitableSanitation & Hygiene

02

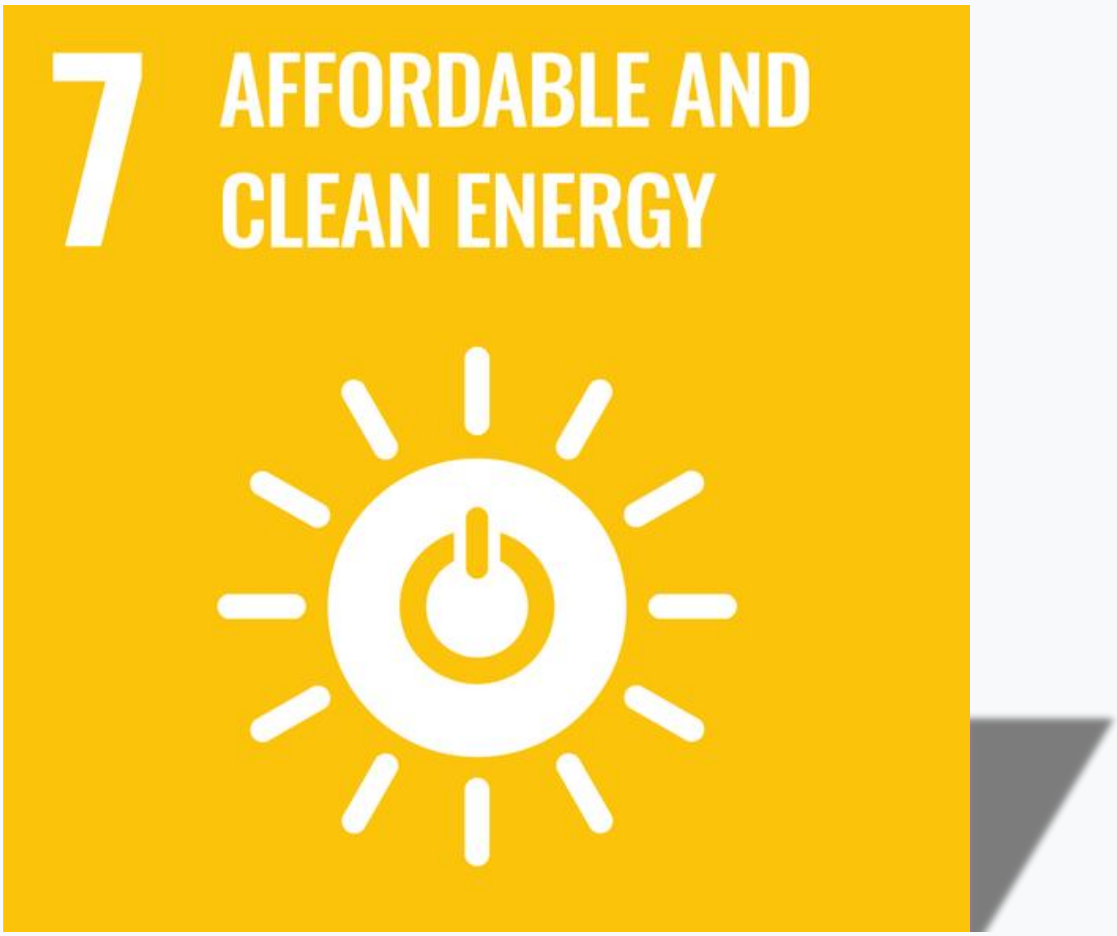

Lahore Garrison University (LGU) is **committed** to providing a **safe**, **clean**, and **healthy campus environment** for all **students** and **staff**. The **university** is equipped with **192 washrooms**, with **half designated exclusively** for **female students** and **staff**, **ensuring inclusivity** and **accessibility**.
All **facilities** are maintained to the highest standards of **cleanliness** and **sanitation**, with regular monitoring to **guarantee** a **neat** and **hygienic environment**. Each **washroom** is equipped with **well-maintained handwashing stations** and **high-quality handwash supplies**, promoting best practices of **personal hygiene** and **health management** across the **campus**.

Advancing Sustainable Development Through RO Technology

03

The establishment of a **Reverse Osmosis (RO) plant** in the **LGU directly contributes** to the **Sustainable Development Goals** by ensuring access to **clean** and **safe drinking water (SDG 6: Clean Water and Sanitation)**. By providing a reliable supply of **purified water**, the initiative supports better health outcomes and reduces waterborne diseases **(SDG 3: Good Health and Well-being)**. It also promotes **environmental sustainability** by encouraging the responsible use of **water resources (SDG 12: Responsible Consumption and Production)** and reducing dependence on unsafe or non-renewable water sources. Furthermore, the project strengthens community resilience and inclusive local development **(SDG 11: Sustainable Cities and Communities)** while demonstrating the **LGU's** commitment to innovation and partnerships for sustainable progress **(SDG 17: Partnerships for the Goals)**.

LGU VISION ON SDG 7

Lahore Garrison University (LGU) envisions a **sustainable** and **energy-efficient campus** that **harnesses clean** and **renewable energy** to minimize environmental impact. In alignment with **Sustainable Development Goal 7 – Affordable and Clean Energy**, the university is dedicated to promoting the use of **renewable energy resources**, **ensuring reliable**, **sustainable**, and **modern energy solutions** within its **infrastructure**.

Through initiatives such as the installation of **solar panels**, **solar-powered air conditioning systems**, **energy-efficient inverter fans**, and the use of **electric vehicles**, **LGU** is actively transitioning toward a **green and sustainable future**. Moreover, the university integrates **renewable energy** and **sustainable technologies** into its **academic** and **research framework**, fostering awareness and innovation among students. **LGU's** vision is to lead by example in clean energy transformation, contributing to a future powered by **sustainability**, **efficiency**, and **environmental responsibility**.

USE OF RENEWAABLE ENERGY RESOURCES ON CAMPUS

01

The **Solar Power System installed** at **LGU** is **demonstrating strong performance**. The **system currently delivers** an output of **384 units per hour**, translating to approximately **2309 units per day** based on an **average of 6 effective sunlight hours**. This equates to **57725 units per month**, with an **annual projected production of 692700 units**. At the prevailing **electricity tariff** of **Rs. 50 per unit**, this generation corresponds to an estimated **annual saving of Rs. 3,46,35,000** directly contributing to **cost efficiency** and **long-term sustainability**. This performance evaluation is based on **routine string readings (current and voltage)**. The system, consisting of **seven inverters** with a **combined capacity of 450 kW**, is **fully operational** and **consistently producing clean energy**. By offsetting dependency on **non-renewable electricity sources**, the system not only reduces **operational expenses** but also **supports climate action (SDG 13)** through the **mitigation of carbon emissions**.

LGU's Transition to Solar-Powered Air Conditioning Systems

02

A **major achievement** of this initiative is the transition of **high-consumption facilities to solar power**. **280 air conditioning units installed across the campus** are **powered directly through solar energy**. All **classrooms** and **Labs** in **LGU** are now **air conditioned**. This shift demonstrates **LGU's commitment** to **reducing energy costs** and **minimizing environmental impact** while **maintaining comfort** and **efficiency for students**, **faculty**, and **staff**.

Sustainable Energy Transformation at LGU through Inverter Fan Installation

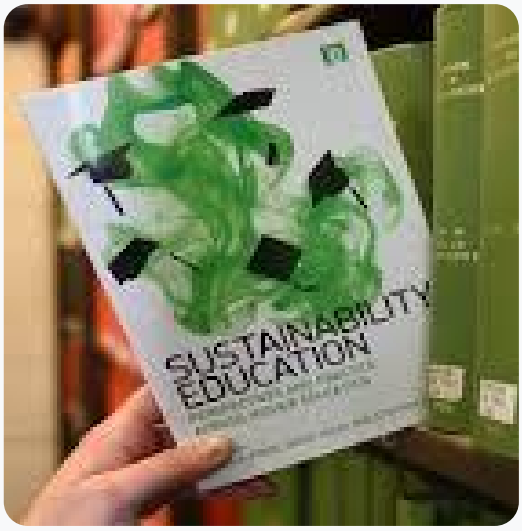

03

In addition, **Lahore Garrison University (LGU)** has taken a **significant step toward energy efficiency** and **sustainability** by installing **400 inverter fans** out of a total of **704 across the campus** thus **saving 60KW of electricity**. This initiative reflects the **university's commitment** to **reducing energy consumption** and **promoting environmentally responsible practices**. **Inverter fans** are **highly energy-efficient**, **offering lower electricity usage** and **improved performance compared to conventional models**. Building on this progress, **LGU plans to replace all remaining fans** with **inverter technology** in the **coming year**, **achieving full campus coverage** and further advancing its **goal of creating a sustainable**, **energy-conscious learning environment**.

Academic Integration of Renewable Energy and Sustainable Technologies at LGU

04

Lahore Garrison University integrates **sustainability** and **clean energy** concepts into its academic curriculum to equip students with the **knowledge** and **skills** needed for **future energy solutions**. Specialized **courses** and **research projects** in **computational sciences**, **chemistry**, and **engineering** focus on **renewable energy**, **smart grids**, **battery technologies**, and **AI-driven energy management**. By embedding **clean energy education** into **classroom learning**, **LGU fosters innovation**, **critical thinking**, and **problem-solving** for a more **sustainable future**. At **Lahore Garrison University**, around **107 courses** are **currently offered related to sustainability**, which are broadly aligned with the **UN Sustainable Development Goals (SDGs)**

LGU Powers a Sustainable Future through Clean Energy Innovation

05

Lahore Garrison University is actively promoting **sustainable mobility** by **providing dedicated parking facilities** for **female students** using **electric scooters (EV scooties)**. This initiative reflects **LGU's commitment** to both **SDG 7 (Affordable and Clean Energy)** and **SDG 5 (Gender Equality)** by encouraging the use of **eco-friendly transport** while ensuring a **safe** and **inclusive environment** for **women**.

By **facilitating green commuting options**, **LGU** not only reduces its **carbon footprint** but also **empowers female students** to **adopt cleaner**, more **sustainable**, and **independent modes** of **transportation**.

SDG 8

LGU VISION ON SDG 8

Lahore Garrison University (LGU) envisions a **dynamic and progressive learning environment** that prepares **students** to thrive in a rapidly evolving **global economy**. In alignment with **Sustainable Development Goal 8 – Decent Work and Economic Growth**, the university is committed to promoting **entrepreneurship**, **innovation**, and **skill development** that lead to **sustainable employment opportunities** and **inclusive economic progress**.

Reflecting its vision of being an inclusive university **nurturing skilled professionals** and **responsible citizens**, **LGU** fosters a culture of **creativity**, **professionalism**, and **social responsibility** through **education** and **experiential learning**. By organizing training sessions, **startup expos**, **recruitment drives**, and **entrepreneurial programs**, the university equips students with **practical skills** and an **entrepreneurial mindset**. Through strong industry linkages and support for **youth-led startups, LGU empowers students** to become innovative professionals and responsible citizens who contribute to **economic resilience**, **sustainable growth**, and the **prosperity of society**.

Labour Day Commemoration

01

Lahore Garrison University (LGU) observed **Labour Day** on **30 April 2026** at the **Fountain Ground**, organized by the **LGU Media Club** and the **Directorate of Student Affairs and Counselling**. The event highlighted worker's **rights and dignity of labour**. A special moment recognized the **daughters** of **supporting staff** for their **academic achievements**. **Attaria Fatima (BS-CS, 2nd Semester)**, **Daughter** of **security guard Altaf Hussain**, was appreciated for completing **38 books**, while **Kainat Rani**, a **BSAI student** and **daughter of a building craftsman**, was recognized for earning a **3.8 CGPA**. Their accomplishments reflected the **dedication and sacrifices of their families**. Students of **Media** and **Communication Studies** also presented **handmade thank-you cards** and **flowers** to **supporting staff** as a gesture of **respect** and **appreciation**.

"From ideas to action: nurturing innovation, enterprise and opportunity."

IBTIDA-BIC Orientation & Entrepreneurial Session

02

12 IBTIDA-BIC HOSTS ORIENTATION AND ENTREPRENEURIAL SESSION FOR COHORT 8 The **IBTIDA Business Incubation Center** at **Lahore Garrison University** held an **Entrepreneurial Session** for **Cohort 8 Startup Teams** on **October 2, 2025**, attracting over **150 attendees**, including **faculty** and **students** from **various disciplines**. Keynote speakers, **Mr. Arzish Azam** and **Mr. Shahroz Malik**, shared insights on the **startup ecosystem**, focusing on **AgriTech**, **AI**, and **Technology Entrepreneurship**, highlighting **resilience** and **innovation**. The event oriented new teams to the incubation process and **mentorship programs**, while exploring collaboration opportunities with **Future Fest** and **Ejad Farms**. Manager **Mr. Mubashar Mumtaz Virk** noted **LGU's commitment** to **innovation** and **entrepreneurship**, concluding the session with renewed enthusiasm for **entrepreneurial growth** at **LGU**.

“Creating opportunities for learning, engagement and meaningful impact.”

Crafting Market-Ready Final Year Projects

03

Beyond Academia: **LGU’s IT & CS Department** Bridges the Gap Between **Classroom** and **Industry.** The **Department of Information Technology and Computer Science** at **Lahore Garrison University** organized an engaging session titled **“Beyond Academia: Crafting Market-Ready Final Year Projects”** on **October 1, 2025**, at **Jinnah Auditorium**. The event aimed to bridge the gap between **academia** and **industry** by guiding students on how to develop **Final Year Projects (FYPs)** that are innovative, practical, and aligned with market needs. Distinguished speakers included **Mr. Azeem Akram (CTO, AlphaSquad Technologies)**, **Mr. Hamad Pervaiz (Director, BearPlex)**, **Mr. Usman Zahoor Butt (CEO, Exadata Solution)**, **Mr. Asif Ali Khan (CEO, Munkan Threads Inc.)**, **Mr. Mubashar Virk (Manager, BIC LGU)**, and **Prof. Dr. Muhammad Atif (Dean, FCS, LGU)**. Through interactive discussions and brainstorming sessions, students explored emerging industry trends and learned how to shape their ideas into meaningful projects. The session also offered valuable networking opportunities, connecting students with seasoned professionals for mentorship and guidance. Organized by **Ms. Rabia Aslam Khan** and **Mr. Hassan Raza**, the event reinforced **LGU’s commitment to fostering innovation** and **strengthening academia-industry collaboration**. It encouraged students to think beyond **textbooks** and **prepare for impactful roles** in the **tech-driven world**.

“Turning learning into practical opportunities and stronger career pathways.”

Professional Branding Workshop

04

Students Learn Professional Branding at **GDGoC-LGU Workshop** The **GDGoC-LGU** hosted a successful workshop on **October 24th, 2025** titled **"Crafting Your Professional Identity: Branding Essentials"** for **computing students**. Held at **Usman Shaukat Hall**, it provided strategies for showcasing **strengths**, **building an online presence**, **creating a personal narrative**, and **effective networking**. Participant's engagement made the event **valuable** and **empowering** for **shaping their career paths**.

IBTIDA BIC Cohort-8 Induction Ceremony

05

LGU'S IBTIDA BIC HOLDS FORMAL INDUCTION CEREMONY FOR COHORT 8. On **October 15, 2025**, **Lahore Garrison University's Ibtida Business Incubation Center** welcomed its **eighth cohort** of **13** startup teams during a ceremony with the **Vice Chancellor and faculty**. The event featured motivational speeches and a presentation by Manager **Mubashar Mumtaz**. Founders signed induction forms to officially join the **BIC program**, concluding with a group photo to commemorate their **entrepreneurial journey** and access to **mentorship** and **resources**.

“Turning learning into practical opportunities and stronger career pathways.”

Express News Recruitment Drive 06

Express News Recruitment Drive at **LGU** On **October 21, 2025**, **Lahore Garrison University** held a **Recruitment Drive** by **Express Media Group** for final semester students and recent graduates in **Media** and **Communication Studies**. Led by **Mr. Shiraz Hasnat**, the event presented roles like Anchors, Associate Producers, and positions in **Visuals**, **Video Editing**, and **Social Media**, demonstrating **LGU's** dedication to connecting academic learning with career opportunities.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Entrepreneurial Nexus 2025

07

Entrepreneurial Nexus 2025 energized **Fountain Ground**, **Lahore Garrison University**, bringing together innovation, learning, and collaboration. Hosted by the **Garrison Entrepreneurship Society**, the event created a lively platform for aspiring entrepreneurs. Leading entrepreneurs and industry experts, including **Asif Malik**, **Danial Nadeem**, **Haris Ateeq**, **Shabaz Siddiqui**, **Tosheeba Sarwar**, and **Romesa Ijaz**, shared practical insights and interacted with students. **Entrepreneurs** showcased and sold their products, received live feedback, and engaged audiences throughout the day. A dynamic panel discussion at Iqbal The auditorium added depth to the event, while the **Ad Reel Competition** generated excitement with a **Rs. 15,000 cash prize**. Creative stalls showcased entrepreneurial spirit. The event successfully celebrated **innovation** and **student initiative**, thanks to the efforts of participants, guests, and the **Garrison Entrepreneurship Society**.

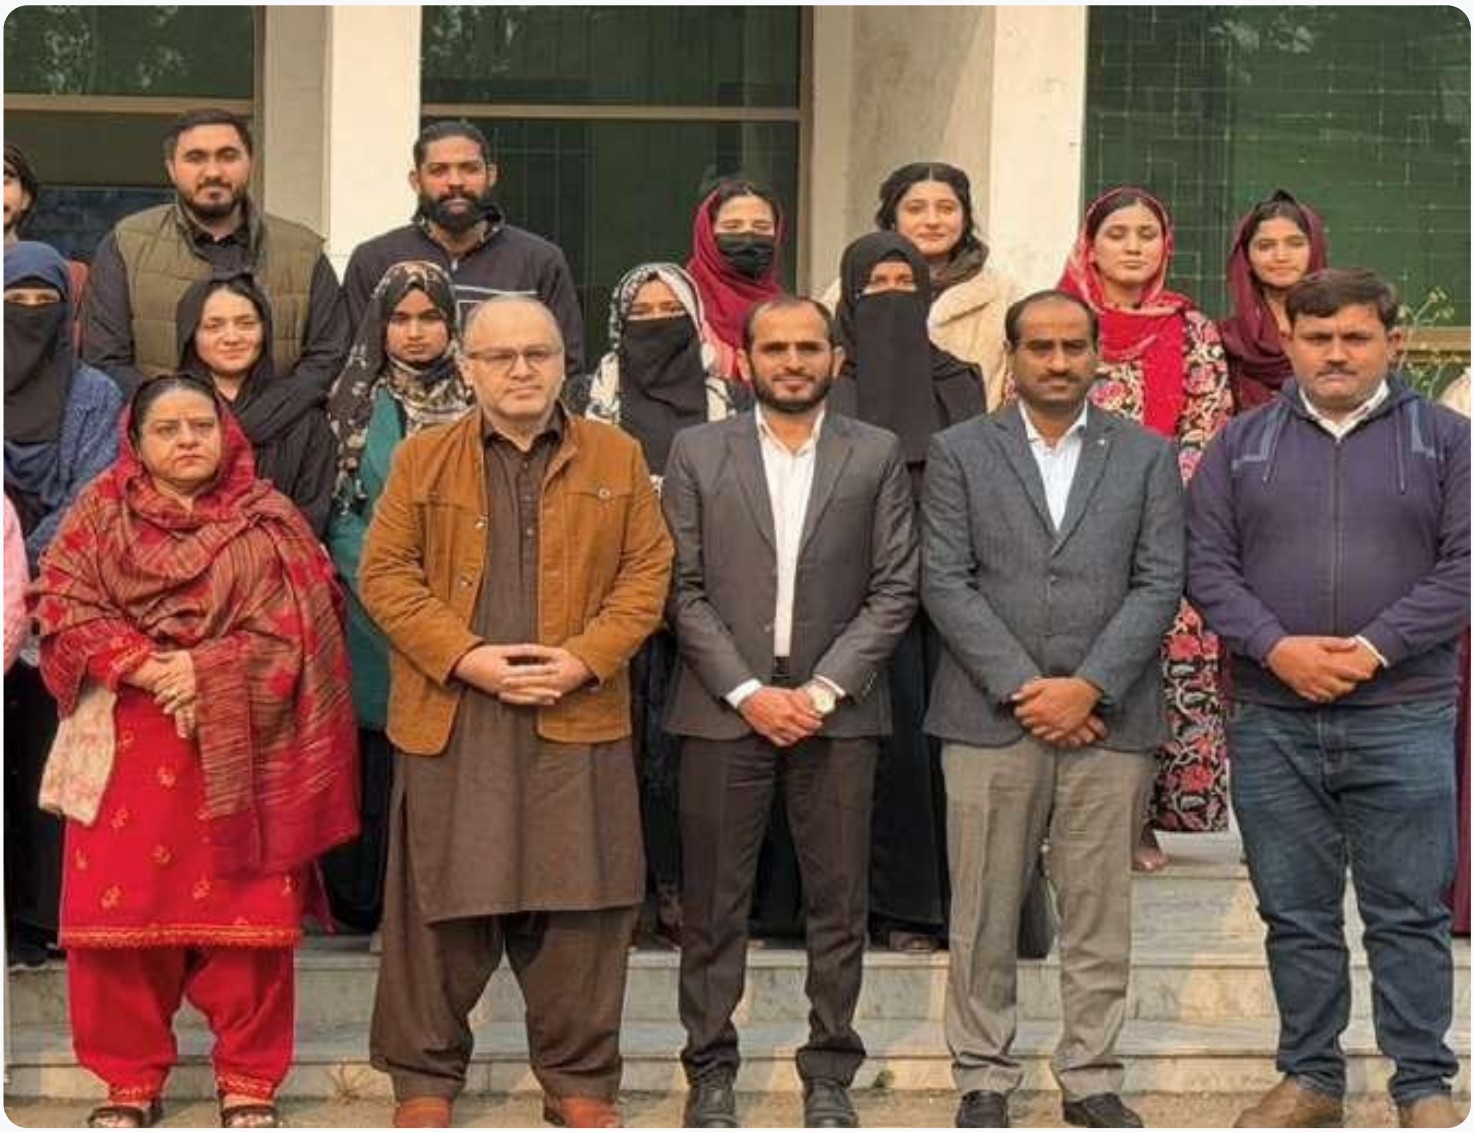

Biology Students Visit Veterinary Research Institute

08

BS Microbiology students visited the **Veterinary Research Institute** to learn about animal vaccine production. Organized by the **Biology Department** and led by **Dr. Hafiz Zeshan Wadood**, the trip included a **lab safety orientation** and a **tour**. Students observed **media preparation**, **vaccine production**, **freeze-drying**, and **quality control processes**. Faculty also discussed internship opportunities, linking classroom learning to real-world microbiology and enhancing understanding of infectious **disease prevention** in **animals**.

Media Students Visit Radio Pakistan

09

Students get Hands-On Broadcast Experience AT **Radio Pakistan. Media and Communication Studies** students visited **Radio Pakistan** to learn about **live transmission and production**. They engaged with **industry professionals** on news gathering, editing, and digital adaptation, bridging classroom theory with **practical experience** to enhance their **professional readiness**.

City 42 Media Recruitment

10

Our students, **Afsheen Zaidi**, **Zaira Imran**, **Asim Khalil**, and **Zaeem Saqib** were chosen by **City 42** for their **media team**, providing them with **real newsroom experience** and **professional role opportunities**. This reflects the **department's commitment** to preparing students for **careers** in the **fast-paced media industry**.

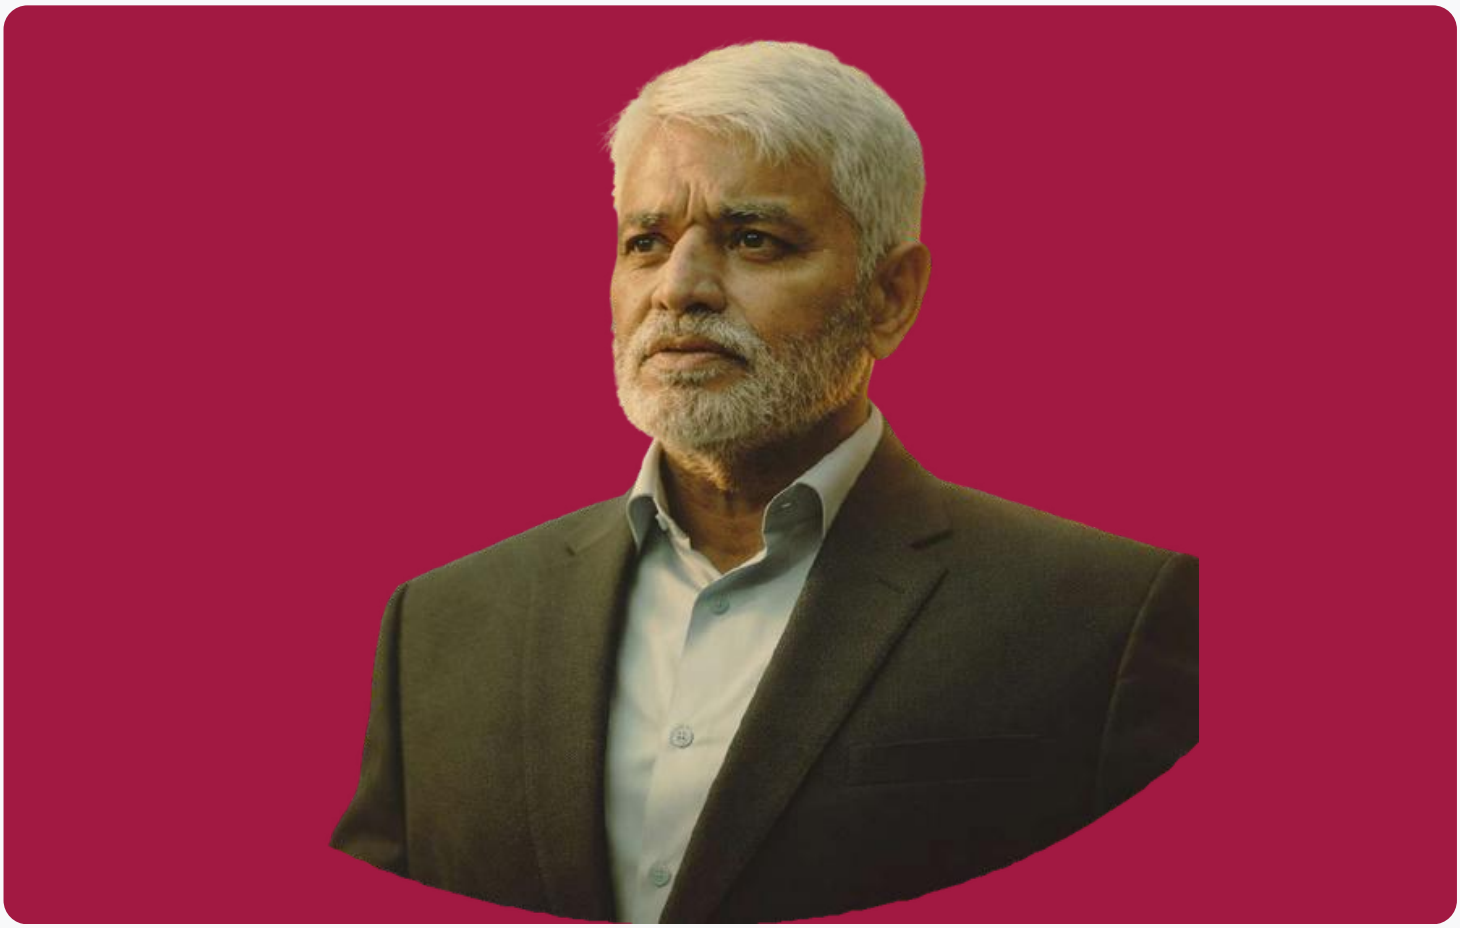

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Declaration of 2026 as the Year of Entrepreneurship

11

“In **2026**, **LGU** embraces an **entrepreneurial mindset**, **encouraging students** to think **boldly**, **act decisively**, and **transform ideas into real-world solutions**. It’s about spotting opportunities, taking initiative, and applying creativity and resourcefulness beyond the classroom.”
Maj Gen Muhammad Khalil Dar, HI(M) (Retd.) Vice Chancellor Lahore Garrison University

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Techanzy Recruitment Drive 12

The **Industrial Liaison Office** at **LGU** held a recruitment drive on **February 18, 2026**, in partnership with **Techanzy Limited** for students in **Computer Science**, **Software Engineering**, **Information Technology**, and **management sciences**.

Talk on Entrepreneurial Thesis Selection

13

The **Department of Psychology** at **Lahore Garrison University** hosted a talk on **"How to Select a Thesis Title with an Entrepreneurial Mindset"** on **February 10, 2026**, by **Prof. Dr. Rizwana Bashir**. The session guided students in selecting impactful research topics. **Vice Chancellor Major General (Retd.) Muhammad Khalil Dar** emphasized key entrepreneurial principles, such as problem-first thinking and resourcefulness. The event was attended by **final-year BS and MS students** and **faculty**, showcasing **LGU's commitment** to **innovation** and an **entrepreneurial culture**.

“Turning learning into practical opportunities and stronger career pathways.”

PAF Recruitment Awareness Session

14

Pakistan Air Force representatives share **insights** on **eligibility**, **selection process**, and **professional pathways**. A **Recruitment Awareness** Session by the **Pakistan Air Force** took place on **February 26, 2026**, at **Lahore Garrison University**. Organized with the **PAF Information & Selection Centre** and other **partners**, it provided students with insights into **eligibility criteria**, **recruitment processes**, and **career options** in the **Air Force**. **PAF** representatives directly engaged with **students**, enhancing their understanding of the **selection process** and **professional opportunities**. The session received **enthusiastic participation** and was praised by the **university** for its informative impact on aspiring **students**.

“Connecting innovation, skills and technology with real-world impact.”

Student’s Industrial Tour to Haier Pakistan

15

Students from **Lahore Garrison University's Faculty of Management Sciences** visited **Haier Pakistan** for **industry exposure**, allowing **final-year BBA students** to gain insights into **production**, **assembly**, and **quality management**. They observed **operations** and **interacted** with **professionals**, **enhancing their understanding** of **quality control** and **supply chain practices**. This experience bridges classroom learning with **real-world application**, **showcasing LGU's commitment** to **experiential learning and career preparation**.

"Creating opportunities for learning, engagement and meaningful impact."

Appointment of Salim Ghauri NET as Professor of Practice

16

Lahore Garrison University has appointed **Salim Ghauri, CEO of NETSOL Technologies**, as **Professor of Practice Leadership and Entrepreneurship**. With extensive experience in **entrepreneurship**, **innovation**, and **technology**, he has significantly influenced **Pakistan's software industry**. In this role, he will mentor **students** and **conduct guest lectures**, bridging academic learning with practical leadership. The university aims to provide students with **industry insights** and **foster skills** for leadership and entrepreneurship in a digital landscape.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

BIC Demo Pitching Sessions 17

Ibtida – Business Incubation Center at **Lahore Garrison University** hosted **two demo pitching sessions** on **April 9 and 11, 2026**, for **Cohort 8 startup teams** ahead of the **GC Competition Pitch Battle**. **Thirteen participants presented their business ideas**, **receiving valuable feedback** from **Vice Chancellor Maj. Gen. Muhammad Khalil Dar** on various aspects of their **pitches**. The first session focused on **identifying gaps**, while the second aimed at **refinement**, leading to notable improvements in participant’s **confidence** and **presentation skills**. Overall, the sessions enhanced **pitching abilities** and **business communication**, with the **Vice Chancellor's** guidance helping teams **prepare effectively** for the **competition**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

LGU Startup Team Wins GCU Pitch Battle

18

Ibtida – Business Incubation Center (BIC) at **Lahore Garrison University** participated in the **GCU Pitch Battle** on **April 13-14, 2026**, with **13 teams from Cohort 8**. **IFive teams** pitched their business **ideas**, **addressing problems**, **solutions**, **target markets**, and **revenue models**, followed by a **Q&A session**. The event concluded with **prize distribution**; **Safe Milk Diagnostics won 1st place** for its **strong business model** and **presentation**. The competition offered **participants valuable exposure**, enhancing their **communication skills**, **refining ideas**, and **boosting confidence** in pitching to stakeholders.

LCCI President Visits LGU

19

Faheem-ur-Rehman Sehgal, **President of the Lahore Chamber of Commerce and Industry**, visited **Lahore Garrison University** on **April 20, 2026**, to promote stronger **industry–academia collaboration**. He was accompanied by **Umar Saleem** and **Hamid Noor**. The visit was facilitated by **Rizwana Bashir** and **her team**. **Senior university leadership**, **faculty members**, and **students** attended the session. Discussions focused on aligning academic programs with **industry needs**, **promoting skill based learning** and **supporting innovation**. The **President** appreciated **LGU’s student-led initiatives**. The visit concluded with a tour of **campus facilities**, including the **Business Incubation Center (IBTIDA).**

“Creating opportunities for learning, engagement and meaningful impact.”

DFRSC–Punjab Police Internship

20

The **Digital Forensics Research and Service Center (DFRSC)** at **LGU**, in collaboration with **Punjab Police**, conducted a **professional internship program**. **Participants** received training in **digital forensics**, **evidence analysis**, and **cybercrime investigation**. Field **visits** and **hands-on sessions** helped **bridge theory** and **practice**, **preparing students** for **real-world challenges**.

“Creating opportunities for learning, engagement and meaningful impact.”

HBFC Housing Loan Awareness Sessions

21

Lahore Garrison University, in partnership with the **House Building Finance Corporation**, held awareness sessions on **housing loan facilities** for **faculty** and **staff** on **April 23 and 27, 2026**. The sessions, conducted at **Iqbal Auditorium**, featured **HBFC** representatives who discussed **loan eligibility**, **application procedures**, and **financing options** for **house construction**. This initiative aimed to assist employees in accessing reliable housing finance and was well attended.

“Creating opportunities for learning, engagement and meaningful impact.”

One Tech & AI Recruitment Drive 22

The **Industry Liaison Office** at **Lahore Garrison University (LGU)** organized a recruitment drive on **April 21, 2026**, with **One Tech and AI**, offering internships in **Software Development**, **Web Development**, **AI**, and **Social Media Marketing**. **Nineteen students** participated **(14 from Computer Science, 5 from Management Sciences)** and **learned** about **international hiring standards**. **Ten students** were selected, with results forthcoming. This initiative underscores **LGU's commitment** to enhancing student **employability** and **fostering global industry connections**.

“Creating opportunities for learning, engagement and meaningful impact.”

Manafa Talent Drive 23

The **Industry Liaison Office** at **Lahore Garrison University** hosted the **Manfa Talent Drive** on **April 16, 2026**, in **Usman Shaukat Hall**, focusing on technical roles such as **QA**, **backend (PHP Laravel)**, and **frontend (Nuxt.js, Vue.js)**. The event enhanced **student's recruitment knowledge** and **strengthened connections** with the **industry.**

“Turning learning into practical opportunities and stronger career pathways.”

PostEx Recruitment Drive 24

On **April 28**, **PostEx** hosted a recruitment drive at **Lahore Garrison University**, collaborating with the **Student Affairs Department** to link **students** with **job opportunities**. **Candidates** were screened as **PostEx representatives** discussed **job roles** and **career prospects**, highlighting **LGU's commitment** to enhancing **university-industry connections** and **supporting student's career transitions**.

“Connecting innovation, skills and technology with real-world impact.”

Entrepreneurship Training Session 25

The **Department of Management Sciences** at **Lahore Garrison University** conducted a **two-day** entrepreneurial training session on **“Dealing with Difficult People”** on **April 28–29, 2026**, at the **IBTIDA Business Incubation Center**. Led by **BBA students Zunaira Tahira** and **Aima Jamal**, under the guidance of **Dr. Aiza Hussain Rana**, the session focused on understanding **difficult behaviors**, improving **communication**, and **managing conflict** through **interactive activities** and **real-life scenarios**. The training provided practical insights for **handling interpersonal challenges** in **professional** and **entrepreneurial settings**, reflecting the **department’s commitment** to **developing essential soft skills.**

“Strengthening learning, teaching and the skills that shape tomorrow.”

LGU Academic Guest Lecture at University of Melbourne

26

Aiza Hussain Rana Associate Professor at **Lahore Garrison University**, delivered a **guest lecture** at The **University of Melbourne** on the impact of **artificial intelligence** in **recruitment**. Her session, titled **“Recruitment in the Age of AI,”** compared traditional hiring methods with **AI-driven approaches, emphasizing** the ongoing need for **human expertise** in **ethical hiring**. This engagement underscores **LGU’s commitment** to global **collaboration** and **thought leadership** in fields like **AI** and **Human Resource Management**.

"The future of recruitment lies not in replacing human judgment with AI, but in integrating intelligent technology with human expertise to make better hiring decisions." – Dr Aiza Hussain Rana

“Creating opportunities for learning, engagement and meaningful impact.”

IBTIDA 1st Seed Fund Committee Meeting

27

Lahore Garrison University held its **1st Seed Fund Committee Meeting** for the **Business Incubation Centre**, **IBTIDA**, on **May 4, 2026**, under **Dr. Rizwana Bashir's** guidance. **Students secured** over **PKR 800,000** to **develop entrepreneurial ideas**. The meeting included insights from **committee members Uzair Shahid**, **Minahil Zia**, and **Dr. Amina Rizwan**, as well as **LGU leaders** like **Prof. Dr. Muhammad Atif** and **Dr. Tahir Alyas**. **IBTIDA** aims to enhance the **entrepreneurial ecosystem** by providing funding, mentorship, and support to help students transform **innovative ideas** into **successful startups.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Entrepreneurial Mindset Guest Talk 28

The **Department of Management Sciences** at **Lahore Garrison University** hosted a **guest talk** on **“Entrepreneurial Mindset”** on **May 7, 2026. Mr. Faisal** discussed his **entrepreneurial journey**, **highlighting determination**, **confidence**, **honesty**, and **problem-solving** as essential for **success**. The event attracted significant attendance from **students** and **faculty**, reflecting strong interest in **entrepreneurial development**. **LGU** thanked **Mr. Faisal** for his **inspiring presentation**.

“Turning learning into practical opportunities and stronger career pathways.”

Levi's Recruitment Drive 29

Lahore Garrison University held a **recruitment drive** for **Levi's** on **May 21, 2026**, to fill **Assistant** and **Store Manager positions**. The event engaged **8th semester students** and **alumni**, reflecting **LGU's dedication** to improving **employability** and **linking students** with leading **brands** and **career opportunities**.

“Turning learning into practical opportunities and stronger career pathways.”

Revolution Pvt. Ltd. Recruitment Drive

30

Lahore Garrison University collaborated with **Revolution Private Limited** for a **Recruitment Drive** on **May 11, 2026**, connecting fresh graduates with **job opportunities**. The event included a Career **Counselling Panel** with **representatives** from **Revolution**, **HAYO**, and **Slickcall** discussing career growth. Out of **28 participants** in the written test, **10** were selected for **immediate job offers**.

“Creating opportunities for learning, engagement and meaningful impact.”

GDC at UMT Khaaka 5.0 Theatre Festival

31

Lahore Garrison University celebrates the **Garrison Dramatics Club's (GDC)** achievement at **Khaaka 5.0**, hosted by the **University of Management and Technology**. **GDC** secured **2nd place** in **Street Theatre** and **Abdul Moeez** won the **Best Costume Award** for his **performance**. This success highlights the **artistic talent** and **dedication of LGU students**, enhancing the **university's reputation at inter university events.**

“Transforming student innovation into market-ready opportunities.”

FYP Commercialization – LGU × Collab P × Tiksom

32

Lahore Garrison University entered into a **strategic collaboration** with **Collab P** and **Tiksom Limited** to launch the **University Final Year Product Development and Commercialization Program**. Through this initiative, students will transform innovative **final-year projects** into **industry-driven software** products aligned with **real-world opportunities**. Students will receive **technical mentorship**, **industry guidance** and **commercialization support** to take their ideas from **prototypes** to **market-ready solutions**. The initiative promotes **entrepreneurship**, **industry engagement** and **participation** in **Pakistan's digital economy**, supporting **SDG 8: Decent Work and Economic Growth**.

“Preparing students for the professional world through practical experience.”

Police Internship Programme 33

Sixteen students from **Lahore Garrison University** successfully completed the **Police Internship Programme** held from **16–31 July 2026**. The **internship** provided practical exposure to **modern policing**, **law enforcement procedures**, **public safety** and **community engagement** through direct interaction with **police professionals** and **field observations**. The experience strengthened students' **leadership**, **teamwork**, **communication** and **professional skills** while **promoting experiential learning** and **civic responsibility**, contributing to **SDG 8: Decent Work and Economic Growth**.

LGU VISION ON SDG 9

Lahore Garrison University (LGU) envisions a future driven by **innovation**, **technological advancement**, and **strong industry-academia collaboration**. In alignment with **Sustainable Development Goal 9 – Industry, Innovation and Infrastructure**, the university is dedicated to fostering a **culture of research**, **creativity**, and **entrepreneurship** that supports **sustainable industrial growth and resilient infrastructure**.

Reflecting its vision of being an inclusive **university nurturing skilled professionals** and **responsible citizens**, **LGU integrates innovation**, **technology**, and **ethical responsibility** into its **educational** and **research framework**. Through **conferences**, **exhibitions**, **industrial collaborations**, and **participation in innovation summits**, the university strengthens the bridge between **academia** and **industry**. By encouraging **students** and **faculty** to explore **emerging technologies** such as **AI**, **6G networks**, **Web3**, and **sustainable innovation**, **LGU** equips learners with the **expertise** and **mindset** to deliver practical, forward-thinking solutions. The **university** aims to **nurture innovators**, **skilled professionals**, and **responsible citizens** who drive **sustainable industrial development**, **digital transformation**, and **technological progress** at both **national** and **global levels**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

IBTIDA-BIC Orientation & Entrepreneurial Session

01

The **IBTIDA Business Incubation Center** at **Lahore Garrison University** held an **Entrepreneurial Session** for **Cohort 8 Startup Teams** on **October 2, 2025**, attracting over **150 attendees**, including **faculty** and **students** from **various disciplines**. Keynote speakers, **Mr. Arzish Azam** and **Mr. Shahroz Malik**, shared insights on the startup **ecosystem**, focusing on **AgriTech**, **AI**, and **Technology Entrepreneurship**, highlighting **resilience** and **innovation**. The event oriented new teams to the incubation process and mentorship programs, while exploring collaboration opportunities with **Future Fest** and **Ejad Farms**. **Manager Mr. Mubashar Mumtaz Virk** noted **LGU's commitment** to **innovation** and **entrepreneurship**, concluding the session with renewed enthusiasm for **entrepreneurial growth** at **LGU.**

“Creating opportunities for learning, engagement and meaningful impact.”

Express News Visit to DFRSC

02

A media team from **Express News** visited the **DFRSC** to feature **LGU’s** pioneering work in digital **forensics** and **cybersecurity**. The team interviewed **Associate Dean Mr. Kaukab Jamal Zuberi**, while **HOD Ms. Kausar Parveen** showcased the **labs** and **facilities**. The visit highlighted **LGU’s commitment** to **innovation**, **research**, and **academic excellence.**

“Creating opportunities for learning, engagement and meaningful impact.”

BASR Meeting & ERP Enhancements

03

A key meeting on **October 28, 2025**, organized by the **Registrar's** and **Controller of Examinations**, established a logistics plan for the **Fall 2025 midterm exams**, emphasizing a centralized departmental approach within normal class schedules. Additionally, the **ERP** team proposed enhancements for the **university's** website and digital portal to improve online services for **students** and **staff**. The **26th Board of Advanced Studies and Research (BASR)** meeting took place on **September 29, 2025**, at **Lahore Garrison University**, chaired by **Vice Chancellor Maj. Gen. Muhammad Khalil Dar**. Key discussions included enhancing graduate programs, research quality, and compliance with **HEC guidelines**, showcasing **LGU's dedication** to a strong research culture. **Dr. Aisha Khalid** coordinated the session.

“Creating opportunities for learning, engagement and meaningful impact.”

Blockchain & Web 3.0 Session 04

The **Management Science department** at **Lahore Garrison University** hosted a guest speaker session on **"Blockchain App & Web 3.0"** for **BBA students**, featuring **Dr. Fahad Rahman**, an expert in **Blockchain** and **AI**. **Dr. Rahman**, with a **PhD** from **Université Paris Cité**, shared insights on blockchain technology, his research on the **ASTRA** and **BMFA** frameworks, and trends in **Web 3.0**. The session encouraged discussions and inspired students to explore digital opportunities. The university thanked **Dr. Rahman** for enhancing the **academic experience** and **empowering future technology** and **business leaders.**

“Creating opportunities for learning, engagement and meaningful impact.”

NIC Lahore Cohort-3 Awareness Session

05

On **October 20, 2025**, **Lahore Garrison University** hosted an awareness session by the **National Incubation Center Lahore (NICL)** for aspiring **entrepreneurs**. Held at **Usman Shoukat Hall**, the session introduced students to opportunities in **NICL’s Cohort-03**, with representatives **Azka Farooq** and **Bilal Athar** discussing **mentorship**, **funding**, and **networking benefits** while sharing success stories. The event highlighted **LGU’s commitment** to fostering **innovation** and **connecting students** with **industry platforms** to transform ideas into **impactful ventures.**

“Creating opportunities for learning, engagement and meaningful impact.”

IBTIDA BIC Cohort-8 Orientation

06

LAHORE, **October 2, 2025** The **Ibtida Business Incubation Center** at **Lahore Garrison University** launched its **entrepreneurial drive** with an orientation for **Cohort 8 startup teams**, attended by over **150 participants**. The session featured talks from **Mr. Arzish Azam** and **Mr. Shahroz Malik**, who shared insights on **AgriTech**, **AI**, and **entrepreneurship**, encouraging students to transform ideas into ventures. The event strengthened connections between academia and industry, promoting an entrepreneurial mindset and collaborations with platforms like Future Fest and Ejad Labs.

“Creating opportunities for learning, engagement and meaningful impact.”

IBTIDA BIC Cohort-8 Induction Ceremony

07

On **October 15, 2025**, **Lahore Garrison University's Ibtida Business Incubation Center** welcomed its eighth cohort of **13 startup teams** during a ceremony with the **Vice Chancellor and faculty**. The event featured **motivational speeches** and a presentation by **Manager Mubashar Mumtaz**. Founders signed induction forms to officially join the **BIC program**, concluding with a **group photo** to commemorate their **entrepreneurial journey** and access to **mentorship** and **resources.**

“Creating opportunities for learning, engagement and meaningful impact.”

Hacktober Fest 2025

08

The **open-source community** at **Lahore Garrison University** thrived during **HacktoberFest 2025**, an event promoting **collaboration** and **innovation**. Supported by **GitHub**, **CNSL**, and **GDG** on **Campus LGU**, it attracted **students** and **tech enthusiasts** for a day of learning. The program included expert **talks** and a **panel discussion** on **open-source participation**, **empowering attendees** to connect with **global developer communities** and showcasing **LGU's commitment** to fostering open **innovation** and **collaboration.**

“Connecting innovation, skills and technology with real-world impact.”

LGU Open House 2025

09

Lahore Garrison University hosted **Open House 2025** on **December 3**, showcasing **student innovation** and **industry engagement**. Highlights included the **Final Year Project** Showcase, with students from **various departments**, particularly **Criminology** and **Computer Science**, presenting practical projects. Industry experts evaluated the presentations and provided insights on expectations. **Raheel Iqbal**, **Vice Chairman of P@SHA**, discussed industry trends. The event also featured a **Career Fair** and **Entrepreneurial Week 2025**, with activities like a **Business Gala** and **contests**, **culminating** in a **prize for the winning team**. Overall, **Open House 2025** demonstrated **LGU's commitment** to **hands-on learning** and **industry collaboration** for **student success.**

“Connecting innovation, skills and technology with real-world impact.”

HEC Visit to IBTIDA Incubation Center

10

A delegation from the **Higher Education Commission (HEC)** visited the **Ibtida Incubation Center** to evaluate its **facilities** and **programs aimed** at **fostering innovation** and **entrepreneurship**. The **HEC team** learned about **incubation initiatives**, **mentoring support**, and **industry connections** for **young entrepreneurs**. They met with incubated **startups** and **recognized** the **center’s role** in **nurturing entrepreneurial talent** and enhancing **university-industry collaboration**, aligning with **HEC’s vision** for **innovation** in **higher education.**

“Connecting innovation, skills and technology with real-world impact.”

DevFest Lahore 2025

11

Lahore Garrison University was **honored** to host **DevFest Lahore 2025**, **Google’s global flagship technology event**, in collaboration with **GDG Lahore**. The event brought together **Googlers**, **industry leaders**, **developers**, **faculty**, and **students** for **engaging discussions** on **emerging technologies**, **innovation**, and the **future of the digital ecosystem**. **Insightful tech talks** and **meaningful networking** highlighted the growing **strength** and **promise** of **Pakistan’s IT sector**. **Lahore Garrison University** remains committed to **strengthening industry–academia collaboration**, promoting **innovation-driven learning**, and **preparing future ready** graduates for the evolving **global technology landscape.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

LGU Business Incubation Center Recognized by HEC

12

Lahore Garrison University (LGU) has officially **Support the transformation of creative ideas** into **viable businesses**. Strengthen ties between **academia and industry**. Enhance **knowledge transfer** and **research commercialization**. Foster a **culture of innovation** and **self reliance** among **students** and **graduates**. recognized its **Business Incubation Center (BIC)** by the **Higher Education Commission (HEC)** under the **HEC BIC Policy 2021**. This recognition reflects **LGU's dedication** to **innovation** and **entrepreneurship**, offering support like **mentorship**, **training**, and **funding opportunities** for **students** and **alumni**. For **FY 2025–26**, the **BIC** is categorized as **"Y"** by **HEC**, with **annual performance evaluations**. **Vice Chancellor Maj Gen Muhammad Khalil Dar** emphasized the **BIC's** role in transforming ideas into **sustainable ventures** and **enhancing socio-economic development**. The center aims to **foster entrepreneurial** thinking and **strengthen academia-industry collaboration**, with continued support from **HEC** and **university leadership**. This recognition is a testament to **LGU’s vision** of transforming **innovative ideas** into **sustainable enterprises**. Our **BIC** will play a pivotal role in empowering our **academic community** and **contributing** to **socio-economic development** through **innovation** and **enterprise**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

VC Appreciates IEEE Competition Winners

13

The **Vice Chancelor of LGU** appreciated the **students** for their **achievement** and **commended** their **technical skils**, **teamwork**, and **dedication**. The success reflects the active role of the **IEEE-LGU Student Branch** in promoting **hands-on learning** and **competitive exposure.**

“Connecting innovation, skills and technology with real-world impact.”

CyberFest 2026 Coordination Meeting

14

A planning meeting for **CyberFest 2026** was held at **LGU** on **4–5 January 2026**, attended by **Mr. Mehar Muhammad Shaban Raza**, **Mr. Basim Nawaz**, and **Mr. Kaukab Jamal Zuberi**. The meeting focused on the **event’s themes**, **structure**, and **collaborations**, and concluded with the approval of **CyberFest 2026**, **emphasizing cybersecurity**, **innovation**, and **ethical digital practices**.

“Connecting innovation, skills and technology with real-world impact.”

LGU Wins at Computing Fest 2026

15

LGU’s Computer Science students won first place at **Computing Fest 2026** in **Lahore** with their project, an **Automatic Smart Dustbin** that **sorts waste**. Their achievement, recognized by **SUPARCO** for further development, showcases the **innovation** and **technical skills** of the **IEEE-LGU Student Branch.**

“Connecting innovation, skills and technology with real-world impact.”

Declaration of 2026 as the Year of Entrepreneurship

16

In **2026**, **LGU** embraces an **entrepreneurial mindset**, encouraging students to **think boldly**, act **decisively**, and **transform ideas** into **real-world solutions**. It’s about **spotting opportunities**, **taking initiative**, and **applying creativity** and **resourcefulness beyond the classroom.**
(Maj Gen Muhammad Khalil Dar, HI(M) (Retd.) Vice Chancellor Lahore Garrison University.)

“Strengthening learning, teaching and the skills that shape tomorrow.”

LGU Faculty at Winter Data School 2026

17

Three representatives from **Lahore Garrison University** attended the **Winter Data School 2026** on **Blockchain & AI** for **Business Excellence** at **Namal University** from **February 13–15, 2026**. The delegation included **Dr. Tahir Alyas**, **Mr. Kokub Jamal Zuberi**, and **Mr. Muhammad Shairoze Malik**. They engaged in sessions focused on **blockchain**, **AI applications** in **business**, and **digital innovation**, highlighting **LGU’s commitment** to advancing **research** and **innovation** in **emerging technologies.**

“Connecting innovation, skills and technology with real-world impact.”

IEEE Session: The AI-First World

18

The **IEEE LGU Student Branch** hosted **“How Students Can Think, Build and Compete in an AI-First World”** on **February 16, 2026**, at **Iqbal Auditorium**. Led by **Arslan Ihsan**, **CEO of Alif AI**, and **IEEE leaders** like **Dr. Yasir Saleem**, the session focused on **AI careers**, **project development**, and **market competition**. Students discussed **AI trends** and **industry expectations**, gaining insights that reflect **LGU's** dedication to **linking students** with **industry leaders** and **future learning opportunities.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Talk on Entrepreneurial Thesis Selection

19

The **Department of Psychology** at **Lahore Garrison University** hosted a talk on **“How to Select a Thesis Title with an Entrepreneurial Mindset”** on **February 10, 2026**, by **Prof. Dr. Rizwana Bashir**. The session guided students in selecting impactful research topics. **Vice Chancellor Major General (Retd.) Muhammad Khalil Dar** emphasized key entrepreneurial principles, such as **problem-first thinking** and **resourcefulness**. The event was attended by **final-year BS** and **MS students** and **faculty**, showcasing **LGU’s commitment** to **innovation** and an **entrepreneurial culture**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Skill2Success CEO Session on Agentic AI

20

The **LGU ACM Student Chapter**, in **collaboration** with **Skill2Success**, hosted a session on **Agentic AI** on **February 13, 2026**, at **Lahore Garrison University**. Led by **Syed Ali Nauman Gilani** and **Talha Javed**, the session aimed to **educate students** on the differences between **agentic** and **traditional AI**. Topics included autonomous system design, goal-driven agents, and real-world applications like **smart assistants** and **workflow automation**. Interactive demonstrations showcased **AI agents** in action, while discussions covered **ethical considerations** and **necessary skills** for the field. The event concluded with a **Q&A**, **prompting students** to explore **career paths** and **future trends** in **AI.**

FYP Brainstorming Session 21

The **Faculty of Computer Sciences** at **Lahore Garrison University** hosted an **FYP Brainstorming Session** on **February 20, 2026**, featuring guest speaker **Mr. Faizan Chughtai**, **CTO of Skylinx Technologies**. He emphasized the importance of **Final Year Projects (FYPs)** for **graduate's careers**, encouraging students to view them as **portfolio pieces** and **problem-solving endeavors**. Drawing from his **industry experience**, he discussed **technology trends** and **employer expectations**. Students participated actively in discussions to align their **projects** with **market needs**, reflecting **LGU's dedication** to **bridging academia** and **industry** in **tech career preparation.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

PAIDAR SME Grant Information Session

22

Lahore Garrison University held an information session on the **PAIDAR SME Grant Window** at the **Business Incubation Center**, focusing on funding opportunities up to **€200,000** with **50–70% matching grants** for **sustainable enterprises**. Organized with **UNIDO** and **EU funding**, it targeted sectors like **Digital Business Solutions** and **Clean & Green Solutions**. Attendees learned about the grant application process, eligibility, and scaling strategies. **LGU** encourages **student entrepreneurs** to utilize this **opportunity**, emphasizing the **importance of punctuality** and **formal business registration** for **eligibility**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

IEEE CIS Counsellor Appointment

23

Lahore Garrison University welcomes **Dr. Umer Iqbal** as the **Counsellor** for the **IEEE Computational Intelligence Society**. His role aims to **enhance student engagement** in emerging **technologies** and **boost research** in **computational intelligence** at **LGU**.

Commerce Innovation Summit

24

Natural Graze secured **3rd place** among **100 delegates** at the **Commerce Innovation Summit (Feb 25, 2026)**. **Rameez** and **Kainat Hayat** represented **LGU**, while **Team Vision Tech** also participated, reflecting **LGU’s** strong focus on **innovation and entrepreneurship.**

“Strengthening learning, teaching and the skills that shape tomorrow.”

Artificial Intelligence in Education Lecture

25

On **February 24, 2026**, **Dr. Bilal Siddiqui** delivered a lecture at **Lahore Garrison University**, emphasizing that **Artificial Intelligence (AI)** is now **integral to education**. He urged **faculty** and **students** to **embrace AI** as a tool for enhanced learning while stressing the **importance of critical thinking**. **Dr. Siddiqui** asserted, **“AI is here… but critical thinking separates us from the machine,”** encouraging independent **analysis** and **questioning** rather than **blind reliance** on **AI**. The session highlighted that the future will **favor** those who wisely use **AI**, guided by **human judgment.**

AI Seekho '26 Workshop

26

Lahore Garrison University launched its **Ramadan AI Seekho ’26 series** with a **workshop** titled **“AI Genesis – Ignite with Google AI Studio”** on **25 February 2026**. Led by **Rijja Masood** from **Neural Lab**, the session introduced students to **Google AI Studio** and **Gemini**, covering **prompt engineering techniques** and **featuring** a **live chatbot demonstration**. The interactive **workshop encouraged brainstorming** on **AI's applications** in **academic** and **professional projects**. This event **kicks off** a **series aimed** at enhancing **AI skills** among **students**, showcasing **LGU's commitment** to **developing digital competencies** and **connecting learners** with **industry experts.**

“Strengthening learning, teaching and the skills that shape tomorrow.”

Student's Industrial Tour to Haier Pakistan

27

Students from **Lahore Garrison University's Faculty of Management Sciences** visited **Haier Pakistan** for **industry exposure**, allowing **final-year BBA students** to gain insights into **production**, **assembly**, and **quality management**. They observed **operations** and **interacted** with **professionals**, enhancing their understanding of **quality control** and **supply chain practices**. This experience **bridges classroom** learning with **real-world application**, showcasing **LGU's commitment** to **experiential learning** and **career preparation**.

Appointment of Salim Ghauri NET as Professor of Practice

28

Lahore Garrison University has appointed **Salim Ghauri**, **CEO of NETSOL Technologies**, as **Professor of Practice Leadership and Entrepreneurship**. With extensive experience in **entrepreneurship**, **innovation**, and **technology**, he has significantly influenced **Pakistan's software industry**. In this role, he will **mentor students** and **conduct guest lectures**, bridging academic learning with **practical leadership**. The university aims to provide students with **industry insights** and **foster skills** for **leadership** and **entrepreneurship** in a **digital landscape**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

VC Meeting with CERT Pakistan

29

The **Vice Chancellor** of **Lahore Garrison University (LGU)** met with **Dr. Haider Abbas**, **Director General of CERT Pakistan**, to **discuss collaboration** and **emerging trends** in **cybersecurity**. The meeting highlighted the importance of **strengthening academic-industry links** and **preparing students** for challenges in **digital security.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Cyber Fest 2026

30

The second day featured a **Capture the Flag (CTF)** hacking competition, where teams tackled **cybersecurity challenges** in a controlled setting. The **Lahore Garrison University** team from the **Department of Criminology** secured **2nd position**, with **Sabra Bibi**, **Muhammad Waleed**, and **Hassan** representing the **university**. Alongside the competition, participants attended **hands-on cybersecurity training sessions**, gaining **practical exposure** to **tools** and **techniques** used in the field. Students from **multiple universities** took part, adding **diversity** and **energy** to the event. **LGU** appreciated the efforts of all **speakers**, **organizers**, and **participants**, making **CyberFest 2026** a **valuable learning experience.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Chemistry Students Visit Crown Foam Factory

31

Students of the **8th Semester**, **Department of Chemistry**, visited **Crown Foam Factory** on **16 April 2026** to gain **practical exposure**. Organized by the **Directorate** of **Student Affairs** and **Counselling**, the visit allowed students to **observe industrial processes** and **see real-world applications** of their **academic knowledge**. Such initiatives help bridge the gap between **classroom learning** and **industry practice**, preparing students for **future professional roles.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

LGU at Softec '26 IT Competition

32

Students from **Lahore Garrison University (LGU)** participated in **Softec ’26**, an **IT competition** on **April 18–19, 2026**, at **FAST National University**. Represented by **two teams**, **Bidlyzer AI** and **Medcodex AI**, they tackled **real-time tasks** under **time constraints**, successfuly delivering functional prototypes. The competition offered valuable **industry-style** experience, fostering **teamwork** and **innovative** problem-solving, and concluded with participants feeling more confident and prepared for their futures

“From ideas to action: nurturing innovation, enterprise and opportunity.”

LGU at Innovative Pakistan 2026

33

Lahore Garrison University (LGU) participated in the **Innovative Pakistan 2026** event on **May 18–19, 2026**, hosted by **The University of Faisalabad**. **Mr. Kaukab Jamal Zuberi** led a **Cyber Forensics Workshop** on the first day, covering **digital evidence** and **forensic analysis**. On the second day, **three LGU teams** showcased their **technology-driven projects** in an **innovation competition** alongside other universities. The event also included **project exhibitions**, **competitions**, **industry interactions**, and **MoU signings**, highlighting **LGU's commitment** to **cybersecurity**, **research**, **innovation**, and **industry collaboration**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

LGU Wins at ROBOCOM 3.0

34

Lahore Garrison University (LGU) proudly showcased its **innovation** and **engineering excellence** at the highly competitive **ROBOCOM 3.0**, organized by **Namal University**. Representing the **Garrison Engineering and Robotics Society (GERS)**, **LGU students** competed against top national institutions, including **Ghulam Ishaq Khan Institute of Engineering Sciences and Technology** and **NED University of Engineering and Technology**. With over **400 participants** from **28 universities** across Pakistan, LGU students stood out through their **creativity**, **technical expertise**, and **teamwork.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Agentic AI Workshop

35

The **Jinnah Auditorium** at **Lahore Garrison University** hosted the **Agentic AI Workshop** on **May 12, 2026**, organized by the **ACM LGU Student Chapter** and **Skill2Success**. Under the mentorship of **Syed Ali Nauman Gilani**, students learned the fundamentals of **Agentic AI** and **built AI agents** without **coding**. Participants engaged with **live systems** and **explored AI's principles**, **applications**, and **automation capabilities**. The event, attended by **university officials**, **highlighted LGU's commitment** to **emerging technologies**. Students gained practical **AI exposure**, received **participation certificates**, and learned about **internship** and **freelancing opportunities** in the field.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Industry 4.0 in Developing Nations

36

Prof. Muhammad Atif hosted a guest speaker session on **“Industry 4.0 in Developing Nations”** at **Lahore Garrison University** on **May 11, 2026**, featuring **Bilal Siddiqui**. Faculty members engaged in discussions on the **impact of technology**, **digital transformation**, and **STEM education** on economic growth. The session highlighted **historical innovations** like the **steam engine** and **modern agricultural technologies** as key to development. It concluded with a call to **invest in technology**, **innovation**, and **education for developing countries** to navigate the **challenges** and **opportunities** of **Industry 4.0**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

DMS Final Year Project Exhibition

37

The **Department of Management Sciences** at **Lahore Garrison University**, supported by the **Garrison Entrepreneurship Society**, held its **Final Year Project Exhibition** and **Industry Expert Panel Discussion** for **BBA** and **BSAF graduates**. A total of **31 projects** were showcased in three categories: **Business Idea**, **Case Study**, and **Empirical Research**. The event included a **panel discussion** on **“Entrepreneurial Mindset, AI, and Digitalization,”** featuring industry experts **Salman Nasir**, **Saqib Naqvi**, **Faisal Rauf**, **Tabinda Islam**, and **Tania Haider**, who provided valuable insights. This initiative underscores **LGU’s dedication** to **academic excellence** and preparing **future-ready business leaders**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Huawei ICT Global Competition Win

38

LGU Student **Wins 2nd Position** at **Huawei ICT Global Competition 2026**. **Nauman Sajjad** earns top honors in **China**, **bringing international recognition** to **Pakistan** and **LGU**. **Lahore Garrison University** proudly celebrates the achievement of **Nauman Sajjad**, a **6th Semester Computer Science student**, who secured **2nd Prize** in the **Computing Track** at the **Huawei ICT Global Competition 2026 in China**. To honor his success, **LGU** organized a **grand welcome** for **Nauman and his parents**. The **Vice Chancellor**, along with **university leadership**, **faculty**, and **students**, congratulated him on bringing **international recognition** to **Pakistan** and the **University**. In recognition of his achievement, the **Vice Chancellor** announced a **full scholarship** and **awarded him Rs. 50,000**. LGU also announced a **free summer training camp** on the **Global Computing Track** to prepare students for future international competitions. **Nauman’s accomplishment** reflects **LGU’s commitment** to **nurturing talent** and **excellence** in **technology and innovation.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

One Day One University at LCCI

39

On **June 4, 2026**, **Lahore Garrison University** and the **Lahore Chamber of Commerce & Industry** signed an **MoU** to **enhance collaboration** between **academia** and **industry**. This partnership focuses on **promoting internships**, **research**, **innovation**, **entrepreneurship**, and **skill development** for **students** and **faculty**. The agreement was signed by **Mr. Faheem Ur Rehman Saigol** and **Major General Muhammad Khalid Dar, HI(M) (Retd)**, in the presence of **notable guests** from both sectors.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

ORIC Steering Committee Review 40

The **Office of Research, Innovation and Commercialization (ORIC)** at **Lahore Garrison University** held its **Steering Committee Meeting** on **June 19, 2026**, to assess progress in **research** and **innovation** for **FY 2025-26**. Representatives from **academia** and **industry** attended, with **Dr. Tahir Alyas** presenting an **annual report** on achievements in **commercialization**, **international collaborations**, and **AI initiatives**. The **committee** recognized **LGU's national** and **international accolades**, including the **Best Vice Chancellor Medal** from **Kyungdong University**. They praised strategic initiatives for **AI** and **entrepreneurship** and **congratulated student Nauman Sajjad** for his second prize at the **Huawei ICT Global Competition**. The committee visited innovation projects at the **IBTIDA Business Incubation Center** and provided recommendations to enhance **LGU’s research ecosystem**. The meeting concluded with a screening of the student-produced **LGU Milli Naghma**, which received positive feedback.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Lean Manufacturing Workshop at UET Gujranwala

41

Prof. Dr. Muhammad Iqbal Hussain conducted a professional workshop on **“The Role of Lean in Future Manufacturing”** and evaluated **Final Year Projects** in **UET Gujranwala**, strengthening **academia-industry** collaboration through **hands-on learning** and **technical mentorship**. **Lahore Garrison University (LGU)** announces **Prof. Dr. Muhammad Iqbal Hussain's** participation in the **“Role of Lean in Future Manufacturing”** workshop at **UET Gujranwala** on **June 11, 2026**. The event focused on **waste reduction**, **quality improvement**, and **Industry 4.0**, featuring practical case studies. **Prof. Hussain** also evaluated **Final Year Projects**, offering feedback to enhance **student's skills**. **LGU appreciates** his representation and **UET Gujranwala's hospitality**, underscoring **LGU's commitment** to **academic collaboration** and advancing **Pakistan's manufacturing sector**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Project X'26 (FYP Showcase)

42

The **Departments of Software Engineering and Information Technology** at **Lahore Garrison University** held **ProjectX '26** on **June 19, 2026**, at **Usman Shaukat Hall**. The event included evaluations of **Final Year Projects** by **external experts** and **alumni**, allowing students to present their **projects receive** and **valuable feedback**. It concluded with a closing address by the **Dean** and a networking session that fostered **collaboration** between **alumni**, **industry professionals**, and **faculty**, promoting future **partnerships** in **research** and **innovation.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Digital Training for LGES Librarians

43

Lahore Garrison University conducted a training session on **Library Software** and **Digital Skills** for librarians from the **Lahore Garrison Education System**. Led by **Dr. Muhammad Asif Saleem** and **Mr. Hammad Shoukat**, the session focused on **modern library management** and **digital transformation**. Participants received **hands-on training** in **library management software** and **data management**, exploring **technologies** for **smart libraries**. The initiative aims to enhance **librarian's skills**, **improve resource organization**, and **promote digital innovation** in education.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

CS Research Team Earns International Recognition

44

LGU celebrates its **Faculty of Computer Sciences research team** for their paper **“GenEdge: Generative AI Framework for Automated Bias Detection and Debiasing in Machine Learning Systems with Multi-Agent Intelligence,”** accepted for presentation at the **IEEE International Conference** on **Responsible Artificial Intelligence (IRAI 2026)** in **Melbourne**. The team also passed the **international peer-review process** for the **IEEE Industrial Electronics Society Generative AI Challenge 2026**, **gaining global recognition** for **LGU** and **Pakistan** among **57 participating countries**.

“From ideas to action: nurturing innovation, enterprise and opportunity.”

AWS Student Builder Group Lead Appointment

45

Congratulations to **Faiqa Arooj** from the **Software Engineering Department** for becoming the **AWS Student Builder Group Lead at LGU**. Through this initiative, students will gain opportunities to **develop cloud computing skills**, expand their **professional networks**, and grow beyond the **classroom.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Five Awards at NERC 2026

46

Lahore Garrison University (LGU) celebrates the **Garrison Engineering & Robotics Society's success**, winning five national awards at the **NERC 2026**. Competing against over **257 teams**, **LGU** students showcased **exceptional innovation**, **technical skills**, and **teamwork**, bringing pride to the **university**

- 1st Position – Modular University Category
- Best Engineering Design Award
- Best Mechanical Design Award
- Runner-Up – Modular University Category
- 2nd Runner-Up – Indigenous Category
- 2nd Runner-Up – Modular University Category
- Semi-Finalists – Ready-to-Race Category

“From ideas to action: nurturing innovation, enterprise and opportunity.”

Human Nutrition Student's Visit to Sabroso

47

The **Department of Human Nutrition & Dietetics** organized an industrial visit to **Sabroso Industries Pakistan** on **June 18, 2026**, for **35 students** from the **Food Safety and Quality Management course**, accompanied by **faculty members**. Students toured production, packaging, and storage facilities, observing **HACCP**, **GMP**, and **food hygiene protocols**. Industry experts provided a briefing on **quality assurance** and **food safety standards**, offering students valuable practical exposure to industrial **food safety systems** and enhancing their **professional readiness** for careers in the **food** and **nutrition industry.**

“From ideas to action: nurturing innovation, enterprise and opportunity.”

International Research Grants from Norway

48

Dr. Nida Zafar, Chairperson and Associate Professor, Department of Psychology, Lahore Garrison University, has earned **consecutive international research grants** from the **University of Bergen** and the **University of Agder**, **Norway**, recognizing her contributions to **research** on **digital wellbeing.** In **2025**, she was awarded a competitive **€5,000 research grant** for the project "**Digital Wellbeing at Workplace.**" The grant supported a **30-day research stay in Norway**, covering **return airfare**, **local transportation**, **accommodation**, **meals**, and **research expenses**. Building on this achievement, **Dr. Zafar** received a **second competitive €5,000 research grant** in **2026** for the project "**Digital Wellbeing Interventions.**" The grant **again funded a 30-day research visit to Norway**, enabling continued **collaboration** with **international researchers** and **advancing evidence-based interventions** to **promote digital wellbeing.**

SDG 10

LGU VISION ON SDG 10

Lahore Garrison University (LGU) envisions an **inclusive** and **equitable society** where every individual, regardless of background, has access to equal opportunities for **growth** and **success**. In alignment with **Sustainable Development Goal 10 – Reduced Inequalities**, the university is committed to promoting diversity, inclusion, and social justice within its academic community and beyond.

Reflecting its vision of being an inclusive university nurturing skilled professionals and responsible citizens, LGU actively works to create an environment that values equality, respect, and mutual understanding. Through scholarships for underprivileged students, support for marginalized communities, and initiatives that celebrate cultural and religious diversity, the university fosters unity and empowerment. By bridging social and economic gaps through education, LGU prepares students to become compassionate, responsible citizens and skilled professionals who contribute to building a just, inclusive, and harmonious society where no one is left behind.

“Together in Diversity, United for Equality.”

Christmas Celebration 01

The **Community Service Club** of **Lahore Garrison University** celebrated **Christmas Day 2025** with **joy** and **inclusivity** on **Monday, 22 Dec 2025**, at **Iqbal Lawn**. Organized by the **Dean of Management and Social Sciences**, the event highlighted interfaith **harmony** and **solidarity** with **Christian brothers** and **sisters**. The celebration reflected **LGU’s** commitment to **inclusivity**, **harmony**, and **social responsibility**.

“Strengthening Equal Opportunities for Learners with Special Needs.”

LGU Delegation Visits Institute for Special Education

02

A **delegation** from **Lahore Garrison University**, led by the **Vice Chancellor**, visited the **Lahore Garrison Institute for Special Education** to discuss potential **academic collaboration**. They were welcomed by the **Chairman** and **Principal** of **LGISE**. After a briefing, the **Vice Chancellor** praised the **faculty ' s efforts**, and the visit ended with a **commitment** to pursue **structured collaborations** for **academic** and **professional development**.

“Bridging Social Gaps Through Compassion and Shared Moments.”

Iftar at SOS Children's Villages

03

5 March 2025 felt special. At **SOS Children’s Villages**, the **Vice Chancellor of Lahore Garrison University, Major General Khalil Dar (Retd), HI(M)**, joined the **children for Iftar**, along with **Dr. Ayaz Qaiser** and **Ali Hassan**. There were **games**, **laughter**, and **warm conversations** with the **children**. As **Iftar was shared** and **goody bags were given,** the evening quietly reminded everyone that **kindness**, even in **small moments**, **brings the biggest smiles**.

“Creating Inclusive Communities Through Care, Compassion and Connection.”

GSH Visit to Waduha Care Homes & Iftar with Children

04

The **Garrison Support Hub (GSH)**, **Lahore Garrison University**, arranged a visit to **Waduha Care Homes** where students spent **meaningful time** with the **children**, sharing simple moments of **joy** and **connection**. Sharing **Iftar** together added **warmth to the evening**, reflecting the **spirit of care** and **togetherness** that **Ramadan brings**. More than a visit, it was a chance to **connect**, to **give time**, and to carry forward **a sense of kindness** that stays **beyond the day**.

“Honoring Every Contribution, Building an Inclusive Workplace.”

Iftar with LGU Supporting Staff

05

Carrying forward a **meaningful tradition**, the **Community Service Club**, **Department of Management Sciences**, **once again turned appreciation into action**. Building on **last year’s initiative**, the club organized **Gratitude Gathering – A Special Iftar Evening for LGU’s** dedicated **first-level employees**. The evening showcased **care** and **togetherness** through **thoughtful arrangements** and **shared moments**, honoring those who work **behind the scenes**. It represents an **ongoing effort** to foster a **culture of recognition and kindness**.

“Making Every Child Feel Seen, Valued and Included.”

Visit to Ahmad Shehzad Foundation

06

The **Garrison Support Hub Society** shared **Iftar, distributed gifts, and spent time** with the **children** through **simple activities** and **games**, creating moments of **ease** and **happiness**. More than a visit, it was about **making them feel seen**, **valued**, and **remembered**. A **small effort**, but one that **carried care**, **connection**, and **quiet kindness**.

“Fostering Unity and Inclusion Through Interfaith Celebration.”

Easter Celebration 07

LGU celebrated **Easter with a joyful** event on **campus**, **uniting faculty**, **staff**, and **students** from its **Christian community** in a spirit of **inclusivity** and **togetherness**.

“Breaking Barriers, Creating Equal Opportunities for Rural Students.”

Gaon Connect: Inclusion in Action

08

Lahore Garrison University (LGU) hosted **“Gaon Connect: Inclusion in Action”** on **May 5, 2026**, attracting **250 guests** from **50 nearby villages** to **boost engagement** with **rural communities and promote higher education access**. The event highlighted the achievements of **students** from rural **backgrounds**, **showcasing their academic success** and **international endeavors**, **underscoring LGU' s commitment** to **inclusivity** and **educational empowerment** in **Punjab**.

“Amplifying Voices, Advancing Inclusion and Equal Rights.”

Voice of Inclusion” Drama Fest – Awareness on Disability & Minority Rights

09

The **“Voice of Inclusion”** Drama Fest was held on **May 4th** at **UET Lahore**, organized by **DDL Canada**, to raise awareness about the **rights of persons** with **disabilities** and **minorities** through **theatre**. It provided a platform for addressing **social issues** via **performance arts**. The **Garrison Dramatics Club** was **awarded a shield of appreciation** for their **outstanding original script writing** and **direction**.

“Building an Inclusive Pakistan Through Diversity and Interfaith Harmony.”

Pakistan Minorities Day Celebration – LGU, 11 August 2026

10

Lahore Garrison University organized a **Pakistan Minorities Day celebration** on **11 August 2026** at **Jinnah Auditorium under SDG 10: Reduced Inequalities**. The event was organized by **Ms. Dua Naz (Student of Psychology)**, **Mr. Haider Ali Tiwana (Student of Media Studies) GUMS Society**, and **SDG Coordinator** . The event brought together **distinguished guests** representing **diverse communities**, along with the **Vice Chancellor**, **Registrar**, **faculty members**, **staff members**, **SDG members**, **students**, and **approximately 400 participants**. The gathering highlighted the **importance of equality**, **respect**, **diversity**, **inclusion**, and **interfaith harmony**, reinforcing **LGU’s commitment to building an inclusive and peaceful Pakistan**.

LGU VISION ON SDG 11

Lahore Garrison University (LGU) envisions **building safe**, **resilient**, and **sustainable communities** through **education**, **innovation**, and **social responsibility**. In alignment with **Sustainable Development Goal 11 – Sustainable Cities and Communities**, the university is dedicated to fostering a **campus environment** that promotes inclusivity, safety, environmental stewardship, and civic engagement.

Reflecting its vision of being an **inclusive university nurturing skilled professionals and responsible citizens**, **LGU** integrates **sustainability**, **social awareness**, and **community service** into its **academic** and **operational framework**. Through initiatives such as the **establishment** of **community learning spaces**, **environmental conservation programs**, and, the **university** nurtures responsible **citizenship** and **sustainable living**. Efforts like **waste segregation**, **rainwater harvesting**, **reuse of ablution water**, **fire safety training**, and **cultural heritage celebrations** exemplify **LGU's dedication** to creating a **balanced**, **eco-friendly environment**. By empowering students to act as agents of **positive change**, **LGU** strives to **cultivate environmentally conscious** and **socially responsible professionals** who contribute to **building smarter**, **greener**, and **more inclusive communities** for a **sustainable future**.

Responsible Citizens Save Resources — LGU Turns Every Drop into Sustainability.

Smart Water Conservation for Sustainable Communities

01

Lahore Garrison University installed **20 sensor-based taps** in its washrooms to minimize unnecessary water wastage and promote efficient water consumption. The automated taps help ensure that water is used only when required, contributing to conservation of this valuable resource. This initiative reflects LGU's commitment to SDG 11: Sustainable Cities and Communities by promoting sustainable resource management and environmentally responsible practices within the university community. It also demonstrates LGU's role in fostering **responsible citizenship,** encouraging students, faculty, and staff to adopt sustainable habits and contribute to a cleaner, more resource-efficient environment.

"Building an Inclusive Pakistan Through Diversity and Interfaith Harmony."

Rescue 1122 Road Safety & First Aid Podcast

02

To mark Pakistan Resolution Day, **LGU Media & Broadcasting House** hosted a **podcast** with **Rescue 1122**, expertly moderated by **Ms. Tania from the Biology Department**. **Two representatives** from **Rescue 1122** educated the audience on **traffic safety**, highlighting that **75% of bike accidents are preventable**. They stressed that both **girls** and **boys** should **self-educate** on **road safety** and **actively spread awareness** to reduce **accidents**. Key advice included following **traffic rules**, **using valid licenses**, **wearing proper helmets**, **securing straps**, and **observing lane discipline**. The session also highlighted their **bike rescue service** for **faster response** in **narrow areas** and **emphasized** the importance of **first aid**, **life-saving skills**, and **firefighting**. They encouraged **training programs** ranging from **1 to 15 days** and explained that precise reporting of **emergencies—floor**, **room**, and **exact location—can save valuable time**.

“Building an Inclusive Pakistan Through Diversity and Interfaith Harmony.”

Iftar Honoring Rescue 1122 Heroes

03

Students at **Lahore Garrison University** hosted a **special Iftar** to honor **Rescue 1122** for their dedicated **life-saving service**. The event, attended by the **Vice Chancellor**, provided a platform to recognize **frontline workers** and **express gratitude** for their **commitment to public safety**. The gathering fostered **meaningful interaction** between **students** and **public service professionals**, reflecting the values of **compassion**, **unity**, and **respect** that **Ramadan inspires**. It underscored the importance of such **initiatives** in **nurturing a caring** and **connected society.**

“LGU Conserves Nature’s Gift – One Drop at a Time.”

Rainwater Harvesting Initiative 04

Lahore Garrison University has implemented a rainwater harvesting initiative by installing five tanks, each with a capacity of 1,000 liters, to support sustainable urban water management within its campus. The harvested rainwater is used for non-potable applications, reducing pressure on municipal water systems and conserving freshwater resources. This initiative demonstrates LGU’s commitment to SDG 11 (Sustainable Cities and Communities) by promoting resilient infrastructure, sustainable resource use, and environmentally responsible practices that contribute to a greener and more sustainable campus environment.

THALASSEMIA SCREENING CAMP 05

At Lahore Garrison University (LGU), a Thalassemia Awareness and Screening Camp has been established to promote community well-being and strengthen social sustainability. Fully funded by LGU, this initiative reflects the university’s commitment to building inclusive, healthy, and resilient

communities in line with SDG 11 (Sustainable Cities and Communities). To date, more than 6,000 thalassemia screening tests have been conducted among students and staff, supporting early detection, prevention, and informed decision-making. Through regular health screenings, awareness sessions, and responsible genetic counseling, LGU fosters a culture of preventive healthcare and social responsibility. These sustained efforts contribute to creating a healthier, more informed community, working toward the long-term goal of reducing and ultimately eradicating thalassemia.

Fostering Responsible Driving for Safer and Sustainable Communities

06

Lahore Garrison University (LGU) has established a Driving School to advance the goals of SDG 11 (Sustainable Cities and Communities) by promoting safe, inclusive, and sustainable urban mobility. This initiative provides students, staff, and community members with essential driving education, road safety awareness, and practical training to encourage responsible and eco-conscious driving practices. By reducing the risk of accidents, supporting traffic discipline, and fostering awareness about sustainable transport, LGU contributes to building safer, more resilient, and well-organized communities. Through this effort, the university reinforces its commitment to developing citizens who actively participate in creating sustainable and livable cities.

Sustainable Water Recharging Through Rainwater Conservation

07

Lahore Garrison University promotes responsible citizenship and sustainable resource management through its rainwater conservation and groundwater recharge initiative. The installed recharge system is designed to conserve rainwater and facilitate its infiltration into the ground, helping reduce water wastage and support long-term water sustainability.

The recharge system has a daily recharge capacity of 16,000 gallons, with a bore depth of 160 feet and a filter pipe length of 140 feet. The system uses gravel and reed as filter media to support the filtration and recharge process.

Through this initiative, LGU demonstrates that responsible citizenship begins with responsible use of natural resources, encouraging the university community to conserve every drop of water and contribute to a more sustainable environment.

Reuse of Ablution Water

08

Lahore Garrison University (LGU) has implemented an innovative system for the reuse of ablution water, reflecting its commitment to sustainable urban water management and environmentally responsible campus operations. The collected water from ablution areas is treated and repurposed for non-potable applications, such as irrigation and cleaning, thereby conserving freshwater resources and reducing pressure on municipal supplies. This initiative aligns with SDG 11 (Sustainable Cities and Communities) by promoting efficient resource utilization, sustainable infrastructure, and eco-friendly practices within the campus. Through this initiative, we as citizens foster a culture of sustainability, resilience, and environmental stewardship, contributing to the development of greener and more sustainable communities.

LGU VISION ON SDG 12

Lahore Garrison University (LGU) envisions a **culture of sustainability**, **resource efficiency**, and **environmental responsibility**. In alignment with **Sustainable Development Goal 12 – Responsible Consumption and Production**, the university is committed to promoting practices that **reduce waste**, **encourage recycling**, and **support the sustainable use of resources**.

Reflecting its vision of being an **inclusive university** nurturing skilled professionals and **responsible citizens**, **LGU integrates environmental stewardship** and **responsible practices** into both **education** and **campus life**. Through initiatives such as **recycling partnerships** and **creative projects** utilizing **waste materials**, the university raises **awareness** about **minimizing environmental impact** and **adopting circular economy principles**. By inspiring **students** and **the wider community** to act **responsibly**, **LGU empowers individuals** to **transform waste** into **opportunity** and **ensures** that **production** and **consumption patterns** contribute to a **cleaner**, **greener**, and **more sustainable planet**.

“Waste is Not the End, It’s a Beginning.”

"Signing of MoU with the Master Kabadiwala"

01

Lahore Garrison University (LGU) proudly formalized a partnership with Master Kabadiwala through the signing of a Memorandum of Understanding (MoU) on September 2, 2025. The initiative was led by the CEO of Master Kabadiwala, and Former Director at Kings College Lahore. The CEO of TrekXo Nexus also graced the occasion with his presence. This collaboration is designed to strengthen LGU’s commitment to sustainable practices and effective waste management across campus.

This partnership reinforces LGU’s commitment to SDG 12: Responsible Consumption and Production by reducing landfill burden, promoting a circular economy, and fostering sustainable practices. Our recycling initiative has delivered outstanding results, with the vast majority of collected waste successfully recycled. Only a small fraction was classified as non-recyclable, reflecting the effectiveness of proper segregation and collection practices. This achievement underscores our commitment to sustainability and the positive impact of structured recycling programs

LGU's Green Initiative: Turning Waste into Worth

02

LGU has taken an **eco-friendly** initiative by giving **9 tons of used paper** to a **recycling company**. Through this partnership, the waste paper is recycled into valuable material, and the financial worth generated from this process is used to make benches. This initiative promotes **sustainability and encourages** the smart reuse of resources, turning waste into something beneficial for the university community. It reflects LGU's strong commitment to **environmental conservation** and **creating a greener,** cleaner campus.

SDG 13

LGU VISION ON SDG 13

In observance of **World Environment Day**, **Lahore Garrison University (LGU)** organized a **seminar** and **awareness walk** focused on **smog** and its **hazards** to the **environment** and **human health**. The event aimed to **educate participants** about the **causes** and **consequences of smog**, **highlighting the importance** of **adopting sustainable** and **eco-friendly practices**. **Faculty members**, **students**, and **environmental experts** actively engaged in **discussions**, **sharing strategies** for **mitigating air pollution** and **safeguarding the planet** for **future generations**.

Reflecting its vision of being an **inclusive university** nurturing **skilled professionals** and **responsible citizens**, **LGU** used this initiative to **cultivate environmental awareness**, **social responsibility**, and **proactive citizenship** among its **community**. By **promoting greener actions** and **climate-conscious behavior**, the **university reaffirmed** its **commitment** to **Sustainable Development Goal 13 (Climate Action)**, empowering **students** and **staff** to **contribute** to a **cleaner**, **healthier**, and **more sustainable future**.

“Turning awareness into action for a more sustainable future.”

Earth Day 2026 Celebration

01

Lahore Garrison University observed **Earth Day** on **Monday, 13 April 2026**, through activities **promoting environmental awareness** and **student engagement**. The **awareness walk** was led by the **Vice Chancellor**, **Registrar**, **Dean of Basic Sciences**, and **Director SA&C**, joined by **students**, **faculty**, and **staff carrying banners** and **chanting “Save Earth, Save Life”** to promote **environmental responsibility**. A **poster competition** at **Usman Shaukat Hall**, organized by the **Environmental Saviour Society** and **Fanoon Society**, featured student **artwork** on **sustainability** and **environmental protection**, with **winners receiving prizes** for their **efforts**.

SDG 16

LGU VISION ON SDG 16

Lahore Garrison University envisions a **society rooted** in **justice**, **transparency**, and **ethical responsibility**, where **youth play** a **leading role** in **promoting peace** and **good governance**. By fostering **cybersecurity** expertise and **encouraging adherence** to **moral** and **legal principles**, **LGU** aims to build a **generation** that is not only **technologically proficient** but also guided by **strong ethical foundations** and civic integrity.

Reflecting its vision of being an **inclusive university** nurturing **skilled professionals** and **responsible citizens**, **LGU** strives to **cultivate responsible**, **law-abiding**, and **socially conscious individuals**. Aligned with **Sustainable Development Goal 16 (Peace, Justice, and Strong Institutions)**, the **university promotes education**, **awareness**, and **collaborative initiatives** to **combat corruption**, **support institutional trust**, and **uphold the rule of law**. Through these efforts, **LGU** empowers **students** and the **wider community** to **contribute** to a **safer**, **fairer**, and more **transparent society**.

“Turning awareness into action for a more sustainable future.”

Workshop on White-Collar Crime & Cyber Offenses

01

From **September 1–5, Mr. Kaukab Jamal Zuberi** led an **intensive workshop** on **white-collar crime**, **corruption**, and **cyber offenses**. Senior officials from **FBR**, **Customs**, **NAB**, and **Punjab Police**, along with **Barrister Zafar Kalanauri**, attended. The sessions covered **investigative techniques**, **digital forensic tools**, and **ethical practices**. Participants also toured the **DFRSC labs**, **fostering dialogue** on **collaboration** and **capacity building** in **cybercrime investigation**.

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

LGU MUN Society at FMH MUN 02

Twelve students from the **LGU MUN Society** proudly represented **Lahore Garrison University** at the **Fatima Memorial Hospital Model United Nations (FMH MUN)**, held from **September 19–21** during the **Lahore Debating Gala XII**. Their exceptional performance earned five awards, showcasing the society’s growing strength in debate, diplomacy, and public speaking. **Award Winners: Haseeb Wajid (BSSE, FA23) – United Nations Security Council – Honorable Mention Rana Ibrar (BSSE, FA23) – United Nations Security Council– Honorable Mention Komal Khan (BSBT, FA23) – United Nations Women Honorable Mention M. Hussnain Aziz (BSCS, FA22) – Pakistan National Assembly – Honorable Mention Meshal Fatima (BSSE, FA23) – United Nations Human Rights Council – Special Mention.** The event provided students with a valuable opportunity to engage in global discourse, sharpen negotiation skills, and represent LGU with confidence among delegates from top universities

“Creating opportunities for learning, engagement and meaningful impact..”

LGU Delegates at UMT Model United Nations 4.0

03

The **LGU MUN Society** continued its winning streak at the **UMT Model United Nations 4.0**, held from October 25–27, where 21 delegates represented Lahore Garrison University with great enthusiasm and skill. Out of these, **12 students won awards** across multiple committees, demonstrating LGU’s growing presence in the MUN circuit and its commitment to developing articulate, confident, and globally aware youth leaders. **Award Winners: Haseeb Wajid – Outstanding Diplomacy Award (United Nations Human Rights Council) Ibrahim Siddique – Outstanding Diplomacy Award (SPECPOL) Saahil Ibrahim – Honorable Mention (Crisis Committee) Hassan Abid – Honorable Mention (UN Security Council) Usman Saqib – Honorable Mention (UN Security Council) Aqsa Abbass – Special Mention (UN Human Rights Council) Laraib Khalil – Special Mention (UN Security Council) Iman Amir – Special Mention (UN Security Council) Tania Haider – Special Mention (UN Security Council) Musa Haroon – Special Mention (SPECPOL) Qirat Sarwar – Special Mention (SPECPOL) Maarij JuriUllah – Special Mention (UN Security Council)**

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

International Mediator Certificate Award

04

We extend our heartfelt congratulations to **Mr. Kaukab Jamal Zuberi, Director (DFRSC and ERP)** and **Associate Dean of Social Sciences** at **Lahore Garrison University**, on receiving the prestigious **International Mediator Certificate**. Awarded by the **Federal Secretary Law** after an intensive five days training program, this remarkable achievement highlights his dedication, professional excellence, and commitment to advancing knowledge and practice. His success brings great pride to Lahore Garrison University and serves as an inspiration for our academic community

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Kashmir Black Day

05

Lahore Garrison University commemorated **Kashmir Black Day** on **October 27, 2025**, with a ceremony organized by the **Directorate of Student Affairs** to show solidarity with Kashmiris. Brigadier Tahir Mehmood, the chief guest, delivered a powerful speech on their struggle, followed by insights from **Brigadier Adnan Ahmed Khan**. A poster competition showcased student creativity, with winners announced by the Dean of Social Sciences. The Garrison Music Society performed a tribute, while the **Media and Communication Studies Department** provided coverage, honoring the sacrifices of the Kashmiri people

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

IMINS "Snowden" Screening

06

The **Investigative Minds Society (IMINS)** at **Lahore Garrison University** held a screening of the film ***Snowden***, directed by **Oliver Stone**. Organized by **President Syeda Sabira** and **Vice President Muhammad Faizan**, the event engaged students from the **Department of Digital Forensics and Research Center**. The film, about **whistleblower Edward Snowden**, inspired discussions on digital privacy, government surveillance, and ethics in technology. This event highlighted **IMINS's dedication** to fostering critical thinking and digital awareness while showcasing student interest in digital forensics and data protection

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

DFRSC Cyber Challenge (Capture the Flag)

07

The **Investigative Mind Society (IMINS)**, under the **Digital Forensics Research and Service Center (DFRSC)**, hosted a **Capture The Flag (CTF)** competition at **Lahore Garrison University**. Participants tackled real-world challenges in web security, network analysis, and digital forensics, applying their investigative and cybersecurity skills in a team environment. The event promoted critical thinking, collaboration, and technical abilities, highlighting LGU's dedication to equipping students for the changing digital security landscape.

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

International Anti-Corruption Day Training

08

The **Department of Criminology** at LGU marked **International Anti-Corruption Day** on **December 9, 2025**, with a training session and study tour at the **Iqbal Auditorium**. **OBMP-131** and **CIDC course** participants learned about investigation methods and crime detection tools, showcasing the department's dedication to blending classroom education with practical experience for careers in law enforcement and security. LGU Criminology students learned real-world crime detection technique

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Journalist Safety Workshop 09

LGU **MPhil students** participated in the **three-day Journalist Safety Workshop 2025** at **Forman Christian College**, Lahore, focusing on safety, preparedness, and professional integrity. Day One featured reflections on Pakistan’s conflict landscape by **Prof. Dr. Altaf Ullah Khan**, moderated by **Dr. Syed Muhammad Saqib**, with sessions by frontline journalist **Xari Jalil**, **Dr. Huma Sadaf**, and **Abeer Saady** from **Germany**. Day Two included hands-on exercises in verification, risk assessment, and situational awareness, while Day Three highlighted newsroom safety, emergency protocols, and mental health considerations. Organized with **OsloMet– Oslo Metropolitan University**, the workshop equipped students with practical skills and reinforced the importance of safe, responsible journalism

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

APS Peshawar Martyrs Tribute

10

LGU Pays Tribute to **APS Peshawar Martyrs Lahore Garrison University** commemorated the martyrs of the Army Public School Peshawar tragedy on **December 16, 2025**, with a prayer ceremony at the **Fountain Ground** attended by faculty, staff, and students. The community honored the victims, expressed solidarity with their families, and reflected on unity and resolve against **violence**. This remembrance reaffirmed the university's commitment to peace, compassion, and human values.

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Guest Lecture on Global War on Terror

11

The Department of **Arts & Humanities** hosted a guest lecture by **Brigadier (Retd.) Tahir Mahmood** on **“U.S. Security Goals in the Global War on Terror and Its Impact on Democracy in Pakistan.”** The discussion focused on **U.S. security objectives** post **9/11**, Pakistan’s strategic significance, and the effects on **U.S.–Pakistan** relations and democracy, highlighting governance challenges, civil military relations, and democratic consolidation.

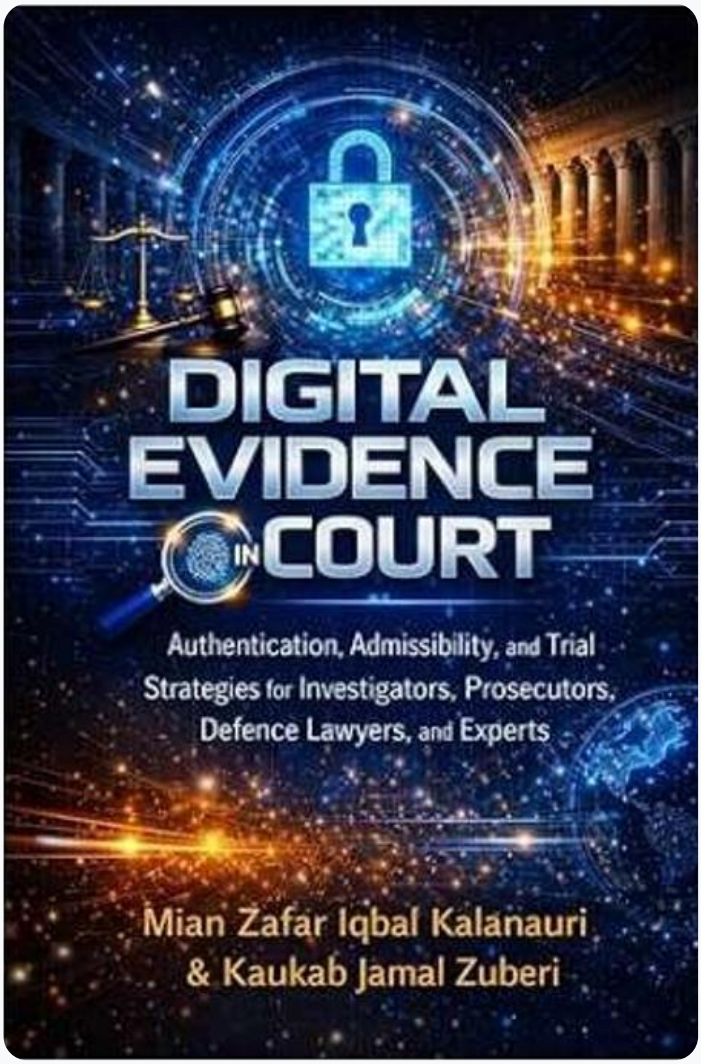

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Associate Dean Publishes Book on Digital Evidence

12

Lahore Garrison University proudly announces that **Mr. Kokab Zuberi**, **Associate Dean**, **Faculty of Social Sciences**, has published his **first book**, **Digital Evidence in Court: Authentication, Admissibility, and Trial Strategies** for Investigators, Prosecutors, Defence Lawyers, and Experts, now available on Amazon. The book is co-authored with **Zafar Iqbal Kalanauri** and provides a practical guide to handling digital evidence in court.

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Panel Discussion on Preventing Violent Extremism

13

On **February 12, 2026**, **Lahore Garrison University** hosted a panel discussion for the **International Day** for the **Prevention of Violent Extremism** at **Allama Iqbal Auditorium**. Organized by the Directorate of **Student Affairs and Counselling**, it featured experts and students discussing resilience strategies against violent extremism. Key topics included social media's role, intervention strategies, and safe educational spaces. Over **200 students** and a **Roshni Foundation** delegation attended. The discussion emphasized early intervention, family support, and community engagement while suggesting more interactive workshops for future events

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Pakistan Day Flag Hoisting Ceremony

14

Lahore Garrison University proudly marked **Pakistan Day**, honoring the **historic Lahore Resolution of 23rd March 1940**, a moment that shaped the foundation of our homeland. The celebration featured a patriotic Flag Hoisting Ceremony, bringing together faculty, staff, and students to pay tribute to the vision and sacrifices of our forefathers. The **Book Reading Club** also hosted a special book review to reflect on our history and ideals. Let us renew our commitment to unity, faith, and discipline, and work toward a stronger, prosperous **Pakistan**

“Empowering Ethical Minds through Quality Education”

PEMRA & Media Ethics Seminar

15

The **Department of Media and Communication** Studies at **Lahore Garrison University** held a seminar on **“Understanding Media Regulation: The Role of PEMRA in Shaping Ethical Journalism”** on **October 23, 2025**. Keynote speaker **M. Ikram Barkat**, **PEMRA's Director General**, discussed media ethics, legal frameworks, and journalists' responsibilities in **Pakistan**, highlighting the balance between **Freedom of Expression and Accountability**. The event included **Discussions** and a **Q&A Session**, providing students with essential insights into ethical standards in **Electronic Media**. The **Seminar** enhanced students’ knowledge of **Media Ethics**, **Regulation**, **Legal Frameworks**, and **Professional Responsibilities**, **Supporting Quality**, **Practical**, and **Industry-Relevant Education**.

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Responsible Citizen Lecture (NADRA)

16

The **Registrar Office and Directorate SA&C** hosted a session on **NADRA’s digital transformation**, emphasizing civic responsibility, ethical leadership, and national service. **Lahore Garrison University** hosted its inaugural lecture on **“Responsible Citizen”** on **May 18, 2026**, featuring **Ms. Fizza Shahid** from **NADRA Pakistan**. She discussed **NADRA's** advancements in digital identity and the significance of civic awareness, integrity, and personal responsibility for national progress. The event underscored LGU's dedication to nurturing ethically responsible future leaders.

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

OSINT for Cyber Crime Investigation Lecture

17

The **Department of Criminology** at **Lahore Garrison University** held a guest lecture on **“Cyber Crime Investigation Using OSINT”** on **May 21, 2026**, at **Allama Iqbal Auditorium**. **Muhammad Akram Mughal** delivered practical insights into cybercrime investigation and Open Source Intelligence (OSINT), offering students real world exposure to digital forensics. The department appreciated **Mr. Mughal** for his valuable contributions and professional guidance.

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Workplace Ethics & Professionalism Training

18

The **Department of Management Sciences** at **LGU** organized a training session on **“Workplace Ethics and Professionalism”** under the Learning and Development course. Conducted by student trainers **Shameer Bin Ahmed** and **Zainub Naveed** under the supervision of **Dr. Azia Hussain Rana**, the session focused on professional communication, etiquette, integrity, accountability, and respect through interactive discussions on ethical workplace behavior. The event was attended by **Dr. Shaukat Ali Brah** and the **Vice Chancellor as Chief Guest.**

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

The Dialogue Reborn (Stage Drama)

19

A stage adaptation of the **Melian Dialogue** explored the clash between **power** and **justice**, and the struggle of **moral voices** against **political force**. The **IR Society** at **LGU** staged **“The Dialogue Reborn”** on **May 19, 2026**, at **Iqbal Auditorium,** where students brought **Thucydides’ Melian Dialogue** to life through themes of power, justice, diplomacy, and resistance in modern politics. Dr. Kanwal praised the production for reviving an ancient debate in a contemporary context

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

LGU at UVAS MUN 3.0

20

Lahore Garrison University (LGU) sent **18 students** to **UVAS MUN 3.0**, where they engaged in discussions on international relations and global challenges. The delegates demonstrated strong **analytical** and **communication skills**, leading to successful participation with **12 receiving distinctions** such as **Honorable** and **Special Mentions**. This highlights LGU's commitment to developing critical thinking, leadership, and skills for addressing global issues

“Strengthening dialogue, responsible citizenship and peaceful institutions.”

Original Patriotic Song Launch

21

Lahore Garrison University Releases **Original Patriotic Song. Lahore Garrison University launched** a patriotic song celebrating **Pakistan's spirit and unity**, featuring vocals by **Alfaaz Malik**, lyrics by **Muhammad Umer**, and composition by **Ali Jan**. Produced by **Akash Pervaiz** and directed by **Rai Kamran Ali** at **Dot 9 Studios**, the music video emphasizes themes of **patriotism and national pride**, highlighting the university's dedication to creative expression and inspiring youth through music and visual storytelling.

LGU VISION ON SDG 17

Lahore Garrison University (LGU) is **committed** to **advancing Sustainable Development Goal 17 – Partnerships for the Goals** by fostering **meaningful collaborations** with **national** and **international institutions**. Through **strategic alliances** with **universities**, **industries**, **non-profit organizations**, and **community groups**, **LGU promotes research**, **innovation**, and **knowledge exchange** to address both **global and local challenges**. These **partnerships** bridge **academia** and **society**, encouraging collective action toward **sustainable growth and development**.

Reflecting its vision of being an **inclusive university** nurturing **skilled professionals** and **responsible citizens**, LGU engages **students**, **faculty**, and **stakeholders** in **collaborative initiatives** that **build skills**, foster **social responsibility**, and enhance **institutional capacity**. By participating in **joint projects**, **academic collaborations**, and **community-focused programs**, the **university champions** inclusivity, resource sharing, and global cooperation. Through a **spirit of unity** and **shared responsibility**, **LGU empowers individuals** to become **skilled professionals** and **responsible citizens** who contribute to a **sustainable**, **innovative**, and **mutually progressive future**.

“Building Global Academic Partnerships for a Sustainable Future – LGU × KDU.”

Connecting with Kyungdong University (Study Abroad Opportunities)

01

LA delegation from **Lahore Garrison University (LGU)**, led by **Vice Chancellor Major General Muhammad Khalil Dar, HI(M), (Retd)** comprised of **Muhammad Owais Rana**, **Consultant Internationalization** and **Dr. Nida Zafar**, **Head of Psychology Department**, visited **Kyungdong University Global (KDU)** in **Sokcho, South Korea — a prominent Englishmedium higher education institution** that **annually enrolls** over **500 students** from **70 countries**. A grand **matriculation ceremony** was held on **22nd September**, where **LGU Vice Chancellor** was **invited** as **one of the keynote speakers** marking a **significant milestone** in the **university's international engagement**. In his **address** and **meetings with the KDU leadership**, the **Vice Chancellor** highlighted **LGU's commitment** to **global academic collaboration** and **underscored** that **internationalization** is a cornerstone of **Lahore Garrison University's strategic vision**.

“LGU–UTAR: Connecting Minds, Advancing Research, and Building Global Academic Partnerships.”

LGU–UTAR Faculty Exchange Program

02

The **LGU–UTAR Faculty Exchange Program (14–26 July 2025)** at **Lahore Garrison University** aimed to strengthen **partnerships** between **LGU** and **Universiti Tunku Abdul Rahman (UTAR)**, **Malaysia**. **Faculty**, **researchers**, and **postgraduate students** participated in **workshops** and **lectures** focused on **research excellence** and **collaborative teaching**. Notable contributions included **Dr. Shabana Naveed's** training on **NVivo-based Thematic Analysis** for **qualitative research** and **Dr. Aiza Hussain Rana's** sessions on **Strategic Business Models** and **AI**. The program also included discussions on **curriculum alignment** and joint research to enhance **international collaboration** and **globalized course content**.

“From Collaboration to Innovation: LGU and PITAC Explore New Avenues for Partnership.”

LGU Faculty Visit to PITAC

03

On **25 September 2025**, faculty members from the **Department of Management Sciences** visited the **Pakistan Industrial Technical Assistance Centre (PITAC)**, located on **Ferozepur Road, Lahore**. The visit was led by **Prof. Dr. Muhammad Iqbal** and aimed to strengthen **industry–academia linkages**. The **LGU team** was welcomed by **Mr. Sohaib Rashid, Deputy Managing Director, PITAC**, along with his **team**. **PITAC**, operating under the **Ministry of Industries & Production**, **Government of Pakistan**, plays a vital role in **promoting technical innovation** and **industrial development** across the **country**. Discussions focused on **future collaboration**, **partnerships**, and **bilateral agreements** between **Lahore Garrison University** and **PITAC**. The dialogue explored **opportunities** for **joint initiatives** in **research**, **training**, and **innovation-driven projects** that could benefit both **undergraduate** and **postgraduate students**, as well as **faculty researchers**.

“Connecting Universities, Creating Opportunities: LGU Strengthens Global Partnerships.”

LGU at International Summit in Uzbekistan

04

Lahore Garrison University is forging new **pathways** for **global education**. **Vice Chancellor Maj Gen Muhammad Khalil Dar** and **internationalisation consultant Muhammad Owais Rana** represented **LGU** at the prestigious **1st Annual Summit** on **Global Academic Collaboration** in **Tashkent, Uzbekistan**. The high-profile forum, **co-hosted** by **Kyungdong University** and **Tashkent State University of Economics**, united leaders from **45 universities worldwide**. This participation underscores **LGU's active commitment** to enhancing **student mobility** and **creating academic opportunities** for its **students** and **faculty** in the dynamic **Central Asian states**.

“GU × FCT: Partnering to Empower Students as Civic-Tech Innovators.”

Civic Innovation Labs (Code for Pakistan)

05

On **October 21, 2025**, **Lahore Garrison University (LGU)** partnered with the **Foundation for Civic Tech (FCT)/Code for Pakistan to establish Civic Innovation Labs (CILs)**. The **MoU** was signed by **Dr. Tahir Alyas** and **Ms. Khunsa Khawar**, aiming to foster **digital innovation**, promote **student-led projects**, and **drive tech-enabled community solutions**. This **collaboration** reflects **LGU's commitment** to **developing responsible citizens** capable of making **positive societal changes**. The **LGU CIL** will be part of a **broader**, **interconnected network**. Each lab is led by a dedicated Lead responsible for **building** the **community and managing relationships** with **local partners**. To foster **collaboration** and **shared learning**, all Labs are connected through a **central online forum** where **volunteers** can share **stories**, **resources**, and **support each other's initiatives**.

“Strengthening Partnerships for AI, Cybersecurity, Research Excellence and Technological Innovation.”

IEEE ComSoc MoU Ceremony

06

On **October 23, 2025**, **Lahore Garrison University (LGU)** signed **two important Memoranda of Understanding** to enhance **technological education** and **research**. The event, organized by the **IEEE ComSoc Lahore Chapter at KICS**, **UET Lahore**, was led by **Dr. Tahir Alyas**. The **first MoU with IEEE ComSoc Lahore** establishes a **partnership** for the **AI Summit 2025**. The **second MoU** with **Prof. Dr. Fatima Hussain** focuses on improving **research** and **capacity-building** in **AI** and **Cybersecurity**. These alliances highlight **LGU's commitment** to **innovation**, **research excellence**, and **global engagement** in **technology**.

“Building Partnerships for Safer, More Inclusive Migration.”

MoU with Migrant Resource Centre (Safe Migration)

07

On **October 24, 2025**, **Lahore Garrison University (LGU)** partnered with the **Migrant Resource Centre (MRC)** to promote **safe migration**. A **Memorandum of Understanding** was signed to provide the **LGU community** with **vital information** about **global opportunities**. Key initiatives include: **Safe Migration Advocacy: Awareness sessions on the risks of irregular migration**. Access to **Global Opportunities: Information on study** abroad **programs** and **international jobs**. **Comprehensive Guidance: Expert advice on legal migration options**. The **partnership aims** for **widespread outreach** through student **networks** and **social media**, enhancing student **welfare** and **global readiness** while reinforcing **LGU's commitment** to **social responsibility**.

“From Pakistan to China: Expanding Global Partnerships for Academic and Commercial Innovation.”

Online Strategic MoU with Alibaba Group

08

Lahore Garrison University has reached a **significant milestone** under the **Belt** and **Road Initiative** by becoming the **first university** in **Pakistan to establish** a **formal international collaboration** with **Alibaba Intime Commercial Group Co., Ltd**. This partnership was **formalized** through an online **Memorandum of Understanding** with **Alibaba Group** and **GTEX ASIA SDN BHD**. The virtual signing reflects **LGU’s adaptive** and **forward-looking** approach to **global engagement**. Despite geographical **distance**, the collaboration brings **academia** and **industry** together to **promote innovation**, **applied learning**, and **knowledge exchange** between **China** and **Pakistan**. The partnership creates **pathways** for **future-ready learning**, **research**, and **commercial collaboration**, aligning **academic programs** with **global industry practices**. **Students** and **faculty** will gain exposure to emerging **technologies**, **digital commerce**, and **international business models**. This achievement highlights **strong leadership** and **dedicated teamwork** at **LGU** and **marks** an **important step** toward **deeper international cooperation** and a **stronger global presence** for the **university**.

“Partnering for Progress: Empowering Educators through Collaboration and Knowledge Sharing.”

LGU-LGATE MOU 09

On **December 15, 2025**, **Lahore Garrison University (LGU)** signed a **Memorandum of Understanding** with **Lahore Garrison Academy** for **Teacher Education (LGATE)** to enhance **teacher education** and **professional development**. The ceremony included **LGU' s Vice Chancellor** and **senior leadership** from **Lahore Garrison Education System (LGES)**. The agreement **facilitates academic validation**, **faculty support**, **joint research**, and **specialized training** for **LGES teachers** to **improve capacity** and **innovation in education**.

“LGU–NetSol: Building Strategic Partnerships for Technology and Innovation.”

NetSol CEO Inaugurates CS Laboratory at LGU

10

Lahore Garrison University (LGU) inaugurated its **Computer Science Laboratory** with **Mr. Salim Ghauri, CEO of NetSol Technologies**, as the **chief guest**. He was briefed on **LGU' s academic initiatives** and **toured the facilities**. **Mr. Ghauri**, a prominent **entrepreneur** with a **Computer Science degree** from the **University of Brighton**, **founded NetSol Technologies** in **1996**, which has become a **global software leader**. The inauguration highlights the **partnership** between **LGU** and **NetSol**, solidified by an **MoU signed on November 19, 2025**, focusing on **collaboration** in **IT education** and **innovation**.

“LGU–ORION: Building Collaborative Pathways for Academic and Community Impact.”

LGU SIGNS MOU WITH ORION THERAPY CENTRE

11

Lahore Garrison University (LGU) hosted the **Memorandum of Understanding (MoU)** signing ceremony with **ORION Therapy Center** on **12 January 2026**. The **MoU** was signed by **Ms. Fareeha Laique Chishty**, **Director**, **ORION Therapy Center**, and **Maj Gen Muhammad Khalil Dar, HI(M) (Retd.), Vice Chancellor, Lahore Garrison University**. The agreement marks an **important step** toward **strengthening collaboration** in **therapeutic** and **academic initiatives**. **LGU SIGNS MOU WITH ORION THERAPY CENTRE** The ceremony reflected **LGU’s commitment** to **meaningful partnerships** that **promote innovation**, **professional development**, and **community welfare**. The **University** looks forward to **productive collaboration** and **joint initiatives** with **ORION Therapy Center**.

“Strengthening Partnerships among Academia, Industry and Policymakers to Advance AI, Cybersecurity and Criminology Research.”

LGU AND IEEE LAHORE SECTION SIGN MOU FOR AI2CF-2026

12

On **January 22, 2026**, the **IEEE Lahore Section** and **Lahore Garrison University** signed a **Memorandum of Understanding** at **UET Lahore**, to cosponsor the **IEEE First International Conference on Artificial Intelligence for Cyber and Crime (AI2CF-2026)**. This **MoU aims** to foster collaboration in **research** and **innovation** in **artificial intelligence**, **cybersecurity**, and **criminology**, creating a **global platform** for **academia**, **industry**, and **policymakers**. The agreement was signed by **Maj Gen Muhammad Khalil Dar (Retd) for Lahore Garrison University** and **Dr. Yasir Saleem for IEEE**, with coordination from **Engr. Kashif Bashir**, **Prof. Dr. Majid Hussain**, **Mr. Kaukab Jamal Zuberi**, and **Dr. Kausar Parveen**.

"Strengthening Partnerships for Collaborative Research, Inclusive Development and Community Engagement."

LGU SIGNS MOU WITH ROSHNI ASSOCIATION TO PROMOTE INCLUSIVE RESEARCH

13

Lahore Garrison University signed a **Memorandum of Understanding** with **Roshni Association** to enhance **collaboration** in **research** and **inclusive development**. The **Roshni delegation**, including **Mr. Muhammad Zahid Durrani**, **Mr. Alexander Keuhne**, and **Dr. Aamir Rizvi,** discussed **LGU' s academic vision** and **opportunities** for **joint initiatives**. They explored **partnerships** for **research**, **training**, and **community projects**, and **participated** in a panel for the **International Day** for the **Prevention of Violent Extremism**, focusing on **awareness** and **community engagement**. This partnership underscores **LGU' s commitment** to **meaningful collaboration** and **social well-being**.

"Connecting Global Academia through Scholarly Exchange and Collaborative Learning."

LGU Explores Academic Collaboration with University of Melbourne

14

Lahore Garrison University met with the **University of Melbourne** to discuss **academic collaboration opportunities**. The meeting attended by **key faculty members** and **organized by Prof. Dr. Rizwana Bashir** and **others**, focused on **joint webinars**, **scholarly exchanges**, and **strengthening partnerships**. This session was a positive step towards **establishing international academic linkages and future cooperation**.

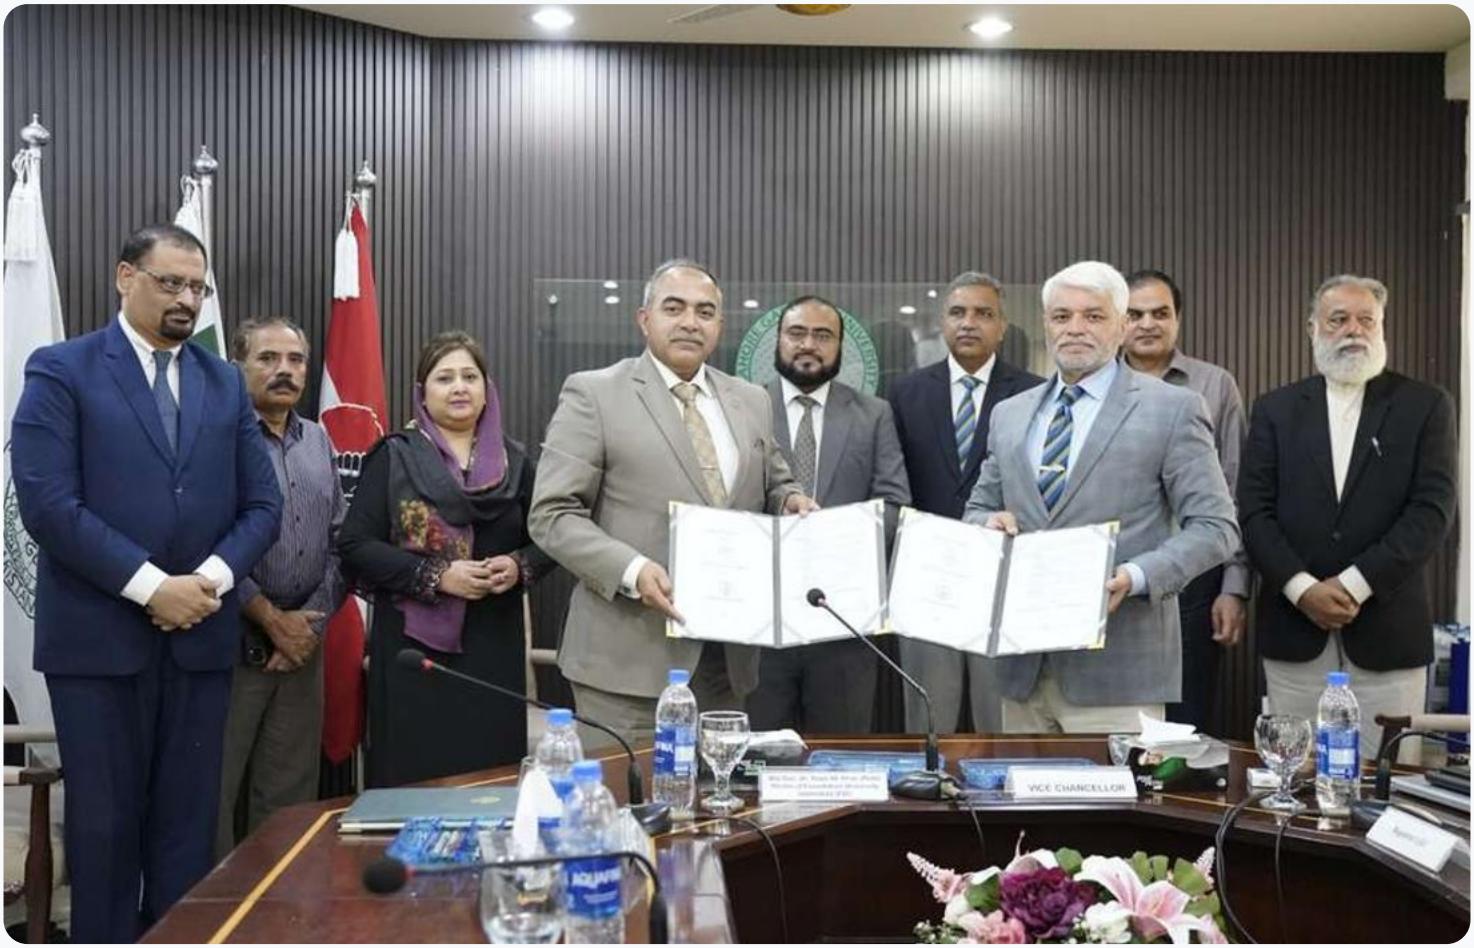

“LGU–FUI: Building Stronger Research Networks through Academic Collaboration.”

MoU signed with Foundation University Islamabad

15

Lahore Garrison University and **Foundation University Islamabad** signed a **Memorandum of Understanding (MoU)** on **April 6, 2025**, at **LGU’s Conference Room** to **promote academic** and **research collaboration**. The ceremony was attended by **Raza Ali Khan**, **Rector FUI**, and **Amir Gulzar**, **Registrar FUI**, whose presence marked the **formalization of this partnership**. The **MoU** focuses on **joint research** across **multiple disciplines**, **co-supervision of PhD research**, **academic exchanges**, and **collaborative seminars**, **workshops**, and **conferences**. It also encourages joint **publications** in **ISIindexed journals** and **supports efforts** aligned with the **UN Sustainable Development Goals (SDGs)**. This partnership reflects a **shared aim** to advance **academic excellence**, **innovation**, and **meaningful research collaboration**.

“Preparing Students for the Future with Practical Skills in Agentic AI.”

MoU with Skill to Success at the National Aerospace Science & Technology Park (NASTP)

16

Lahore Garrison University (LGU) took a **significant step** in enhancing **student learning** in **emerging technologies** by signing a **Memorandum of Understanding (MoU)** with **Skill to Success** at the **National Aerospace Science & Technology Park (NASTP)**. The agreement, signed by **Muhammad Zubair Riaz** and **Syed Ali Nouman Gilani**, focuses on providing practical **AI learning opportunities**. **LGU students** will **participate** in upcoming **Agentic AI sessions** and an **AI Summer Bootcamp** at **NASTP**, aiming to equip them with **skills** to **develop systems** for **real-world problem-solving** beyond basic **AI use**.

“LGU–UniMAP: Building Bridges for International Academic Collaboration and Research Excellence.”

LGU SIGNS MOU WITH UNIVERSITI MALAYSIA PERLIS

17

Lahore Garrison University (LGU) and **Universiti Malaysia Perlis (UniMAP)** signed a **five-year Memorandum of Understanding** on **June 18, 2026**, to enhance **academic cooperation**. The agreement, signed by **LGU' s Vice Chancellor Maj. Gen. Muhammad Khalil Dar** and **UniMAP' s Vice Chancellor Dato ' Prof. Ts. Dr. Zaliman Sauli**, includes **student** and **faculty exchanges**, **collaborative research**, and **joint events**. **Prof. Dr. Muhammad Iqbal Hussain** will represent **LGU** in this **partnership**, which aims to expand **LGU's global academic network** and **foster research excellence**. The signing ceremony was attended by **senior officials** from **both universities**, marking a **significant step** in **LGU' s international collaboration efforts**.

“MoU aims to expand research, innovation, internships, and entrepreneurial opportunities for students and facult.”

LGU PARTNERS WITH LCCI TO ADVANCE INDUSTRY ENGAGEMENT

18

On **June 4, 2026**, **Lahore Garrison University** and the **Lahore Chamber of Commerce & Industry signed an MoU** to **enhance collaboration** between **academia** and **industry**. This partnership focuses on **promoting internships**, **research**, **innovation**, **entrepreneurship**, and **skill development** for **students** and **faculty**. The **agreement** was signed by **Mr. Faheem Ur Rehman Saigol** and **Major General Muhammad Khalid Dar, HI(M) (Retd)**, in the presence of **notable guests** from both **sectors**.

“A strategic partnership with Collab P and Tiksom empowers students to transform innovative final-year projects into marketready products with global commercialization opportunities.”

LGU Partners with Collab P and Tiksom

19

Lahore Garrison University (LGU) has taken a **significant step toward** fostering **innovation** and **entrepreneurship** by **signing** of a **strategic Memorandum of Understanding (MoU)** with **Collab P** and **Tiksom Limited** to launch the **University Final Year Product Development & Commercialization Program**. Under this **pioneering initiative**, **LGU students** will transform their **final year projects** into **industry-driven software** products aligned with **real-world opportunities** in the **U.S. State**, **Local Government**, and **Education (SLED) markets**. Through **Collab P’s** access to the **U.S. SLED ecosystem** under the **strategic initiative of SIFC**, and **Tiksom’s expertise** as a **technology** and **implementation partner**, **students** will **receive technical mentorship**, **industry guidance**, and **commercialization support** to take their **ideas** from **prototypes** to **market-ready solutions**.

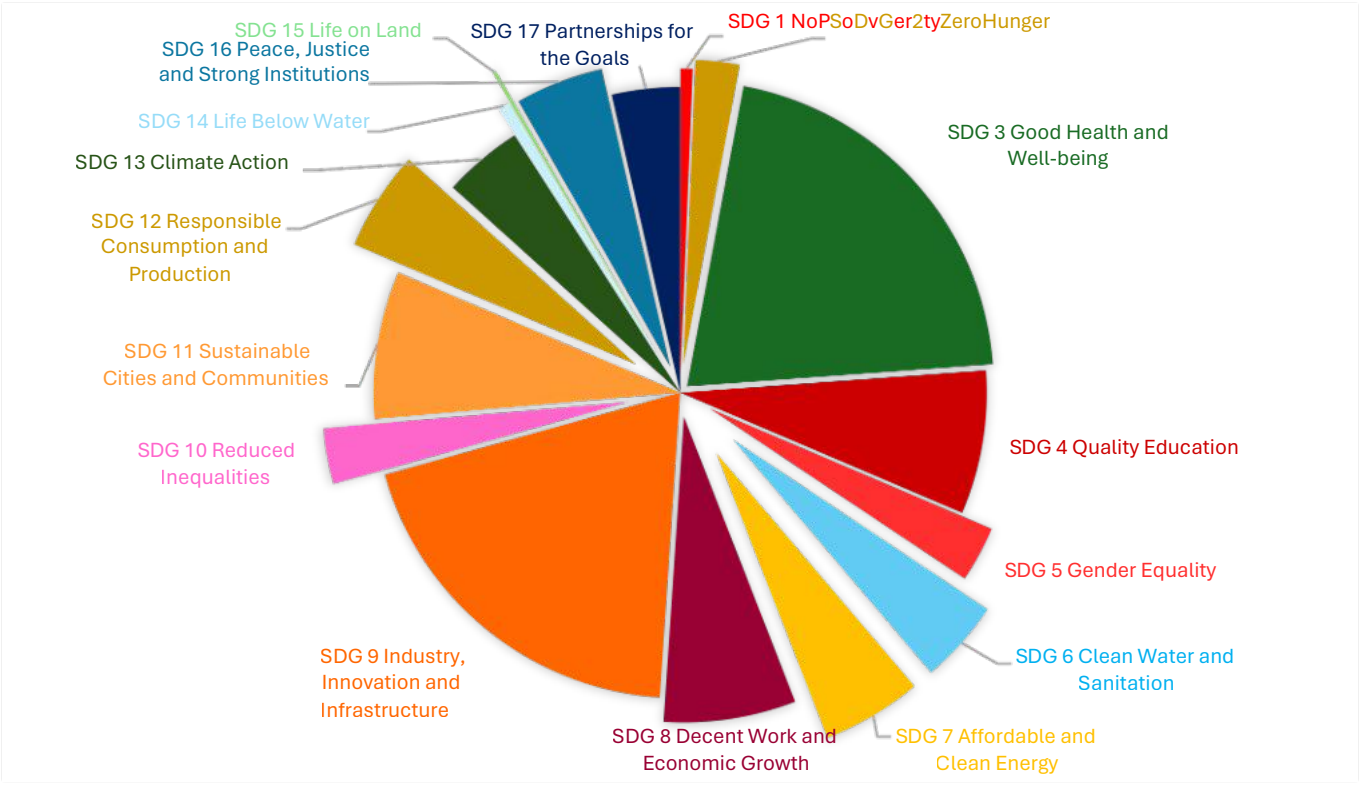

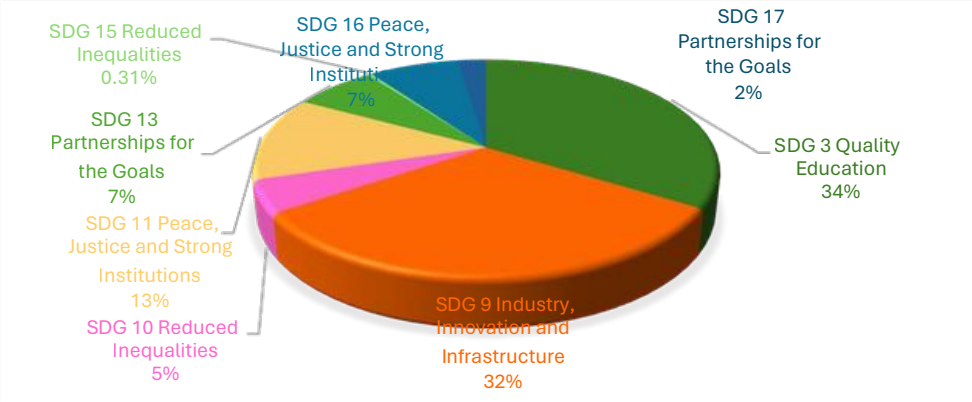

RESEARCH PUBLICATIONS CONTRIBUTIONS

During the academic year **2025–2026**, **faculty members** and **Students** of **Lahore Garrison University (LGU)** made significant **contributions** to **research** and **innovation** through publications in **reputed national** and **international journals**. Covering diverse academic disciplines, this research reflects **LGU's commitment** to **academic excellence**, **knowledge advancement**, and **addressing global challenges** through the **UN Sustainable Development Goals (SDGs)**. The research output strengthens the **university's academic profile** while demonstrating its focus on **impactful** and **solution-oriented scholarship**. The following charts present the percentage distribution of LGU's research **publications** and their alignment with various **SDGs** during the academic year **2025–2026**.

"Aligning Research and Publication Practices with the 17 Sustainable Development Goals"

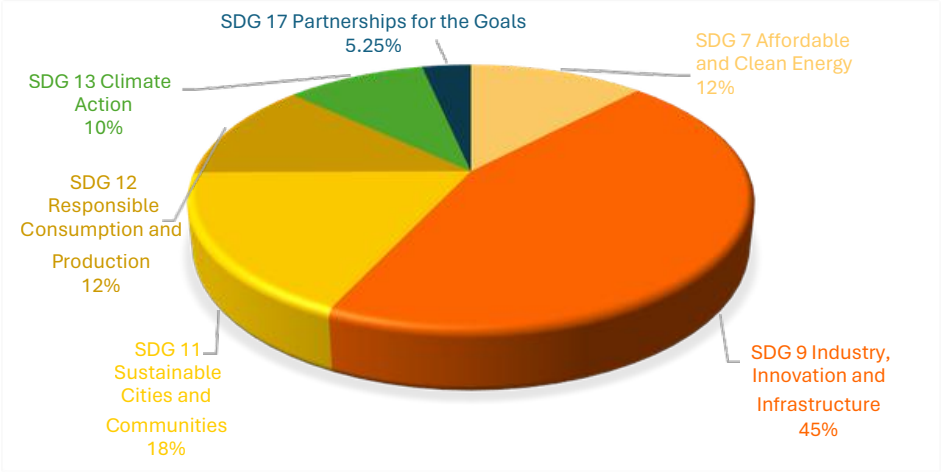

Setting and Infrastructure

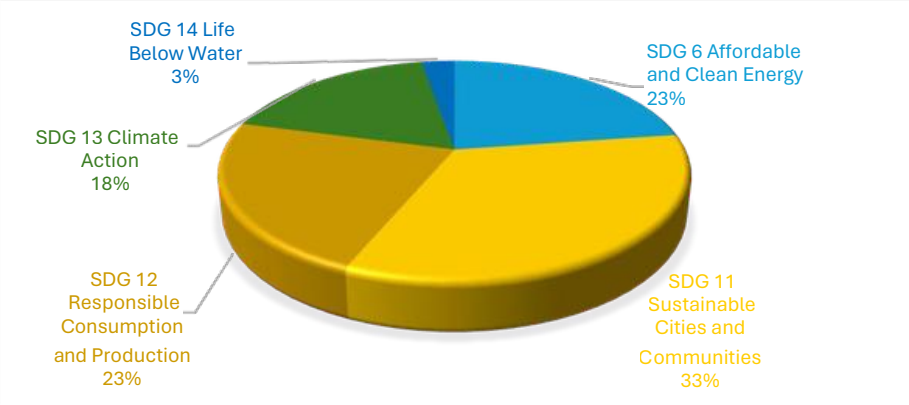

The **primary emphasizes Setting** and **Infrastructure portfolio** is aligned with **health, well-being**, **infrastructure**, and **innovation**, with **SDG 11 (13%)** and **SDG 16 (7%)** representing additional significant contributions. The findings also indicate an emerging focus on **partnerships** and **collaborative** research.

Energy and Climate Change

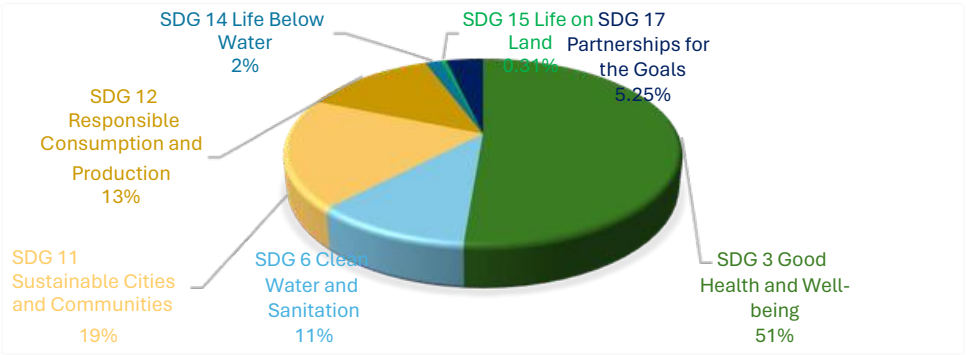

The **Energy and Climate Change portfolio** is primarily aligned with **SDG 9 (45%)**, highlighting research in **technological innovation** and **sustainable infrastructure**. **SDG 11 (18%)** follows, while **SDGs 7** and **12 (12% each)** reflect **clean energy** and **responsible consumption**. **SDG 13 (10%)** further demonstrates the **portfolio's contribution** to **climate action**.

Water

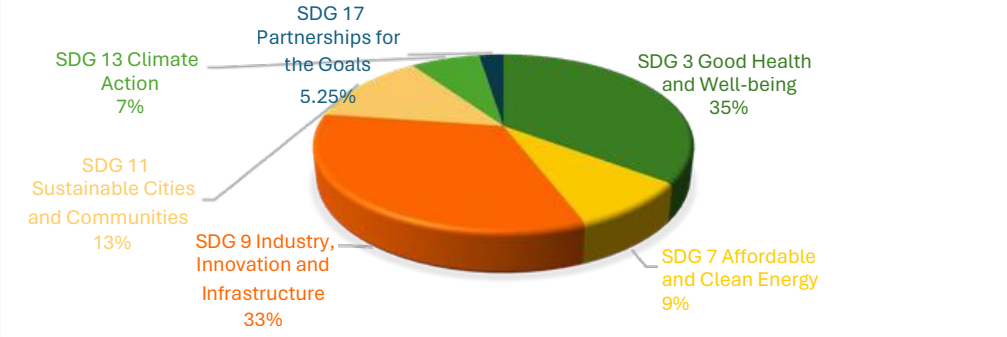

The **Water portfolio** is mainly aligned with **SDG 11 (33%)**, followed by **SDGs 6** and **12 (23% each)**, reflecting **sustainable water management**, **sanitation**, and **resource efficiency**. **SDG 13 (18%)** highlights **climate-resilient water systems**, while **SDG 14 (3%)** reflects emerging **aquatic ecosystem research**.

Waste

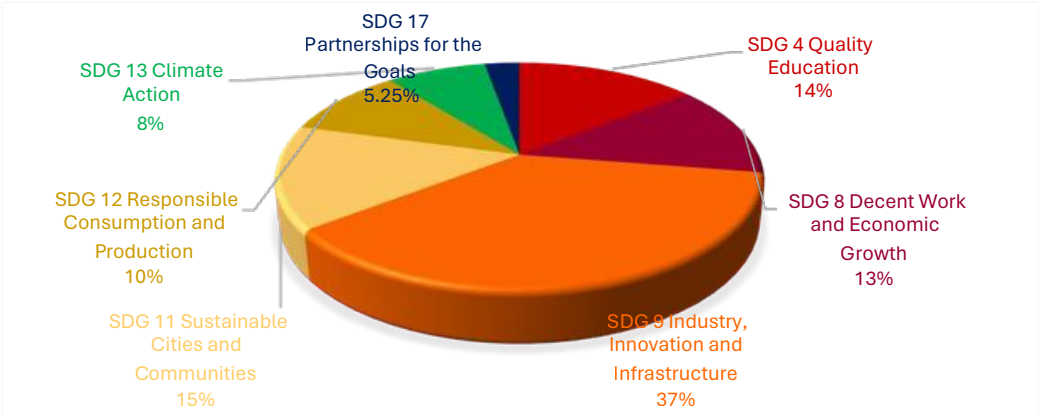

Waste portfolios are predominantly aligned with **SDG 3 (51%)**, followed by **SDG 11 (19%)** and **SDG 12 (13%)**. Contributions to **SDGs 6**, **14**, and **15** account for **11%**, **2%**, and **0.31%**, **respectively**, demonstrating the **portfolio's research contribution** to **public health**, **sustainable development**, and **environmental protection**.

Transportation

Good Health and Well-being (35%), as the **leading priority**. Strong **representation** in research **publications** and reflecting attention to the **health** outcomes of **mobility**, **air quality**, and **road safety**. **Industry, Innovation and Infrastructure (SDG 9)** represents **33%** of output, underscoring the **portfolio's core focus** on **transport infrastructure** and **technology**. **Sustainable Cities** and **Communities (SDG 11)** contributes **13%**, and **Affordable and Clean Energy (SDG 7)** a further **9%**, reflecting research on **low-carbon** and **integrated urban mobility**. **Climate Action (SDG 13)** accounts for **7%** of **publications**, consistent with growing research interest in decarbonizing the **transport sector**.

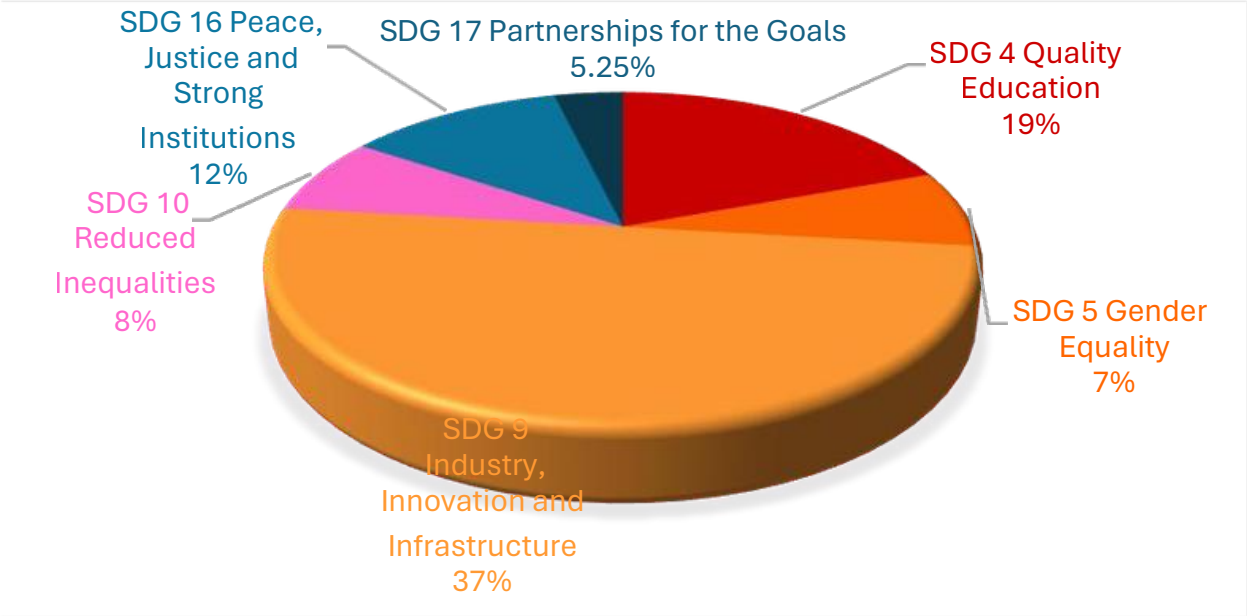

Education and Research

Priorities across the **SDGs**, **Industry**, **Innovation** and **Infrastructure (SDG 9)** holds largest share accounting **37%**, reflecting a **strong emphasis** on **innovation-driven** and **research-intensive** approaches to education. **Sustainable Cities** and **Communities (SDG 11) contributes 15%**, followed by **Quality Education (SDG 4)** at **14%**,

directly reflecting the **portfolio's core educational mandate**. **Decent Work and Economic Growth (SDG 8)** accounts for **13%** of publications, highlighting research on the links between **education**, **skills development**, and **employment outcomes**. **Responsible Consumption** and **Production** and **Climate Action** contribute **10%** and **8%** respectively, evidencing growing attention to **sustainability** within **education** and **research**.

Governance and Digitalization

The **Governance and Digitalization portfolio** advances **five SDGs**, with **SDG 9 (37%)** leading through research on **digital transformation**, **institutional modernization**, and **innovation infrastructure**. **SDG 4 (19%)** highlights contributions to **quality education and knowledge transfer**, while **SDG 16 (12%)** reflects the portfolio's focus on **effective governance and strong institutions**. **SDGs 5** and **10 (8% each)** demonstrate continued emphasis on **gender equality**, **inclusion**, and **equitable digital access**.

“

Sustainability is not just a goal,
it is a **responsibility** we share for
a better tomorrow.

Through education, innovation, ethical leadership and community engagement, we remain dedicated to advancing the Sustainable Development Goals and creating a lasting positive impact on people, planet and prosperity.

QUALITY EDUCATION | GENDER EQUALITY | SOCIAL INCLUSION | RESPONSIBLE GROWTH | WELL BEING | PARTNERSHIP FOR THE GOALS

TOGETHER,

let’s build a sustainable
and resilient future.
